## **C. Criteria for Substantial Deviation and Significant Amendments**

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

**It has been determined that the Housing Authority will revise the 5 year plan on an annual basis as needed which will be subject to the public review process with the exception of fungibility. The ability to move an approved item forward or back in order to have an effective process for capitalization.**

#### **B. Significant Amendment or Modification to the Annual Plan:**

**It has been determined that in the case of the Capital Fund the Housing Authority will only go out for full public hearing and HUD review if the specific item exceeds \$25,000.00 or if a work item is added that exceeds \$25,000.00. It has been determined that it is not necessary to include all work items if they are under \$25,000.00. Due to the size of the Housing Authority it would be hard to detail all work items and be efficient and doing capital improvements on small items as needed.**

**Changes in rent or admissions polices or organization of the waiting list**

**Attachment A**
