C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)
PHA has completed its investigation of the financial feasibility and availability of funding to construct and operate an assisted living center. Because of limited availability of funding and the private construction of assisted living facilities, the PHA has determined that it is not financially feasible at the present time to construct an assisted living center.

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

Attachment A
Deconcentration of Poverty
And Income Mixing Plan
Of

The Housing Authority of the County of Union

Background:

As required by Section 513 of the QHWRA, the Housing Authority's admission policy must be designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

In order to comply with this Regulation, the Authority has taken steps to analyze the public housing stock and tenant incomes. The Authority has compared the relative tenant incomes of each development as they relate to the census tracts in which the developments are located. The Housing Authority shall make every effort to deconcentrate applicants of certain income characteristics within the Public Housing Authority's complexes by adopting the following plan:

Rent Incentives:

In order to encourage higher income applicants into lower income areas and thereby help to achieve a deconcentration of poverty; the Authority has adopted and will continue to use ceiling rents which have encouraged many working families to move into public housing. This thereby will achieve a consistently higher income throughout the mixed developments.

Worker Preferences:

Working families are given preference over non-working families. However, to affirmatively further fair housing and prevent discrimination from those who are unable to work, the Authority awards the same preference to those families who qualify as elderly, handicapped, or disabled.

Additional Support and Amenities:

The Housing Authority will provide information for each Development of the services and amenities at the development and in the surrounding areas.

Other:

In lieu of skipping over certain families on waiting lists based on incomes, the Authority will determine on an annual basis whether there exists a severe concentration of higher-income or lower-income families within a development as it relates to the census tracts in which the developments are located. If there is no choice of developments, the Authority will offer the available apartment to the next qualified applicant.

Housing Needs

PHA continues to maintain effective maintenance and management policies to minimize off-line housing units.

The PHA has completed its investigation of the financial feasibility and availability of funding to construct and operate an assisted living center. Because of limited availability of funding and the private construction of assisted living facilities, the PHA has determined that it is not financially feasible at the present time to construct an assisted living center.

PHA is continuing to serve the housing needs of the community.

Financial

PHA has been able to maintain a level of operating cost that does not exceed inflation during the current fiscal year. The PHA's Financial Assessment Subsystem score of 29 is evidence of the PHA's sound financial management.

Management

The PHA has maintained a high level of management that has resulted in a Management Assessment Subsystem score of 26.

Deconcentration and Income Mixing

PHA continues to work toward attracting and retaining higher income families in its targeted developments. PHA admission policies provide preferences for income mixing for applicants at all family developments.

PHA has not yet achieved its goals but continues to work toward achieving same.

Capital Fund

PHA continues to judiciously utilize its Capital Fund Grant funds to maintain high quality affordable housing for its residents as evidenced by its Physical Assessment Subsystem score of 28.

General

The PHA has successfully maintained high performer status having attained an overall score of 92. The PHA will strive to maintain its high performer status for the coming fiscal year.

5. The PHA will continue to instruct its staff to respond to our residents' needs and requests in a positive service-minded manner.
6. If needed, the PHA will continue to meet with residents on an individual basis regarding residents' concerns and perceptions on this issue.
7. The PHA will continue to train staff to effectively and politely communicate with residents.

Safety: Score 70.7%

4. The PHA has instituted a resident screening process which denies housing admission to those individuals who do not meet the legal criteria established by HUD or the PHA Board approved Admission and Continued Occupancy Policy (ACOP).
5. The PHA will continue to enforce the Admission and Continued Occupancy Policy (ACOP) and the Dwelling Lease for the protection and safety of the residents.
6. The PHA will periodically check all lights in common areas and outdoor lighting to make sure they are working.
