**RESIDENT ASSESSMENT
RASS FOLLOW-UP PLAN**

Development	Safety	Neighborhood Appearance
IN006-001	64.3%	64.5%
IN006-002	88.3%	88.3%
IN006-003	55.9%	48.5%
IN006-004	98.3%	46.6%
IN006-005	90.6%	85%

In accordance with the scoring of the 2002 Resident Assessment Satisfaction Survey (RASS), the Anderson Housing Authority is required to develop a Follow-Up Plan for both SAFETY and NEIGHBORHOOD APPEARANCE components of the survey.

The Anderson Housing Authority's Follow-up Plan is as follows addressing responses to questions of the survey that indicated low scoring.

A. SAFETY:

1. Bad Lighting: This area of need has been discussed with residents. Additional exterior lighting for back side of the apartments has been reviewed by the Maintenance Director who has:

- (a) reviewed possible areas of needs;
- (b) held a conference with electrical contractors;
- (c) lighting design to be completed by November 30, 2002
- (d) installation by January 31, 2003

2. Broken Locks: This has been reviewed by the Maintenance Director who felt that this is not recorded as a high level repair and was not identified during REAC and/or independent inspections. This possibly could have been resident misinterpretation of the question. However, the following shall be implemented:

- (a) all locks shall be inspected during Preventive Maintenance inspections;
- (b) encourage residents to report broken and/or malfunctioning locks immediately.

3. **Crime Prevention Programs Available to Residents:** The Anderson Housing Authority has on many occasions tried to initiate more resident involvement in this area. Our residents have been very reluctant to become involved. (Appear to be afraid of retaliation) However, this was discussed at the Resident Advisory Council Meeting and those present pledged their support.

Action Plan: The Anderson Housing Authority's Compliance Officer and the Certified Public Housing Manager will join efforts to accomplish the following:

- (a) meet with APD Community Policing Division to discuss (again) Crime Watch Program;
- (b) set tentative dates for resident information group(s) meeting;
- (c) notify residents of meeting(s);
- (d) have meetings;
- (e) end goal to have crime watch resident groups at both Westvale Manor and Lynnwood Village by June 30, 2003.

B. NEIGHBORHOOD APPEARANCE

1. Upkeep of Common Areas, Parking Areas, Playground and Other Outside Facilities.

The Anderson Housing Authority has not perceived this as not being satisfactory to residents. There is rarely a lack of curb appeal of both apartment developments. Again, this could be the way the question(s) was perceived by residents. However, the Anderson Housing Authority will encourage residents to assist the Anderson Housing Authority in picking up and cleaning up common and lawn/yard areas.

Time Table: On-going

2. Abandoned Vehicles:

The Anderson Housing Authority operates a very "tough" policy not just in terms of abandon vehicles but malfunctioning vehicles. This year, our records indicate that we had no abandon vehicles on any of our properties and only one (1) vehicle towed for malfunctioning. The Anderson Housing Authority will continue to implement our present policy.

3. Broken Glass:

Our records indicate prompt responses to broken glass. It was not cited as a violation from REAC or Independent Inspections. Window and door glass do become broken and possibly residents may be stating that this is happening, and is a problem, but not that Maintenance does not respond promptly.

Action Plan: Encourage residents to be more mindful of the Housing Authority's property especially as it relates to their household, children and visitors and to notify Maintenance upon occurring.

4. Noise:

This is difficult for the Anderson Housing Authority to monitor. Residents are intimidated by others and therefore hesitate on reporting to Management and to local police.

Action Plan: Residents who are in violation of their lease(s) as it relates to "enjoyment of their unit" and can be well documented and supported shall continue to be evicted or the lease not renewed.

5. Trash and Litter:

The Anderson Housing Authority has not perceived this as not being satisfactory to residents. There is rarely a lack of curb appeal of both apartment developments. Again, this could be the way the question(s) was perceived by residents. However, the Anderson Housing Authority will encourage residents to assist the Anderson Housing Authority in picking up and cleaning up common and lawn/yard areas.

Time Table: On-going

6. It has been noticed that for Development 004 which consist of 18 scattered site three (3) bedroom units located in various parts of the city in what is termed "desirable neighborhoods", it is hard to conceive that this development scored low in Neighborhood Appearance, especially when each resident family is responsible for the yard upkeep. THERE ARE NO COMMON AREAS!

However, the Anderson Housing Authority shall employ the action as stated in all of the above, as applicable.
