Resolution 2002 -9

Pet rule

Whereas in the past, the housing authority has only allowed birds, fish in tanks, and seeing eye dogs, we are changing the rule to include small cats and dogs. Each tenant shall be limited to one cat or one dog, not one of each. Dogs shall be limited in size to 20 pounds or less at maturity. The following breeds are not allowed: rottweiler, pit bull, German shepherd, chow, Doberman pinscher or any mix thereof. All dogs and cats shall be spayed or neutered after 6 months of age. The tenant shall abide by all city requirements as specified in the city ordinance. Section 2-201, and 2-202 specify the requirements for cat and dog tags. Section 2-204 requires proof of vaccination. The city ordinance has guidelines that prohibit animals running loose, containment and removal of waste and rules regarding negligent mistreatment of animals. In addition to the city requirements the department of HUD has additional guidelines. These include:

- A security deposit in the amount of \$100 to be paid before the pet is allowed on Housing Authority property.
- Annual registration with the housing authority
- Evidence of inoculations
- Not allowing a pet to run unrestrained
- Not allowing a pet to deposit waste on project grounds
- Proper maintenance of a litter box for cats
- The name, address, phone number of a responsible person in case you are unable to care for the pet
- Not allowing a pet to deface housing authority property or deposit waste on the floor of any unit or any common area.

The pet owners shall be aware that if the pet causes a disturbance at any time, the tenant shall have the option of removing the pet from housing authority premises or no longer being a tenant of the housing authority. This would include any objectionable noises after dark that would impede one's attempt to peaceful sleep.

General requirements:

- All pets shall be registered at the housing authority office once a year. The tenant shall bring proof of inoculations and city tags.
- The tenant shall dispose of all waste.
- The tenant shall not allow the pet to run at large.
- The tenant shall not allow their pet to disturb any other tenants.
- The tenant shall not allow a pet to deface housing authority property.
- The Housing Authority shall conduct on-site inspections of at least once every 3 months to insure that a tenant is in compliance with the housekeeping part of the pet rule.
- If a tenant is found to be in violation of the pet rule, a written notice shall be issued.
- Failure to comply will result in eviction.
