Admissions Policy for Deconcentration

ADMISSIONS POLICY FOR DECONCENTRATION

(Extracted from the ACOP)

1. **Objective:** The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also, the housing authority will take action to ensure that no individual development has a concentration of higher income families in one or more of the developments. To ensure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income.
2. **Actions:** To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goal of:
 - (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - (2) No housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this

policy, provides for skipping families on the waiting list to accomplish these goals.

Statement of Progress in meeting the 5 - Year Plan Mission and Goals (per Notice PIH2000 -43)

PHAGoal: Expand the supply of assisted housing
The PHA indicated an objective of reducing public housing vacancies. The PHA has made an enormous progress in this area. The PHA has gone from a 30 to 40% vacancy rate 3 years ago, to a vacancy rate of less than 1% at various times in the past 24 months. The PHA has solved the vacancy problem outlined in last year's PHA Plan.

Improve the quality of assisted housing
The PHA indicated an objective of modernizing an average of 75 units per year based on the CFP funding level we had available to us at the time. The PHA modernized well over that last year and will that number again this year.

Conduct Job Readiness Course
The PHA has worked with residents on a regular basis to advise and prepare residents for employment. The PHA has also worked with local service agencies, to the extent possible, to provide training and employment opportunities to our residents. A Job Readiness Seminar was organized and prepared by the PHA staff, but there were no residents in attendance.

Ensure Equal Opportunity in Housing for all Americans
The PHA indicated that it would maintain their current policies of non-discrimination based on race, color, religion, national origin, sex, familial status, or disability; and that it would continue to inform residents of services and assistance available in this regard. The PHA has, in fact, maintained these policies and will continue to do so.

Resident Membership of the PHA Governing Board (per Notice PIH2000 -43)

The resident member of the PHA Board of Commissioners is Barbara Reynolds. Barbara is a former employee of the Housing Authority of Middleborough and is a highly respected and trusted resident of the PHA. Her term expires November 30, 2004.

The process, as outlined in section 18, involved nominations from the residents with final selection and appointment made by the Mayor (as with all members).

Implementation of Public Housing Resident Community Service Requirements

The Housing Authority of Middlesboro has discontinued this program and the PHA policy as per HUD instructions and is awaiting the final decision on the program's future.

Pet Policy

The Housing Authority of Middlesborough has developed and implemented a Pet Policy in compliance with 24 CFR 960 Subpart G. The PHA will officially implement this policy at the time of approval of this PH Agency Plan as it states in Notice PIH2000 -43. The general requirements are as follows:

- Each household may own up to 2 pets including a dog (20 lbs. or under), a cat (10 lbs. or under), other four-legged animals (10 lbs. or under), a caged bird or fish. Reptiles and exotic animals are prohibited. Certain dogs with aggressive natures, such as Rottweilers are specifically prohibited.
- All pets must be indoor pets and residents are prohibited from constructing doghouses, etc..
- The PHA has non-refundable Annual Fee and refundable Deposit requirements depending on the type of pet.
- There are spaying, neutering, declawing and inoculation requirements that the resident must prove with documentation.
- Pets that are loud, vicious and aggressive, or otherwise disruptive to the peaceful enjoyment of the other residents shall be removed from the PHA.
- Residents shall keep pets restrained at all times when outside and are responsible for removal of the pet's waste immediately.
- Pets cannot be left alone for extended periods.
- The PHA has reserved the authority to take whatever steps necessary to protect the safety and peaceful enjoyment of the other residents.

The PHA has developed what we believe to be a very fair and functional policy that allows for pet ownership, requires proper care and nurturing of the pet, and also protects the safety and peaceful enjoyment of the residents.

Definition of "Substantial Deviation from the Five -Year Plan"

When the PHA nullifies or reverses a documented goal or objective, that is not yet fulfilled, of the Five -Year Plan. Quantitative changes in the numbers, percentages or methods of reaching a goal or objectives shall not be considered a substantial deviation if the intent and purpose of the goal or objective is still met.

Definition of "Significant Amendment to the Annual Plan"

General PHA Operations (Non -Capital Fund)

Any nullification or reversal of a stated "strategy" for addressing an existing need or problem shall be considered a Significant Amendment or Modification. Any additional strategies added to the Plan to address an existing problem shall not be considered a significant amendment because there would be no negative affect on the residents or applicants of the PHA.

Any change in the documented policies that will result in major changes in the PHA's Admissions and Continued Occupancy Policy, and subsequently, the resident's lease, or in the application phase of the PHA's operations (Eligibility, Selection and Admissions policies), shall be considered a Significant Amendment or Modification. The exception is an internal PHA change in method or procedure that will have no effect on the resident's lease or the policies under which they apply for and reside in any PHA property.

PHA Capital Improvements

After the preparation and submission of a final Annual Statement and Capital Five - Year Plan based on the actual funding amounts, any deletion of a work item thereafter, that has been presented to and accepted by the residents during the resident consultation process, that exceeds 20% of the actual program budget amounts shall be considered a Significant Amendment or Modification. Since the Housing Authority of Middlesborough must prepare and submit its PHA Agency Plan many months before actual funding amounts are received, any routine adjustments made due to the difference in presumptive and actual funding amounts, and, therefore, no fault of the PHA, shall not be considered a Significant Amendment or Modification.
