Required Attachment ___F___: RASS Follow-up Plan FYE 2002

The 2002 Resident Survey for the Housing Authority of Central City (HACC) revealed that improvements were made in all areas. Although many improvements have been made, HACC scored below the minimum required on two sections of the survey. A Follow-up Plan is required for the sections entitled Communication and Safety.

COMMUNICATION :

HACC will continue to keep residents informed of regular as well as special events through the use of flyers or letters handed out personally or placed in their door.

HACC will encourage residents to participate more by joining or developing committees that can help improve the

development. This will allow the residents to be apart of the solution.

Only a few residents, the resident council members, help plan improvements for the development. HACC will attempt to solicit more resident involvement as an attempt to create a more positive change in attitude toward HACC in the line of communication.

SAFETY:

HACC has established policies and entered into an agreement with the National Crime Information Center (NCIC) to screen individuals that are potential applicants and denies housing admission for those individuals not meeting the legal criteria established by HUD.

HACC during FY 2003 will work with the Central City Police Department (CCPD) to offer a course on basic home safety for our residents.

HACC has displayed posters in all common areas about the We Tip Program. The We Tip Program allows persons to report a crime or potential crime to receive reward money if resulting in an arrest and conviction.

HACC will continue to report all criminal activity to CCPD and will continue to enforce HACC's adopted policies that define safe behavior for residents as well as the repercussion for violating policy.

Required Attachment ___H___ : Deconcentration and Income Mixing Analysis Status Questions

The Housing Authority of Central City (HACC) is less than 100 units. Therefore, HACC does not have any developments that are covered by the deconcentration rule.

Required Attachment ___I___ : Voluntary Conversion Required Initial Assessment Status Questions

a. Question: How many of the PHA's developments are subject to the Required Initial Assessments?

Answer: All of the Housing Authority of Central City's developments.

b. Question: How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)?

Answer: None

c. Question: How many Assessments were conducted for the PHA's covered developments?

Answer: An assessment was conducted for each development (KY070-1 & KY070-2)

d. Question: Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments.

Answer: The Housing Authority of Central City (HACC) feels that it would be inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.

HACC's housing stock is the best rental units in our community. In addition, because this is a small community, there is a lack of rental housing to accommodate potential applicants much less those in the low to medium income range.
