4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The Consolidated Plan of Kentucky and the PHA Plan concur in the objectives of preservation of housing units through modernization enabling the production of safe, decent and affordable housing for low income renter households through sound management efforts.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Housing Authority of Stanton defines “substantial deviation” as a change in the capital budget and/or 5-Year PHA Plan of 50% or more of non-emergency work items that would require resubmission of an updated Plan.

The Housing Authority of Stanton has made no substantial deviations from the 5-Year Plan Policy as outlined in the 2000 Agency Plan submitted to HUD.

B. Significant Amendment or Modification to the Annual Plan:

The Housing Authority of Stanton will consider the following actions to be significant amendments or modifications:

- Changes to rent or admissions policies or organization of the waiting list with the exemption of HUD mandated changes in these policies
- Addition of non-emergency work items in the amount of 50% of the budget (items not included in the current Annual Statement or 5-Year PHA Plan).

The Housing Authority of Stanton has not made significant amendments or modifications to the Annual Plan except those that are adopted to reflect changes in HUD regulatory requirements.

Required Attachment J:

The Housing Authority of Stanton does not concur with the issue of safety raised by the Resident Assessment Survey that was solicited by the Real Estate Assessment Center. Currently, the Housing Authority houses one law enforcement officer at its one and only site, KY80-01, consisting of 40 units. The Housing Authority conducted its own written survey with the tenants and 15 responded. All of the responses were positive in the fact that they feel safe in their apartments and the apartment community.

The Housing Authority is investigating the possibility of installing automatic front porch lights with the apartment number clearly illuminated for easy emergency services location. The Housing Authority has talked with the local utility company regarding the installation of another light pole in one section of the property and the utility company has declined. The Housing Authority will investigate the costs associated with private installation of this light.

The Housing Authority has request tenant participation in a Neighborhood Watch program. The tenants feel that they watch out for each other and are acquainted with each other well enough to know if strangers are present in the neighborhood and do not need a formal program.

The Resident Assessment Survey also indicated that vacant units made the residents feel unsafe. The only vacant units on the site are the ones that are being renovated.

The Housing Authority is committed to the safety of the residents and will endeavor to make the residents feel safe.
