## **ii. Executive Summary**

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

### **1. Summary of Policy or Program Changes for the Upcoming Year**

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

**Our FSS program has had a very successful year. As of September 1, 02, we have 37 enrolled in the program. 20 of these have escrow balances. Four have graduated this year, as three have moved on to homeownership using their final escrow disbursements. Our housing authority is considered small, but we have a very successful FSS program.**

**Disallowance of earned income from rent determinations for persons with disabilities has been put into effect with our agency. The annual income for qualified families may not be increased as a result of increases in earned income of a family member who is a person with disabilities beginning on the date on which the increase in earned income begins and continuing for a cumulative 12-month period. After the disabled family receives 12 cumulative months of the full exclusion, annual income will include a phase-in of half the earned income excluded from annual income.**

**The earned income disallowance is only applied to determine the annual income of families who are participants in the Housing Choice Voucher Program, and therefore does not apply for purposes of admission to the program.**

-

**We have applied for additional Vouchers under the Reallocated Baseline Housing Choice Voucher Units and Annual Budget Authority application.**

**We are anxiously waiting to see if we are approved for the needed 25 additional Vouchers.**

**In order to give our tenants better housing choices, our payment standards are still set at 100% of FMR. Our lease up rate has been 98-100% through out the entire year.**

**Local preferences are the same as previously submitted. We continue to network with several agencies and organizations assisting homeless and displaced families.**

**Targeted income admissions are still above the 75% rate as required by HUD.**

**We are still in the process of trying to develop a homeownership program. Many tenants are still expressing interest in becoming homeowners. The obstacle for most of our tenants is to overcome a bad credit check. Our FSS Coordinator is counseling several of our Section 8 tenants, so they may qualify for the USDA –RHS loans. Plans are being prepared to present to our board for approval.**
