Attachment Two

10.4 DECONCENTRATION POLICY

It is the Sanford Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Sanford Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

10.5 DECONCENTRATION INCENTIVES

The Sanford Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Attachment me36-011h01 – Resident Survey Follow Up Plan

**SANFORD HOUSING AUTHORITY
RESIDENT SURVEY FOLLOW-UP PLAN**

OVERVIEW/BACKGROUND

The results of the Resident Service and Satisfaction Survey indicate that Sanford Housing Authority received a score for communication, safety and neighborhood appearance that was below the 75% required by HUD. As a result, we are required to include this Resident Assessment Follow-up Plan along with our PHA Annual Plan for our fiscal year that begins on April 1, 2003.

Communication; The SHA has hired a new resident advocate who will team with the property manager in an effort to improve communication in the two developments. We will focus on the details of notifying tenants and have established a monthly newsletter to include information on a timely basis and will be more responsive to questions and concerns from tenants. The SHA has also restructured our case loads and replaced a Occupancy Specialist as the previous employee had been on extended medical leave for over a year.

Safety; The SHA has instituted crime and credit checks for all applicants in an effort to provide better tenant screening. We have also instituted a stricter lease enforcement policy that will provide accountability and follow up on all issues. We also have a good relationship with the Town of Sanford Police Department, and have worked as a team in drug related crime in the family development.

Neighborhood Appearance; The SHA believes that this is a function of the quality of residents, applicant screening and accountability for actions of tenants and their guests. As previously stated we will continue to improve applicant screening procedures, lease enforcement and provide a high level of neighborhood maintenance by our maintenance department.
