### **Required Attachment G: Progress in meeting the 5-year Plan Mission and Goals:**

The Coldwater Housing Commission has been able to maintain its mission to promote adequate and affordable housing, and a suitable living environment free from discrimination through the utilization of Capital Funds and proper application of our public housing policies.

The Coldwater Housing Commission waiting list is efficiently maintained. With updated housing software, applicants are experiencing quicker responses to their inquiries and prompt, professional processing of their applications. Currently there are fewer applicants on the waiting list than in past years due to market conditions. Coldwater Housing Commission advertises available units weekly in the print media and on the local cable access channel.

Continued modernization through Capital Improvement funds also improve s the marketability of our product. Parking lot renovations are mostly complete, newer sidewalks installed, and trees have been trimmed. With additional parking spaces and updated lighting, residents are enjoying these enhancements.

Updates to the security system through newer technology are also ongoing.
