SAFETY

Security Cameras have been installed on all floors and on the roof to cover the parking lots.

We are looking into replacing the entry doors and the entry security system for tenants and guests. This will be included in a future Capital Project.

We have started to hold regular tenant meetings and are encouraging the tenants to become involved in areas such as parking lot patrol, hallway patrol, security checks of doors & windows on the 1st floor and floor captains.

We have been utilizing Renter's Acceptance to help with the screening of our applicants. We have significantly reduced the number of "problem" tenants by using this more thorough screening of applicants.
