Attachment G: Progress in meeting the 5 - Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of four public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of four property and our FY2003 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA will reinstate and discuss with residents and each adult member of every household its Community Service program by July 31, 2003.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY2003 .

7. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Pet waste must be picked up daily and disposed of by either flushing through sewer or trash. Improper disposal of pet waste is a lease violation and may be grounds for termination.
8. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).
9. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: no additional pet deposit shall be required of the Resident with whom the pet is visiting unless the visit is in excess of seventy-two (72) hours, and two (2) verified complaints shall be grounds for excluding the pet from further visits.
10. All pets shall be registered with the Management Office immediately.
11. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the PHA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet. The PHA accepts NO RESPONSIBILITY for any pet under any circumstance. The PHA strongly advises Resident to obtain liability insurance.

Attachment J: Implementation of Public Housing Resident Community Service Requirement

PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The Chaffee Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for these selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see IIIA(c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a non-compliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

-Or -

The family provides written assurances satisfactory to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

- e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

- f. The Chaffee Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.
