### Progress in Meeting the Mission and Goals Outlined in the Previous 5 -Year Plan

PHA Goal: Improve the quality of assisted housing.

During the past year the Howell County PHA concentrated on staff training to improve overall management of the Section 8 Program. Specifically, we believe this has increased customer satisfaction, housing quality, and should improve our SEMAP score. Additionally, a plan to improve program utilization continues to improve utilization, resulting in more low-income families receiving assistance.

PHA Goal: Increase voucher payment standards.

The HA increased the payment standard to 110% of the FMR. The HA is currently evaluating the payment standards and may request an increase to no more than 120% of the FMR for 1 and 2 bedroom units.

HUD Goal: Promote self-sufficiency and asset development of families and individuals.

A variety of workforce development services, as well as various life skills workshops, are made available to participants through Ozark Action, Inc.

HUD Goal: Ensure Equal Opportunity in Housing for all Americans

The HA continuously monitors program activities to ensure access regardless of race, color, religion, national origin, sex, familial status, and disability.
