Our goals and objectives are contained in the plan along with adopted policies and procedures to comply with HUD guidelines, rules, regulations and federal laws.

The Agency Plan was made available for public review and prepared with input from local officials, board of commissioners, resident advisory council and general public. All comments were taken under consideration and addressed in this plan. Supporting documentation is attached and/or available upon request.

The Housing Authority Plan has focused on improving the quality of life for its residents, expanding the supply of assisted housing, promote self-sufficiency through education and training, ensure equal opportunity and fair housing, safe environment and physical improvements. We have addressed our capital fund needs, drug elimination, community service, pet and initial assessment for voluntary conversion of development from public housing stock.

D. Reserved for Community Service Requirement pursuant to section 12(c) of the U.S. Housing Act of 1937

Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

The Columbus Housing Authority suspended its enforcement of the 8-hour community service requirement after a 30 day notice on April 1, 2002. We will not enforce this provision of our Admissions and Continued Occupancy Policy so long as Congress provides for the option to not enforce it. In taking this action we still want to encourage our public housing residents to both participate in their community and enhance their self-sufficiency skills in a truly voluntary manner.

Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Housing Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper notification for any

Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet regulatory compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or Modification shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in statutory requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items not currently included in the Annual Statement or the 5-Year Action Plan or changes in use of replacement reserve funds under the Capitol Fund;
- Additions of new activities not included in any current PHDEP Plan;
- Any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities.

These issues, if required, shall be raised with proper public notification. The Housing Authority acknowledges that an exception will be made by HUD to comply with the above changes that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.

REAC FOLLOW-UP PLAN

PHA has provided provisions for the access of vacant units to security in order to facilitate surveillance in and near developments. All lighting in common areas is checked daily to ensure they are working.

DECONCENTRATION POLICY

The following resolution was introduced by Commissioner Perkins and considered:

RESOLUTION NO. 99-3
RESOLUTION AUTHORIZING REVISION OF THE
TENANT SELECTION AND ASSIGNMENT PLAN

WHEREAS, the Housing Authority of the City of Columbus, Mississippi maintains a Tenant Selection and Assignment Plan; and

WHEREAS, as a result of recent changes in the law, it became necessary that the said Tenant Selection and Assignment Plan be revised; and

WHEREAS, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA of 1998) was discussed with the Board of Commissioners during its regular meeting of June 15, 1999; and

WHEREAS, in order to comply with the law, as written, the Housing Authority of the City of Columbus, Mississippi should adopt a revised Tenant Selection and Assignment Plan and provide the following:

In an ongoing effort for the Columbus Housing Authority to meet or exceed the laws and regulations regarding public housing, a comprehensive Deconcentration Policy has been developed in order to comply with the Housing Quality and Work Responsibility Act of 1998 Section 513, as it applies to the Columbus Housing Authority.

INCOME MIX TARGETING:

This housing authority must ensure that within a given fiscal year, not less than forty percent (40%) of the public housing dwelling units shall be occupied by families whose incomes at the time of commencement of occupancy does not exceed thirty percent (30%) of the area median income.

PROHIBITION OF CONCENTRATION OF LOW-INCOME FAMILIES :

This housing authority may not concentration very low-income families, or those with relatively low incomes, in public housing units in certain projects or certain buildings within projects. There must, however remain at least forty percent (40%) of the families who are at or below thirty percent (30%) of the median area income. The Columbus Housing Authority must review the income and occupancy characteristics of the housing projects and the buildings of each project to ensure that a low-income concentration does not occur.

DECONCENTRATION:

It shall be the sole and exclusive right of the Columbus Housing Authority to move families from one dwelling unit to another as necessary or as vacancies warrant to reduce a concentration of a particular income level of families into any one building or complex. In contrast, the Columbus Housing Authority will also make every effort and attempt to maintain a consistent dwelling unit for every family and will only make moves necessary if there is no other alternative as determined by the Columbus Housing Authority.

NOW THEREFORE, BE IT RESOLVED, that the Board of Commissioners of the Housing Authority of the City of Columbus, Mississippi approves the revised Tenant Selection and Assignment Plan as required by HUD, at the Board's meeting held on June 15, 1999 in an effort to comply with the new law. Said plan to be maintained in the Authority's policy file under the name of Tenant Selection and Assignment Plan of June 15, 1999.

Commissioner Perkins moved the adoption of the hereinabove Resolution; the same was seconded by Commissioner Brooks and upon a vote being taken the same was unanimously carried.

VOLUNTARY CONVERSION OF DEVELOPMENT FROM PUBLIC
HOUSING STOCK

Component 10 (B) Voluntary Conversion Initial Assessments

- a. How many of the PHA’s developments are subject to the Required Initial Assessments? **4**
- b. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects) **0**
- c. How many Assessments were conducted for the PHA’s covered developments? **1**
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

Development Name	Number of Units
NONE	

- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments. **Completed**

This is to certify that The Housing Authority of the City of Columbus, Mississippi has reviewed each development operating as public housing; considered the implications of converting the public housing to tenant-based assistance ; and concluded that conversion may be inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.

That the initial assessment indicated that 1) cost would be a factor; 2) the ability to occupy the developments; 3) cost and/ or workability of vouchers in the community and 4) other relevant factors that voluntary conversion may be inappropriate.

THEREFORE, the Housing Authority has determined that our developments are not appropriate for conversion based on the following reasons:

1. Conversion **would be** more expensive than continuing to operate the developments (or a portion of it) as public housing;
2. Conversion **would not** principally benefit residents of the public housing development to be converted and the community; and
3. Conversion **would** adversely affect the availability of affordable housing in the community.
