### **Statement of Progress for 5 Year Plan**

Since taking on the management responsibility of the Belmont Housing Authority we have made progress in involving the residents in the process of determining improved living conditions of the housing units. In this process we have improved the housing stock and living conditions of the community. By using the funds to replace the old tile floor throughout each unit with a brighter and more durable product, we replaced the cook stoves in all the units, replaced entry doors to the units, and for the outside we spruced up the landscaping by planting decorative trees along the entrance of Flowers Court and in front of the units themselves, the playground for the community also has received a face lift for the resident youth.

Through a steady process of guidance we have had continued training sessions between the SHA board and the Belmont board to inform them of their role in guiding the housing authority with proper management to become a high performing agency. We plan to use part of the upcoming Capital Funds to ensure that the financial status of Belmont HA remains strong with replenishing the depleted reserve funds.
