The Oakland Housing Authority's actions and goals will continue to support the consolidated plan of the State of Nebraska. The housing priority in the state of Nebraska is defined by the consolidated plan as follows: **"Increase housing production to ensure an adequate, appropriate and affordable housing supply to meet community economic development needs."** The Oakland Housing Authority will assist the state in the following strategies:

1. Increase cooperation among governmental entities, housing providers and the lending community; promote the participation of these groups in partnership to produce affordable housing.
2. Increase education and training for public awareness of housing issues and responsibilities.
3. Address special housing needs in two ways: increase partnerships between government agencies providing services to persons with special needs; provide outreach to simplify communications and build capacity for organizations that serve persons with special needs.

Unfortunately, the State of Nebraska Consolidated Plan is not specific to Oakland. The Oakland Housing Authority anticipates no State CDBG funds. The State will work with us on an "as needed" basis.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5 -year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5 -year Plan:

A substantial deviation from the 5 -year Plan occurs when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5 -year plan.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.
