Pet Policy

The Dover Housing Authority has had pet policies in place for both its family and elderly developments for many years. In general, most small caged animals are permitted. In addition, cats are permitted in family developments provided they are properly registered with the Dover Housing Authority. Indoor cats are permitted in elderly developments. Dogs and outdoor cats are permitted at two elderly sites. Elderly residents wishing to own a dog or cat must transfer to those specific developments.

The actual Pet Policies are on file with the Dover Housing Authority and outline the specific rules and regulations for owning a pet.

Statement of Progress

The Dover Housing Authority is strongly committed to promoting adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. Toward that end, the Dover Housing Authority has been actively pursuing its goals in the following areas.

- A. Expand the supply of assisted housing. The Dover Housing Authority is collaborating with the City of Dover and Strafford County in the construction of a HUD 202 Project consisting of 26 units for seniors. The Dover Housing Authority will manage the waiting list for this development.
- B. Improve the quality of assisted housing. The Dover Housing Authority has taken numerous steps to improve our public housing and voucher management scores, such as hiring engineers and a housing inspector to identify and correct issues identified in two previous PHAS physical inspection reports. The Dover Housing Authority continues to repair and modernize our public housing units through the capital fund program.
- C. Increase assisted housing choices. Continual efforts are made by Section 8 staff to seek out potential voucher landlords. The Dover Housing Authority increased the Section 8 payment standard to 110% of the fair market rent in an effort to assist applicants in securing housing.
- D. Provide an improved living environment. The Dover Housing Authority has designated 3 multi-story buildings as housing for elderly residents only, which HUD has approved. The Dover Housing Authority now has 2 full-time police officers assigned to our neighborhoods to improve security in and around its public housing units. Even though the Dover Housing Authority is exempt from HUD's deconcentration policy, we are committed to a socio-economic mix in our family development.
- E. Promote self-sufficiency and asset development of families and individuals. One of the major strengths of the Dover Housing Authority is our commitment to provide supportive services to all our residents. We continue to apply for and receive HUD funds to provide supportive services to our seniors in an effort to keep them living independently longer and avoid premature institutionalization. Our family supportive service program has an array of programs aimed at improving our residents' employability such as Family Self-Sufficiency Coordinator, on-site day care, and family support groups. We have also received funding through the Section 8 Housing Choice Voucher Program for a Family Self-Sufficiency Program Coordinator, who has been successful in recruiting families to participate in this worthwhile program.
- F. Ensure equal opportunity in housing for all Americans. The Dover Housing Authority is strongly committed to undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status or

disability; to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status or disability; and to taking measures to ensure accessible housing to persons with all varieties of disabilities.

Resident Membership of the PHA Governing Board

In January, 1999, the Dover Housing Authority canvassed every public housing and Section 8 resident for interest in serving on its Board of Commissioners. Each interested person filled out an application/questionnaire which was submitted to the City Manager of the City of Dover. The City Manager reviewed the applications and appointed Barbara M. Caron for a 5-year term effective March 30, 1999 to March 30, 2004.
