ATTACHMENT I: PHA Criteria For Amendments To Plan

Pursuant to applicable HUD regulations, a PHA may change or modify its Annual and Five-Year Plans and the policies described therein. However, any “significant amendment or modification” to the Annual Plan and any “substantial deviations” from the Five-Year Plan would require that the PHA submit a revised Plan that has met full public process requirements, including Resident Advisory Board review.

The Weehawken Housing Authority will consider the following to be “significant amendments or modifications”:

1. Changes to rent or admissions policies or organization of the waiting list;
2. Changes to grievance procedures;
3. Additions of non-emergency work items (items not included in the current Annual Statement of 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
4. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

The Authority will consider the following to constitute a “substantial deviation” from the Five-Year Plan:

1. Any modification to the PHA’s Mission Statement or any substantial modification to the PHA’s goals and/or objectives.

An exception to these definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered substantial deviations or significant amendments by the Authority.
