OTHER ATTACHMENT E: STATEMENT OF PROGRESS

The Grants Housing Authority has had a complete staff turn over. Due to the staff size of 2 employees, no one as able to backfill the positions. The time it took to hire new staff which resulted in numerous shortfalls within the programs.

The Board of Commissioners has taken positive action to identify all shortfalls. The local HUD field office and the New Mexico Housing Authority Organization identified program shortfalls. The shortfalls are being addressed and corrective action will take approximately 6 months to correct.

FY 2002 Capital Funds are being expended in accordance with the plan. We have been able to update two homes with energy saving heating and air conditioning systems. In addition, the HAVC will conserve and save 4000 gallons of water per home per year, while lowering the utility costs. We have been successful in xeriscaping four homes. The expected savings could be as high as 4,000 gallons of water per month
