ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

In accordance with Section 511 of the Quality Housing and Work Responsibility Act (QHWR) of 1998, the Bernalillo County Housing Department is pleased to submit the Agency Plan.

The Agency Plan is presented in two sections:

Section 1: Five Year Plan

This section included the PHA's Mission Statement, goals and objectives. The housing authority has considered the Mission Statement, goals and objectives of HUD in developing the Five-Year Plan.

Section 2: Annual Plan

This section includes the components required to be submitted by a small housing authority (less than 250 public housing units)

Please refer to the Table of Contents for the components included. Any required components that are not included in this submission are so indicated in the Table of Contents along with the location of the applicable materials and the date submitted to HUD, if required.

In this fourth year of required submission, the housing authority has elected to continue to operate its programs in an efficient, cost-effective manner and to explore the options authorized by the QHWR. These options will be explored primarily as methods to increase the supply of affordable housing for very low income households indicated by the housing needs statement (Component A)

Subsequent submissions will include the housing department's plans to pursue these efforts.

The Five-Year and Annual Plans were available for review by the public on 03/01/02 as noted in the public notice published 02/24/02. An attendance sheet for the public hearing as well as minutes, including resident/public comments are available for review in the housing department's file on the Annual Plan. All comments received have been considered and addressed by the Bernalillo County Housing Department and the Board of County Commissioners approved the Annual Plan for submission to HUD on 04/09/02.

Sincerely,

BERNALILLO COUNTY HOUSING DEPARTMENT

ADMISSIONS Policy for Deconcentration

Chapter 4 Admissions and Continued Occupancy Policy

J. DECONCENTRATION OF POVERTY AND INCOME-MIXING

The PHA's admission policy is designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

Gross annual income is used for income limits at admission and for income-mixing purposes.

Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is not to be considered an adverse action to the family. Such skipping will be uniformly applied until the target threshold is met.

The PHA will gather data and analyze, at least annually, the tenant characteristics of its public housing stock, including information regarding tenant incomes, to assist in the PHA's deconcentration efforts.

The PHA will use the gathered tenant incomes information in its assessment of its public housing developments to determine the appropriate designation to be assigned to the project for the purpose of assisting the PHA in its deconcentration goals.

Deconcentration and Income-Mixing Goals

Admission policies related to the deconcentration efforts of the PHA do not impose specific quotas. Therefore, the PHA will not set specific quotas, but will strive to achieve deconcentration and income-mixing in its developments.

The PHA's income-mixing goal is a long-range goal and may not be achieved in the first year of implementation. The PHA will use its annual analysis of its public housing stock and tenant incomes to provide benchmarks for the PHA.
