ii. Executive Summary

[24CFR Part 903.79(r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Our goals have not varied from those of the 5 -year plan. We have, however, come up with an assortment of different methods to achieve those goals.

Nyack Housing (the NYS program) has unanimously declared two parcels of land on one of our sites as "excess", and with the concurrence and support of four Village Board, has petitioned the NYSC ommissioner of Housing to support that decision. The Commissioner approved the plan, and we are in the process of conveying those parcels to the Nyack Housing Assistance Corp., which plan to develop (24?) accessible rental housing units, which will accept Housing Choice Vouchers. Additional affordable rental units and affordable accessible units are the two most important needs in the Rockland County Consolidated Plan. Home ownership for those who can only afford affordable homes will be addressed through cooperation with the Rockland Housing Action Council (or similar others). We will NOT be establishing our own home ownership program because housing prices are so high that our program participants are precluded from ownership of anything other than a unit developed by RHAC, with a lower initial price achieved through grants.

We hope to utilize a recent HUD grant to add additional paid time to a Housing Program Assistant's hours, so that FSS enrollees can be assisted in achieving independence, which will make them eligible for the RHAC affordable housing units.

Nyack Housing Authority is a small, Section 8 only housing authority.

C/Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Nyack Housing will subject any changes in its GOALS for serving the Nyack community to a full public hearing and HUD review before implementation.
