1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

The Village of Kiryas Joel is located in the Town of Monroe, in Orange County, New York. With a population of 13, 138 (2000 Census), Kiryas Joel is the fastest growing community in the fastest growing county in the state. 2000 Census statistics show a poverty rate of 61.7% in the Village with a per capita income of \$2,912; the second lowest of all communities in New York State. HUD has designated the Village of Kiryas Joel (Census Tract 150) as a Qualified Census Tract (QCT) pursuant to Section 42(d)(5)(c) of the Internal Revenue Code, a designation recognizing fifty percent of households in this tract have incomes less than 60 percent of Area Median Income. Over seventy percent of the approximately 2,200 families in the Village are eligible for assisted housing. Larger dwelling units are critically needed due to the large average family size of roughly 8 persons. It is not uncommon, for cultural reasons for families to have 12-15 children living in one household. Combined with a chronic underemployment issue, a large percentage of households are unable to meet their basic cost of living without some form of assistance.

KJHA's waiting list, over 500 names long, has been closed for the past six months. With over 100 marriages in the community annually, the waiting list if opened, would quickly grow larger.

The New York State Consolidated Plan 2001-2005 shows in Exhibit D5 (Incidence of Federally-defined Housing Problems...Large Renter Households) that 88% of Low-income households and 94% of Extremely low-income households have housing problems. For a closer and more accurate estimate of the housing needs in Kiryas Joel, KJHA completed the "Housing Needs of Families in the Jurisdiction" from information obtained from its waiting list. The data is consistent with the New York State Consolidated Plan and data obtained from the 2000 Census.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the

following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Although KJHA has been diligent and effective in attempting to meet the needs that exist in our jurisdiction, we are not optimistic about achieving our objective. Neither the Village of Kiryas Joel Housing Authority, New York State or the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is apply for the grant opportunities made available by the State and Federal Government. Whenever available KJHA will apply for the following programs:

- Public Housing New Construction Program
- Low Income Housing Tax Credits
- New York State Housing Trust Fund
- HOME Funds
- Affordable Rental Housing Program
- Additional Section 8 Slots

The Village of Kiryas Joel Housing Authority's strategy for addressing housing needs is consistent with the New York State 2001-2005 Consolidated Plan. Section IV – Strategic Plan, Summary of Priorities and Objectives. Item #1 is to “preserve and increase the supply of decent, safe and affordable housing available to all low and moderate-income households, and help identify and develop resources to assist in the development of housing.” Item #2 of the plan is “improve the ability of low and moderate-income New Yorkers to access rental housing and homeownership opportunities.” This is precisely KJHA's stated mission for which all its activities are designed.
