ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Optional and not required.

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

A voucher homeownership program will be implemented this year for the village of Waterford Section 8 Program as part of a regional homeownership program sponsored by Joseph E. Mastrianni, Inc. A regional approach was necessary since funding available in the village of Waterford voucher program was not sufficient to support a home-ownership program for the village alone. By using a regional approach, the cost of operating the program can be spread over all voucher programs administered by Joseph E. Mastrianni, Inc.

2. Voucher Homeownership Program

[24 CFR Part 903.7 9 (k)]

A. Yes No: Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 ? (If "No", skip to next component; if "yes", describe each program using the table below (copy and complete questions for each program identified.)

B. Capacity of the PHA to Administer a Section 8 Homeownership Program

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner downpayment requirement of at least 3 percent and requiring that at least 1 percent of the downpayment comes from the family's resources
- Requiring that financing for purchase of a home under its section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards
- Demonstrating that it has or will acquire other relevant experience (list PHA experience, or any other organization to be involved and its experience, below):

Homeownership program is administered by Joseph E. Mastrianni, Inc. a firm with twenty-seven years of experience in the subsidized housing industry.

3. Other Information

[24 CFR Part 903.7 9 (r)]

A. Resident Advisory Board (RAB) Recommendations and PHA Response

1. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?
2. If yes, the comments are Attached at Attachment C
3. In what manner did the PHA address those comments? (select all that apply)
 - The PHA changed portions of the PHA Plan in response to comments
A list of these changes is included
 Yes No: below or
 Yes No: at the end of the RAB Comments in Attachment C.
 - Considered comments, but determined that no changes to the PHA Plan were necessary. An explanation of the PHA's consideration is included at the end of the RAB Comments in Attachment C.
 - Other: (list below)

B. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: **New York State**
2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
 - The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
 - The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
 - The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
 - Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)
 - Other: (list below)
3. PHA Requests for support from the Consolidated Plan Agency
 Yes No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The priority and objectives of the New York State Consolidated Plan for federal fiscal years 1996-2000 support this Agency Plan with the following statements in the Strategic Plan Section of the State's Consolidated Plan:

1. **Preserve and increase the supply of decent, safe and affordable housing available to all low-and moderate-income households, and help identify and develop available resources to assist in the development of housing.**
2. **Improve the ability of low and moderate income New Yorkers to access rental housing and homeownership opportunities.**
3. **Address the shelter, housing, and service needs of the homeless poor and others with special needs.**

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A change in the PHA mission or a strategic goal will be considered a substantial deviation from the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Changes in or additions to the PHA mission; strategic goals; strategy for addressing needs; or policies governing eligibility, selection, and admission will be considered a significant amendment or modification to the PHA's 5-year and annual plan.

Required Attachment B: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

An 40-member Resident Advisory Board was selected to represent a cross section of tenants from the town of Rotterdam, village of Waterford, and village of Scotia. These are small Section 8 only PHAs ranging in program size from 55 units to 245 units, and without combining tenants from these programs into one Resident Advisory Board, it would have been impossible to obtain meaningful representation for each program. The Resident Advisory Board represents just over 10 percent of all tenants for the listed PHAs, and representation on the Board is proportional to the program size of each PHA.

Although Attachment B requires that members be listed here, no such listing is provided since a large proportion of the members of the Resident Advisory Board submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members are on file and will be released to appropriate HUD official only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.

Required Attachment C: Comments of Resident Advisory Board & Explanation of PHA Response (21 out of 40 members offered comments)

Plan Policies	Member Responses		
	Agree	Disagree	No Comment
1. Program Mission	21	0	0
<p>The program’s mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local needs.</p> <ul style="list-style-type: none"> • Thank you for your assistance. 			
2. Program Size	9	12	0
<p>There is no need to increase the size of the program beyond its current size by applying for additional funding from the Federal Government.</p> <ul style="list-style-type: none"> • Anyone who can meet your requirements should be helped. • Everyone should be able to get help when they need it. • I feel they should help low-income families that are really trying to improve their lives. • There should be no set limits on the number of people you could help. • If there is a need-demand there should always be Funding or maybe we can support a living wage for all workers. 			
3. Quality of Service	19	2	0
<p>Over the next year there should be an emphasis on increasing tenant satisfaction with the program and improving management functions.</p> <ul style="list-style-type: none"> • I think the inspections should be more thorough. • The staff is very informative and wonderful to work with. 			

- The Rotterdam agency is better than others.
- Service is very good.
- Pleasant, courteous, helpful within guidelines.
- Very pleasant, kind, and helpful at all times.

4. Self-Sufficiency **18** **2** **1**

Promoting self-sufficiency by increasing the percentage of employed persons in the program, providing supportive services to assist tenants in gaining employment, and attracting supportive services to increase independence for the elderly or families with disabilities should be goals of the program

- It is very important to know what resources are out there to be self-sufficient.
- Some people just cannot work and shouldn't be pushed into it.
- Also not just for elderly, for single parents too.
- Do you have a program to support someone who wants to continue their education?

5. Fair Housing **20** **0** **1**

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

6. Preferences **19** **1** **1**

In providing assistants to applicants, preference should be given to residents of the community, the elderly, and the disabled.

- Because income is very limited.
- It should be equal of all applicant's needs.
- Especially those who are unable to work.

7. Home Ownership **18** **1** **2**

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

- Because disability shouldn't be a reason to prevent owning a home.

- To buy a house they rent or another but not to build. There are plenty of houses out there.
- I like knowing Section 8 is trying to help me find a home for my future.
- Not sure.
- Would like more information on your home ownership programs.
- Strongly agree.

8. Additional Comments made by Members:

- Section 8 has been extremely helpful for the whole year that I was on and I hope the same helpfulness will continue for the rest of the time I need Section 8. The program and staff are wonderful as well.
- Being in the Section 8 Program has been a positive experience for me and I appreciate the opportunity. Thank you.
- Thanks to your service, everything is fine.

With one major exception, members of the Resident Advisory Board that offered opinions generally agreed with the policies in the plan. There was disagreement on program size with twelve of twenty-one responses stating that they thought the size of the program should be increased. This probably relates only to communities where waiting lists are long, and will be considered in that light when considering changes in plan policies dealing with the need to apply for additional funding.

Policies concerning the program mission, self-sufficiency, fair housing, and preferences were endorsed by all respondents. Also there was strong interest in a homeownership program. Nineteen of twenty-one responses to quality of service were positive, and while the service level will be maintained, less emphasis will be placed on improving this area in the coming year than originally intended.

Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Because of the strong interest expressed by members of the Resident Advisory Board in a homeownership program, a regional homeownership program will be made available in small agencies like the village of Waterford where it would not be financially supportable.

Required Attachment D: Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

- **Progress is being made in the evaluation of a regional homeownership program.**
- **A Resident Advisory Board has been established and its membership has commented on the contents of the annual plan.**
