Attachment B

At the submission of this FY 2003 Capital Funds budget it is the intent of the Jackson Metropolitan Housing Authority to implement the Capital Funds Program as outlined below. It should be noted that the Jackson Metropolitan Housing Authority by HUD regulation has the right to utilize 100% of the Capital Funds for operations costs, this will serve as a notice that if the Jackson Metropolitan Housing Authority is funded at less than 100% of PFS it intend to revise the FY 2003 Capital Funds budget to make up any shortfall in the operating fund.

The operating fund covers the difference between rents collected in public housing and its real costs for management, maintenance, utilities, insurance, and other overhead expenses. When Congress capped the rents housing authorities could charge at 30 percent of residents' income, it committed to pay an operating subsidy that would cover the reasonable, necessary costs of operating and maintaining public housing. In FY 2002, because of HUD's mistake, the appropriation for the operating fund ended up \$250 million short of what was required to fully fund HUD's contractual obligations. Combined with the \$300 million needed to make up for the loss of PHDEP, HUD's FY 2002 request was \$550 million less than required to pay HUD's obligations to housing authorities. The FY 2003 appropriation was short by the same amount. This year, HUD only requested a \$67 million increase over the FY 2002 appropriation for formula operating subsidy distribution after proposed set asides. We believe that will leave the operating fund approximately \$483 million short of fully funding the operating fund in FY 2004.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Jackson Metropolitan Housing Authority's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Jackson Metropolitan Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Jackson Metropolitan Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Jackson Metropolitan Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Jackson Metropolitan Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Jackson Metropolitan Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Jackson Metropolitan Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Jackson Metropolitan Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Jackson Metropolitan Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program

accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Jackson Metropolitan Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Jackson Metropolitan Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Jackson Metropolitan Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Jackson Metropolitan Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Jackson Metropolitan Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Jackson Metropolitan Housing Authority's business is housing. If the request would alter the fundamental business that the Jackson Metropolitan Housing Authority conducts, that would not be reasonable. For instance, the Jackson Metropolitan Housing Authority would deny a request to have the Jackson Metropolitan Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Jackson Metropolitan Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the Jackson Metropolitan Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Jackson Metropolitan Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Jackson Metropolitan Housing Authority's programs and services, the Jackson Metropolitan Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Jackson Metropolitan Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Jackson Metropolitan Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Jackson Metropolitan Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON -ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The Jackson Metropolitan Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

4.0 FAMILY OUTREACH

The Jackson Metropolitan Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low -income, very low and low -income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Jackson Metropolitan Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Jackson Metropolitan Housing Authority will also try to utilize the public service announcements.

The Jackson Metropolitan Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Jackson Metropolitan Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy

7.0 TAKINGAPPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during posted hours at:

Fairview Terrace Apartments
 249 West 13th Street
 Wellston, OH 45692

Applications are taken to compile a waiting list. Due to the demand for housing in the Jackson Metropolitan Housing Authority jurisdiction, the Jackson Metropolitan Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Jackson Metropolitan Housing Authority will verify the information.

The completed application will be dated and time stamped upon its return to the Jackson Metropolitan Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Jackson Metropolitan Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (800) 750 -0750.

Upon receipt of the family's application, the Jackson Metropolitan Housing Authority will make a determination of eligibility. The Jackson Metropolitan Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Jackson Metropolitan Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Jackson Metropolitan Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The Jackson Metropolitan Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

- 2. Income limits apply only at admission and are not applicable for continued occupancy.
- 3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant -based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Jackson Metropolitan Housing Authority.

However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Jackson Metropolitan Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Jackson Metropolitan Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Jackson Metropolitan Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. A credit check of the head, spouse and co-head;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Jackson Metropolitan Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Jackson Metropolitan Housing Authority. The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Jackson Metropolitan Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Jackson Metropolitan Housing Authority's action has expired

without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing. The Jackson Metropolitan Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Jackson Metropolitan Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

Additionally, if the Jackson Metropolitan Housing Authority prohibits admission of persons for a prescribed period of time after some disqualifying behavior or event, the Jackson Metropolitan Housing Authority may apply that prohibition for a longer period of time at its sole discretion.

8.5 **INFORMAL REVIEW**

- A. If the Jackson Metropolitan Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Jackson Metropolitan Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Jackson Metropolitan Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Jackson Metropolitan Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Jackson Metropolitan Housing Authority's decision. The Jackson Metropolitan Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The participant family may request that the Jackson Metropolitan Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to whom it may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the Jackson Metropolitan Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the

waiting list. The Jackson Metropolitan Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Jackson Metropolitan Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Jackson Metropolitan Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Jackson Metropolitan Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed (if the applicant requests removal by telephone, the Jackson Metropolitan Housing Authority will send written verification);
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Jackson Metropolitan Housing Authority will be sent a notice of termination of the process for eligibility.

The Jackson Metropolitan Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Jackson Metropolitan Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Jackson Metropolitan Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Jackson Metropolitan Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Jackson Metropolitan Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Jackson Metropolitan Housing Authority will select families based on the date and time of the application within each bedroom size category based on our local housing needs and priorities:

The date and time of application will be noted and utilized to determine the sequence on the waiting list.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before others in single persons for one bedroom units.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Jackson Metropolitan Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom until the age of 6, children of the same sex with more than a four year difference of age, or reach the age of thirteen will be allowed their own bedroom.
- B. Children of the opposite sex, both under the age of 6, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Jackson Metropolitan Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 1 year or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Jackson Metropolitan Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly or displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 SELECTION FROM THE WAITING LIST

The Jackson Metropolitan Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low income families will not be met, we will skip higher income families on the waiting list to reach extremely low income families.

If admissions of extremely low income families to the Jackson Metropolitan Housing Authority's voucher program during a fiscal year exceed the 75% minimum targeting requirement for the Jackson Metropolitan Housing Authority's voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the Jackson Metropolitan Housing Authority's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admission that exceed the minimum voucher program targeting requirements shall not exceed the lower of:

- A. Ten% of public housing waiting list admissions during the Jackson Metropolitan Housing Authority fiscal year;
- B. Ten% of waiting list admissions to the Jackson Metropolitan Housing Authority's Section 8 tenant -based assistance program during the PHA fiscal year; or
- C. The number of qualifying low income families who commence occupancy during the fiscal year of Jackson Metropolitan Housing Authority public housing units located in census tracts with a poverty rate of 30 % or more . For this purpose, qualifying low -income family means a low -income family other than an extremely low -income family.

If there are not enough extremely low -income families on the waiting list we will conduct outreach on a non -discriminatory basis to attract extremely low -income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the Jackson Metropolitan Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non -discriminating manner.

The Jackson Metropolitan Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Jackson Metropolitan Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non discriminatory manner.

10.6 OFFER OF A UNIT

When the Jackson Metropolitan Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Jackson Metropolitan Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Jackson Metropolitan Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have five (5) days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. Upon acceptance, the family will be required to pay the \$100.00 security deposit if the Jackson Metropolitan Housing Authority will be holding the unit and family will take immediate possession. If the family rejects the offer of the unit, the Jackson Metropolitan Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF A UNIT

If in making the offer to the family the Jackson Metropolitan Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Jackson Metropolitan Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected. If the family rejects a unit offer without good cause 3 times, the family will be removed from the waiting list.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and child care (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF A UNIT

The family will be required to sign a lease that will become effective no later than ten (10) days after the date of acceptance.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Jackson Metropolitan Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to \$100.00.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Jackson Metropolitan Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Jackson Metropolitan Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Goto (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Jackson Metropolitan Housing Authority believes that past income is the best available indicator of expected future income, the Jackson Metropolitan Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or

prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

F. Welfare assistance

1. Welfare assistance payments

a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

- i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
- ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- i. The amount of the allowance or grant exclusive of the amounts specifically designated for shelter or utilities; plus
- ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Jackson Metropolitan Housing Authority by the welfare agency) plus the total amount of other annual

income.

- b. At the request of the Jackson Metropolitan Housing Authority, the welfare agency will inform the Jackson Metropolitan Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Jackson Metropolitan Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Jackson Metropolitan Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Jackson Metropolitan Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Jackson Metropolitan Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Jackson Metropolitan Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Jackson Metropolitan Housing Authority denies the family's request to modify such amount, then the Jackson Metropolitan Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Jackson Metropolitan Housing Authority's determination of the amount of imputed welfare income. The Jackson Metropolitan Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

g. Relations with welfare agencies

- 1). The Jackson Metropolitan Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Jackson Metropolitan Housing Authority written notice of such reduction, the family's annual income shall include the imputed welfare income because of the specified welfare benefits reduction.
- 2). The Jackson Metropolitan Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Jackson Metropolitan Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Jackson Metropolitan Housing Authority shall rely on the welfare agency notice to the Jackson Metropolitan Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring,

lawn maintenance, resident initiatives coordination, and serving as a member of the Jackson Metropolitan Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;

5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.

- c. Earnings and benefits mean the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.

11. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
- c. Families who are or were, within 6 months, assisted under a State TAN For Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

- 13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
- 14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family

member at home; or

15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:

11.3 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;

- C. After the reconciliation is complete, the Jackson Metropolitan Housing Authority shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the Jackson Metropolitan Housing Authority shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or
 - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The Jackson Metropolitan Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree to:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and

- B. To provide written verification to the Jackson Metropolitan Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

12.0 VERIFICATION

The Jackson Metropolitan Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Jackson Metropolitan Housing Authority or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name, date of contact, amount received, etc.

When third party verification cannot be obtained, the Jackson Metropolitan Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Jackson Metropolitan Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Jackson Metropolitan Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Jackson Metropolitan Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

declaration of their status and a verification consent form and provide their original INS documentation. The Jackson Metropolitan Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Jackson Metropolitan Housing Authority will also verify their status through the INSSAVE system. If the INSSAVE system cannot confirm eligibility, the Jackson Metropolitan Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Jackson Metropolitan Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Jackson Metropolitan Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that

establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Jackson Metropolitan Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Jackson Metropolitan Housing Authority will provide them with the following information whenever they have to make rent decisions:
 - 1. The Jackson Metropolitan Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Jackson Metropolitan Housing Authority will provide the amount of income -based rent for the subsequent year only the year the Jackson Metropolitan Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.00.

13.3 MINIMUM RENT

The Jackson Metropolitan Housing Authority has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the Jackson Metropolitan Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Jackson Metropolitan Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Jackson Metropolitan Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Jackson Metropolitan Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent.

13.5 RENT FOR FAMILIES UNDER THE NONCITY ZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;

- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Jackson Metropolitan Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Jackson Metropolitan Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Jackson Metropolitan Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.6 UTILITY ALLOWANCE

The Jackson Metropolitan Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant -paid utilities. The allowance will be based on a

reasonable consumption of utilities by an energy -conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Jackson Metropolitan Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy -efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Jackson Metropolitan Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

For Jackson Metropolitan Housing Authority paid utilities, the Jackson Metropolitan Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Jackson Metropolitan Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Jackson Metropolitan Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Jackson Metropolitan Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant -paid utility costs may be granted by the Jackson Metropolitan Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.7 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at Milton Bank, in Wellston or Jackson, OH. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as rent payment through the 5th of the month.

If the rent is not paid by the fifth working day of the month, a Late Notice will be issued to the tenant. In addition, a \$25 late charge will apply on the first day the rent was late after the 5th working day of the month, \$1 will be assessed for each additional day the rent is late. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20 for processing costs.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

14.3 NOTIFICATION OF THE REQUIREMENT

The Jackson Metropolitan Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Jackson Metropolitan Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Jackson Metropolitan Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after October 1, 2000. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Jackson Metropolitan Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Jackson Metropolitan Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after October 1, 2000, and each annual reexamination thereafter, the Jackson Metropolitan Housing Authority will do the

following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Jackson Metropolitan Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Jackson Metropolitan Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Jackson Metropolitan Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's

commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Jackson Metropolitan Housing Authority shall take action to terminate the lease.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Jackson Metropolitan Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Jackson Metropolitan Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Jackson Metropolitan Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families whom may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Jackson Metropolitan Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Jackson Metropolitan Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 1. The family's income has decreased.
 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- F. The dates upon which the Jackson Metropolitan Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.

G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.

H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Jackson Metropolitan Housing Authority will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Jackson Metropolitan Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Jackson Metropolitan Housing Authority representative, they may make these selections on the form and return the form to the Jackson Metropolitan Housing Authority. In such case, the Jackson Metropolitan Housing Authority will cancel the appointment.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Jackson Metropolitan Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the

anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations. The Jackson Metropolitan Housing Authority will only perform an interim reexamination if an increase in income occurs of more than \$100.00 per month, the rent increase will be effective 6 months from the date of the income increase, or at the annual recertification date whichever comes first. If under \$100.00 per month, the increase will not occur until the recertification date. This does not apply to family members being added to the household, or if the family had reported no income (0 income), or if the previous income resulted in a negative rent and the family was receiving a utility reimbursement check. Income will be counted and calculated at time of move-in (for additional family member(s)) or when the income increase became effective for 0 income and negative rent families (utility reimbursement). Effective date of rent change will be effective as outlined in Section 15.8. **All increases in income must be reported, the Jackson Metropolitan Housing Authority will determine whether based on this policy an interim reexamination is required.**

Families are required to report the following changes to the Jackson Metropolitan Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Any increase in income.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to

delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Jackson Metropolitan Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Jackson Metropolitan Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Jackson Metropolitan Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters), income that results in a negative rent, or have a temporary decrease in income, the Jackson Metropolitan Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families within adequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Jackson Metropolitan Housing Authority's deconcentration goal.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Jackson Metropolitan Housing Authority

occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Jackson Metropolitan Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary caregiver to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed to the Jackson Metropolitan Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;
- G. Participates in a series of classes conducted by the Jackson Metropolitan Housing

Authority on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will take priority over waiting list families.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within ten (10) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Jackson Metropolitan Housing Authority and the family rejects two offers without good cause, the Jackson Metropolitan Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Jackson Metropolitan Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list, and the family will not be eligible to request a transfer for a 12 month period.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Jackson Metropolitan Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Jackson Metropolitan Housing Authority has caused the unit to be unsafe or uninhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Jackson Metropolitan Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Jackson Metropolitan Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Jackson Metropolitan Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10)

business days of receipt of the request to schedule a meeting.

The Jackson Metropolitan Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE JACKSON METROPOLITAN HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Jackson Metropolitan Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Jackson Metropolitan Housing Authority file and a copy given to the family member. An authorized Jackson Metropolitan Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Jackson Metropolitan Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Jackson Metropolitan Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Jackson Metropolitan Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Jackson Metropolitan Housing Authority's

housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Jackson Metropolitan Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Jackson Metropolitan Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Jackson Metropolitan Housing Authority will give the tenant at least two (2) days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Jackson Metropolitan Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Jackson Metropolitan Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Jackson Metropolitan Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the

family and in enabling the Jackson Metropolitan Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Jackson Metropolitan Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN PUBLIC HOUSING

The Jackson Metropolitan Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Jackson Metropolitan Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Jackson Metropolitan Housing Authority will allow only common household pets. This means only the following listed domesticated animals: a dog, cat, bird, hamster, guinea pig, and fish in aquariums will be allowed in units. Common household pets do

not include reptiles. If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. All cats must be declawed before the Housing Authority will allow the pet to move in. A licensed veterinarian must verify this fact.

The Jackson Metropolitan Housing Authority will allow for one (1) cat or one (1) dog or two (2) birds or one (1) hamster/guinea pig or fish in an aquarium per apartment.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed. Specifically, Rotweilers, Pit Bulls, Dobermans or Chows will not be allowed. This list is not all-inclusive; the Jackson Metropolitan Housing Authority reserves the right to deny any pet they deem potentially harmful to the health or safety of others.

No animal may exceed fifteen (15) pounds in weight projected to full adult size.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Jackson Metropolitan Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of **\$300.00** is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. In addition, a **\$100.00** nonrefundable annual pet fee will be required. This nonrefundable fee will be collected annually at the effective date of the annual reexamination.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Jackson Metropolitan Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Jackson Metropolitan Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the Jackson Metropolitan Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over eight (8) hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate action to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner .

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc .

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of this/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 REMOVAL OF PETS

The Jackson Metropolitan Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Jackson Metropolitan Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Jackson Metropolitan Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Jackson Metropolitan Housing Authority allow them to enter into a Repayment Agreement. The Jackson Metropolitan Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made

within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

Note: If the housing authority has a minimum rent greater than \$0, they must allow for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.

Former residents owing the Jackson Metropolitan Housing Authority money for unpaid rent will be eligible for consideration of a repayment agreement at the sole discretion of the Jackson Metropolitan Housing Authority. Authorized repayment agreements, will require that the applicant pay 1/2 of the balance due at the time of placement on the waiting list, and the remaining 1/2 within 90 days of placement on the waiting list.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

After October 1, 2000, the Jackson Metropolitan Housing Authority will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Jackson Metropolitan Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to attend scheduled meetings, failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;

- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member or the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Jackson Metropolitan Housing Authority;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) days each year without the prior written approval of the Housing Authority; and
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other Residents or employees of the Authority by the Resident, household members, or guests of the Resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Jackson Metropolitan Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Jackson Metropolitan Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;

- R. Criminal activity as shown by a criminal record. In such cases the Jackson Metropolitan Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Jackson Metropolitan Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial.
- S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Jackson Metropolitan Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

20.3 ABANDONMENT

The Jackson Metropolitan Housing Authority will handle abandoned units in compliance with Ohio State law.

20.4 RETURN OF SECURITY DEPOSIT

After a family moves out, the Jackson Metropolitan Housing Authority will return the security deposit within 30 days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Jackson Metropolitan Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within 30 days.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Jackson Metropolitan Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve

and/or National Guard personnel, the Jackson Metropolitan Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Jackson Metropolitan Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 days of the conclusion of the active duty service.

22.0 PUBLIC HOUSING ANTI -FRAUD POLICY

The Jackson Metropolitan Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Jackson Metropolitan Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Jackson Metropolitan Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Jackson Metropolitan Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Jackson Metropolitan Housing Authority deems appropriate.

Income will be counted and calculated at time of move-in. Effective date of rent change will be effective as outlined in paragraph 10 below. **All increases in income must be reported, the Jackson Metropolitan Housing Authority will determine whether based on this policy an interim reexamination is required.**

- b. A member has been added to the family through birth, adoption, or court -awarded custody.
- c. A household member is leaving or has left the family unit.

In addition, Residents paying rent based on a percentage of income may report the following activities that occur between Annual Rent Recertifications:

- a. A decrease in annual income;
- b. Childcare expenses for children under the age of 13 that are necessary to enable a member of the household to be employed or to go to school;
- c. Handicapped assistance expenses, which enable a family member to work;
- d. Medical expenses of elderly, disabled, or handicapped headed households that are not covered by insurance; or
- e. Other family changes that impact their adjusted income.

Notwithstanding the provisions listed above, a Resident's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Resident's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance will not be considered a failure to comply with program requirements. Accordingly, a Resident's rent will be reduced as a result of such a decrease.

The Landlord shall verify the information provided by the Resident to determine if a decrease in the rent is warranted.

If the Resident receives a letter or notice from HUD concerning the amount or verification of family income the communication shall be brought to the person responsible for income verification within 10 calendar days.

- 10. **EFFECTIVE DATE OF RENT CHANGE** : The Landlord shall give the Resident written notice of any change in the Resident's rent. The notice shall be signed by the Landlord, state the new amount the Resident is required to pay, and the effective date of the new rental amount.

- a. Rent Decreases : The Landlord shall process rent decreases so that the lowered rent amount becomes effective on the first day of the month after the Resident reports the change in household circumstances. This rent change may be made retroactive to the appropriate date if less than five (5) working days have been given to the Landlord to process this change.
- b. Rent Increases : The Landlord shall process rent increases so that the Resident is given no less than 30 days advance written notice of the amount due.

Once the rental rate is established, it shall remain in effect until the effective date of the next annual review, unless another interim review and change is warranted or the Resident elects to change to or from flat rent calculation method.

- 11. **RESIDENT OBLIGATION TO REPAY** : Residents who pay rent based on income shall reimburse the Landlord for the difference between the rent that was paid and the rent that should have been charged if proper notice of income change had been given and if the following circumstances occur:

- a. Resident does not submit rent review information by the date specified in the Landlord's request; or
- b. Resident submits false information at Admission or at annual, special, or interim review.

Resident is not required to reimburse the Landlord for undercharges caused solely by the Landlord's failure to follow U.S. Department of Housing and Urban Development's procedures for computing rent.

- 12. **MAINTENANCE:**

The Resident Agrees To :

- a. keep the dwelling unit and any other areas assigned for the Resident's exclusive use in a clean and safe condition;
- b. use all appliances, fixtures and equipment in a safe manner and only for the purposes for which they are intended;
- c. not litter the grounds or common areas of the property;
- d. not undertake, or permit his or her family or guests to undertake any hazardous acts or do anything that will damage the property;
- e. not destroy, deface, damage or remove any part of the dwelling unit, common areas, or property grounds;
- f. give the Landlord prompt notice of any defects in the plumbing, fixtures, appliances, heating equipment or any other part of the unit or related facilities;

- g. not park unregistered or un-inspected vehicles on the property or park any vehicle in an unauthorized location;
- h. remove garbage and other waste from the dwelling unit in a clean and safe manner; and
- i. pay reasonable charges for the repair of damages other than normal wear and tear to the premises, development buildings, facilities or common areas caused by the Resident, his or her household or guests, and to do so within 30 days after the receipt of the Landlord's itemized statement of the repair charges. The Damage and Service Charge Schedule is posted in the Landlord's office. If the item is not listed on the Schedule, the Resident shall be charged the actual cost the Landlord incurred.

The Landlord Agrees To:

- a. maintain the premises and the property in decent and safe condition;
- b. comply with requirements of applicable building codes, housing codes materially affecting health and safety, and U.S. Department of Housing and Urban Development regulations;
- c. make necessary repairs to the premises;
- d. keep property buildings, facilities and common areas, not otherwise assigned to the Resident for maintenance and upkeep, in a clean and safe condition;
- e. maintain in good and safe working order and condition electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances, including elevators, supplied or required to be supplied by the Landlord;
- f. provide and maintain appropriate receptacles and facilities for the deposit of garbage, rubbish, and other waste removed from the premises by the Resident; and
- g. supply running water and reasonable amounts of hot water and heat at appropriate times of the year (according to local customs and usage) except where heat or hot water is generated by an installation within the exclusive control of the Resident and supplied by a direct utility connection.

If the dwelling unit is rendered uninhabitable, regardless of cause:

- a. The Resident shall immediately notify the Landlord;
- b. The Landlord shall be responsible for repair of the unit within a reasonable time. If the Resident, household members or guests caused the damage, the reasonable cost of the repairs shall be charged to the Resident.
- c. The Landlord shall offer standard alternative accommodations, if available, when necessary repairs cannot be made within a reasonable time.
- d. The Landlord shall make a provision for rent abatement in proportion to the seriousness of the damage and loss in value if repairs are not made within a reasonable time. No abatement of rent shall occur if the Resident rejects the alternative accommodations or if the Resident, Resident's household, or guests caused the damage.

13. **RESTRICTION ON ALTERATIONS** : The Resident shall not do any of the following without first obtaining the Landlord's written permission:

- a. dismantle, change or remove any part of the appliances, fixtures or equipment in the dwelling unit;
- b. paint or install wall paper or contact paper in the dwelling unit;
- c. attach awnings or window guards in the dwelling unit;
- d. attach or place any fixtures, signs, or fences on the building(s), the common areas, or the property grounds;
- e. attach any shelves, screen doors, or other permanent improvements in the dwelling unit;
- f. install or alter carpeting, resurface floors or alter woodwork;
- g. install washing machines, dryers, fans, heaters, or air conditioners in an elderly dwelling unit;
- h. place any aerials, antennas or other electrical connections on the dwelling unit;
- i. install additional or different locks or gates on any doors or windows of the dwelling unit; or
- j. operate a business as an incidental use in the dwelling unit.

14. **ACCESS BY LANDLORD** : The Landlord shall provide two (2) days written advance notice to the Resident of his or her intent to enter the dwelling unit for the purpose of performing routine inspections and preventive maintenance, extermination or to show the dwelling unit for re-renting. The notice shall specify the date and purpose for the entry. The Resident shall permit the Landlord, his or her agents, or other persons, when accompanied by the Landlord, to enter the dwelling unit for these purposes. In the event that the Resident and all adult members of the household are absent from the dwelling unit at the time of entry, the Landlord shall leave a card stating the date, time and name of the person entering the dwelling unit and the purpose of the visit.

The Landlord may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists.

15. **SIZE OF DWELLING** : The Resident understands that the Landlord assigns dwelling units according to the Occupancy Standards published in its Admissions and Continued Occupancy Policy (ACOP). The Standards consider the type (such as dwelling units designed for the elderly or handicapped) and size of the dwelling unit required by the number of household members. If the Resident is or becomes eligible for a different type or size dwelling unit and an appropriate dwelling unit under this program and the Landlord's transfer policy becomes available, the Resident shall be given a reasonable period of time to move. This time shall not exceed sixty (60) days unless an unusual hardship condition exists. If the Resident fails to move to the designated dwelling unit within the notice periods specified by the Landlord, the Landlord may terminate this lease.

If the Landlord determines that a Resident must transfer to another unit based on family composition, the Landlord shall notify the Resident. The Resident may ask for an explanation stating the specific grounds of the determination, and if the Resident does not agree with the determination, the Resident may request a hearing in accordance with the Landlord's grievance procedures.

16. **LEASE TERMINATION BY LANDLORD** : Any termination of this Lease shall be carried out in accordance with U.S. Department of Housing and Urban Development regulations, State and local law, and the terms of this Lease.

The Landlord shall not terminate or refuse to renew the Lease other than for serious or repeated violation of material terms of the Lease, such as, but not limited to, the following:

- a. nonpayment of rent or other charges due under the Lease (i.e. utilities), or repeated chronic late payment of rent (four times in a twelve month period);
- b. failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Recertifications, to attend scheduled reexamination interviews or requested meetings with Housing Authority staff, or to cooperate in the verification process if the Resident has chosen to pay rent based on a percentage of income;
- c. furnishing false or misleading information during the application or review process;
- d. assignment or subleasing of the premises or providing accommodation for boarders or lodgers;
- e. use of the premises for purposes other than solely as a dwelling unit for the Resident and Resident's household as identified in this Lease, or permitting its use for any other purpose without the written permission of the Landlord;
- f. failure to abide by necessary and reasonable rules made by the Landlord for the benefit and well being of the housing development and the Residents;
- g. failure to abide by applicable building and housing codes materially affecting health or safety;
- h. failure to dispose of garbage, waste and rubbish in a safe and sanitary manner;
- i. failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner;
- j. acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts;
- k. failure to pay reasonable charges for the repair of damages to the premises, property buildings, facilities or common areas;
- l. any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other Residents or employees of the Authority;
- m. failure to abide by the provisions of the pet policy;
- n. any violent or drug-related criminal activity on or off the premises, not just on or near the premises;

- o. alcohol abuse that the Landlord determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- p. failure to perform required community service or be exempted therefrom;
- q. failure to allow inspection of the dwelling unit;
- r. determination that a family member has knowingly permitted an ineligible non-citizen not listed on the lease to permanently reside in their public housing unit;
- s. determination or discovery that a resident is a registered sex offender; or
- t. any other good cause.

17. **NOTICE OF LEASE TERMINATION** : If the Landlord proposes to terminate this Lease, the Resident shall be given written notice of the proposed termination, as listed below:

- a. for failure to pay rent, at least fourteen (14) days;
- b. for creation or maintenance of a threat to health or safety of other Residents or Landlord's employees, a reasonable time based on the urgency of the situation; or
- c. for all other cases, thirty (30) days, unless State law permits a shorter period.

The Notice to Vacate required by State or local law may be combined with or run concurrently with a Notice of Lease termination required by this lease.

The Notice of Lease Termination from the Landlord shall be either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by First Class Mail, properly addressed, postage pre-paid. The notices shall:

- a. specify the date the Lease shall be terminated;
- b. state the grounds for termination with enough detail for the Resident to prepare a defense. The Landlord shall rely solely on the grounds stated in the Notice of Lease Termination in the event eviction action is initiated;
- c. advise the Resident of the right to reply as he or she may wish, to examine the Landlord's documents directly relevant to the termination or eviction, to use the Grievance Policy to contest the termination, and/or to defend the action in court.

18. **LEASE TERMINATION BY RESIDENT** : The Resident shall give the Landlord 30 days written notice before moving from the dwelling unit. If the Resident does not give the full notice, the Resident shall be liable for rent to the end of the notice period or to the date the dwelling unit is rented, whichever date comes first.

19. **TERMINATION OF LEASE UPON DEATH OR INCAPACITY OF RESIDENT** : Upon the death of the Resident, or if there is more than one Resident, upon the death of all Residents, either the Landlord or the personal representative of the Resident's estate may terminate this Lease upon 30 days written notice, to be effective on the last day of a calendar month. If full notice is not given, the Resident's estate shall be liable for rent to

the end of the notice period or to the date the unit is re-rented, whichever date comes first. The termination of a Lease under this section shall not relieve the Resident's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amounts necessary to restore the premises to their condition at the beginning of the Resident's occupancy, normal wear and tear excepted.

If during the term of this Lease the Resident, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and the Landlord cannot make a reasonable accommodation to enable the Resident to comply with the Lease; then action shall be taken. The Landlord will assist the Resident or designated member(s) of the Resident's family to move the Resident to more suitable housing. If there are no family members, the Landlord will work with appropriate agencies to secure suitable housing. This Lease will terminate upon the Resident moving from the unit.

20. **PROPERTY ABANDONMENT:** The Jackson Metropolitan Housing Authority will handle abandoned units in compliance with Ohio State law.

21. **DELIVERY OF NOTICES :**

Notice by Landlord : Any notice from the Landlord shall be in writing and either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by Certified Mail, return receipt requested, properly addressed, postage pre-paid.

Notice by Resident : Any notice to the Landlord shall be in writing, and either personally delivered to the Landlord at the Landlord's Office, or sent to Landlord by first-class mail, postage pre-paid and addressed to: The Jackson Metropolitan Housing Authority.

If the Resident is visually impaired, notices shall be in accessible format.

22. **GRIEVANCES:** All individual grievances or appeals, with the exception of those cases concerning eviction or termination of tenancy which are based upon a Resident's creation or maintenance of a threat to health or safety of other Residents or Landlord employees, shall be processed under the Grievance Policy. This policy is posted in the Landlord's Office where copies are available upon request.

Before the Landlord shall schedule a Grievance Hearing for any grievance concerning the amount of rent the Landlord claims is due, the Resident must first bring his or her rent account current by paying to the Landlord an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. After the hearing is scheduled, the Resident shall continue to deposit this same monthly rent amount into the Landlord's escrow account until the complaint is resolved by the decision of the hearing officer or panel.

When the Housing Authority is required to afford the Resident the opportunity for a hearing in accordance with the authority's grievance procedure for a grievance concerning the Lease termination, the tenancy shall not terminate (even if any notice to vacate under State or local law has expired) until the time for the Resident to request a grievance hearing has expired, and (if a hearing was timely requested by the Resident) the grievance process has been completed.

23. **HOUSE RULES** : The Resident agrees to obey any House Rules, which are reasonably related to the safety, care and cleanliness of the building and the safety, comfort and convenience of the Residents. Such rules may be modified by the Landlord from time to time provided that the Resident receives written notice of the proposed change, reasons for the change and an opportunity to submit written comments during a 30 day comment period at least 30 days before the proposed effective date of the change in the Rule. Existing House Rules, if any, are posted in the property and are attached to this Lease.
24. **DISCRIMINATION PROHIBITED** : The Landlord shall not discriminate based upon race, color, creed, religion, national origin, sex, marital status, age, handicap or disability, familial status, or recipients of public assistance and shall comply with all nondiscrimination requirements of Federal, State and local law.
25. **ATTACHMENTS TO THE LEASE** : The Resident certifies that he/she has received a copy of this Lease and the following Attachments to this Lease, and understands that these Attachments are part of this Lease.

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Jackson Metropolitan Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Jackson Metropolitan Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Jackson Metropolitan Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Jackson Metropolitan Housing Authority office. In addition, all appropriate written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Jackson Metropolitan Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Jackson Metropolitan Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Jackson Metropolitan Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Jackson Metropolitan Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are

not always apparent, the Jackson Metropolitan Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requester a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Jackson Metropolitan Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Jackson Metropolitan Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Jackson Metropolitan Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The

Jackson Metropolitan Housing Authority's business is housing. If the request would alter the fundamental business that the Jackson Metropolitan Housing Authority conducts, that would not be reasonable. For instance, the Jackson Metropolitan Housing Authority would deny a request to have the Jackson Metropolitan Housing Authority do grocery shopping for the person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Jackson Metropolitan Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Jackson Metropolitan Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Jackson Metropolitan Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Jackson Metropolitan Housing Authority's programs and services, the Jackson Metropolitan Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON -ENGLISH SPEAKING PERSONS AND PARTICIPANTS

The Jackson Metropolitan Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

1.6 FAMILY/OWNER OUT REACH

The Jackson Metropolitan Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low -income, very low and low -income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons who cannot or do not read newspapers the Jackson Metropolitan Housing Authority will distribute fact sheets to the broadcasting media and initiate

personal contacts with members of the news media and community service personnel. The Jackson Metropolitan Housing Authority will also try to utilize public service announcements.

The Jackson Metropolitan Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The Jackson Metropolitan Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. Owners and managers participating in the Section 8 Program will participate in making this presentation. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program. Emphasis is placed on quality screening and ways the Jackson Metropolitan Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Jackson Metropolitan Housing Authority staff.

The Jackson Metropolitan Housing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

3. The applicable income limit for issuance of a voucher is the highest income limit for the family size for areas within the housing authority's

jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.

However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 11.5(K) for calculating rents under the non-citizen rule).
3. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security Number or certify that they do not have one.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD and the Jackson Metropolitan Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;

 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Suitability for tenancy

The Jackson Metropolitan Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Jackson Metropolitan Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Jackson Metropolitan Housing Authority may contact law enforcement agencies where the individual had lived

or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Jackson Metropolitan Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed on the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Jackson Metropolitan Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Jackson Metropolitan Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Jackson Metropolitan Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either of the above record checks, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Jackson Metropolitan Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with material standard lease terms or any history of drug trafficking.

In addition, if an owner submits a request to the Jackson Metropolitan Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Jackson Metropolitan Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Jackson Metropolitan Housing Authority receives criminal conviction records requested by an owner, the Jackson Metropolitan Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Jackson Metropolitan Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the Jackson Metropolitan Housing Authority must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact whether or not they comply with HUD regulations and

the owners criteria. The Jackson Metropolitan Housing Authority will charge owners a fee of \$50.00 for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner, the Jackson Metropolitan Housing Authority will merely apply the criteria the owner establishes. The fee for this service shall be \$50.00.

4.0 MANAGING THE WAITING LIST

4.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media. The public notice will state any limitations to whom may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 TAKING APPLICATIONS

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted during posted hours at:

Fairview Terrace Apartments
249 West 13th Street
Wellston, OH 45692

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Jackson Metropolitan Housing Authority jurisdiction, the Jackson Metropolitan Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Jackson Metropolitan Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

The completed application will be dated and timestamped upon its return to the Jackson Metropolitan Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Jackson Metropolitan Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (800) 750-0750.

Upon receipt of the family's application, the Jackson Metropolitan Housing Authority will make a determination of eligibility. The Jackson Metropolitan Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Jackson Metropolitan Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant may at any time report changes in their applicant status including change in family composition, income, or preference factors. The Jackson Metropolitan Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The Jackson Metropolitan Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and then in order of date and time of application;
- C. Any contact between the Jackson Metropolitan Housing Authority and the applicant will be documented in the applicant file.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within 2 months of being offered assistance, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Jackson Metropolitan Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Jackson Metropolitan Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Jackson Metropolitan Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 PURGING THE WAITING LIST

The Jackson Metropolitan Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Jackson Metropolitan Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed ((if the applicant requests removal by telephone, the Jackson Metropolitan Housing Authority will send written verification);
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
or

- C. The applicant does not meet either the eligibility or screening criteria for the program.

4.8 GROUNDSDENIAL

The Jackson Metropolitan Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants staff, or persons residing in the immediate vicinity or caused damage to the property;
- F. Currently owe rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs;
- G. Have committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived therefrom;
- H. Have a family member who was evicted from assisted housing within three years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- I. Have a household member who is currently engaging in illegal use of a drug, or have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Jackson Metropolitan Housing Authority may waive this requirement if:

1. The person demonstrates to the Jackson Metropolitan Housing Authority's satisfaction that the person is no longer engaging in drug -related criminal activity or abuse of alcohol;
 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 3. The person has otherwise been rehabilitated successfully; or
 4. The person is participating in a supervised drug or alcohol rehabilitation program.
- J. Have engaged in or threatened abusive or violent behavior towards any Jackson Metropolitan Housing Authority staff member or resident;
- K. Have a family household member who has been terminated under the Certificate or Voucher Program during the last three years;
- L. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);
- M. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life);
- N. Are a welfare -to-work (WTW) family who fails to fulfill its obligations under the welfare-to-work voucher program.

For purposes of this section, a household member is "currently engaged in" criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

If the Jackson Metropolitan Housing Authority proposes to deny admission for criminal activity as shown by a criminal record, the Jackson Metropolitan Housing Authority will provide the subject of the record and the applicant with a copy of the criminal record. The Jackson Metropolitan Housing Authority will give the family an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants.

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Jackson Metropolitan Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Jackson

Metropolitan Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Jackson Metropolitan Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Jackson Metropolitan Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the Jackson Metropolitan Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Jackson Metropolitan Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Jackson Metropolitan Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Jackson Metropolitan Housing Authority will use the assistance for those families.

5.2 PREFERENCES

Consistent with the Jackson Metropolitan Housing Authority Agency Plan, the Jackson Metropolitan Housing Authority will select families based on the following preferences based on local housing needs and priorities. Except for the Homeownership Program (see Section 23), where FSS families will be given preference.

A. Applicants paying more than 30% of their annual income for rent.

5.3 SELECTION FROM THE WAITING LIST

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low -income (unless a different target is agreed to by HUD), the Jackson Metropolitan Housing Authority retains the right to skip higher income families on the waiting to reach extremely low -income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low -income families on the waiting list, we will conduct outreach on a non -discriminatory basis to attract extremely low -income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Jackson Metropolitan Housing Authority will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over -housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Jackson Metropolitan Housing Authority will include the presence of children to be born to a pregnant woman , children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster -care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex will share a bedroom unless four years difference in age or at age thirteen.
- B. Children of the opposite sex, both under the age of 6, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The Jackson Metropolitan Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

The family unit size will be determined by the Jackson Metropolitan Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

When the Jackson Metropolitan Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;

- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowances schedule;
- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD -required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;

- H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Authority will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug -related criminal activity or any violent criminal activity;
- I. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD -required lead -based paint brochure;
- L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
- M. A list of landlords or other parties known to the Jackson Metropolitan Housing Authority who may be willing to lease a unit to the family or help the family find a unit;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Jackson Metropolitan Housing Authority that may be available;
- O. The family's obligations under the program;
- P. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction;
- Q. Jackson Metropolitan Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The Jackson Metropolitan Housing Authority owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY

Beginning October 1, 1999, the Jackson Metropolitan Housing Authority will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 22.0 Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Jackson Metropolitan Housing Authority will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposed lease, the HUD required tenancy addendum and the request for approval of the tenancy form. The terms of the HUD tenancy addendum shall prevail over any other provisions of the lease. The family will submit the proposed lease and the request form to the Housing Authority during the term of the voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 days after the receipt of inspection request from the family and owner. The 15 day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

6.4 TERM OF THE VOUCHER

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to

find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of requests sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Jackson Metropolitan Housing Authority will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

6.5 APPROVAL TO LEASE A UNIT

The Jackson Metropolitan Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the following:
 1. The names of the owner and the tenant;
 2. The address of the unit rented;
 3. The term of the lease (initial term and any provisions for renewal);
 4. The amount of the monthly rent to owner;
 5. A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family; and
 6. The required HUD tenancy addendum.
- D. The rent to owner is reasonable;

- E. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- C. The landlord and tenant sign the lease to include the HUD required addendum; and
- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 JACKSON METROPOLITAN HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug -related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non -compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project -based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes;
- F. The owner has not paid State or local real estate taxes, fines, or assessments;
- G. The owner refuses (or has a history of refusing) to evict families for drug -related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, Jackson Metropolitan Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister, or brother or any member of the family of an applicant seeking the initial use of a voucher (currently shopping) unless the Jackson Metropolitan Housing Authority determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities; or
- I. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant -Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project -based assistance under a Section 8 Program;

- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Jackson Metropolitan Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The Jackson Metropolitan Housing Authority will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals
- E. Houseboats

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTI NUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The Jackson Metropolitan Housing Authority will issue the family a new voucher if the family does not owe the Jackson Metropolitan Housing Authority or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a certificate or voucher within the last 12 months, and if the Jackson Metropolitan Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

7.1 WHEN A FAMILY MAY MOVE

For families already participating in the Certificate and Voucher Program, the Jackson Metropolitan Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;
- B. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or

- C. The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner).

7.2 PROCEDURES REGARDING FAMILY MOVES

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Jackson Metropolitan Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the Jackson Metropolitan Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard;
- E. Portability requirements and opportunities;
- F. The need to have an examination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Jackson Metropolitan Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Jackson Metropolitan Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Jackson Metropolitan Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Jackson Metropolitan Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 GENERAL POLICIES OF THE JACKSON METROPOLITAN HOUSING AUTHORITY

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the Jackson Metropolitan Housing Authority at the time the family first submits its application for participation in the program to the Jackson Metropolitan Housing Authority may lease a unit anywhere in the jurisdiction of the Jackson Metropolitan Housing Authority or outside the Jackson Metropolitan Housing Authority jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the Jackson Metropolitan Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Jackson Metropolitan Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Jackson Metropolitan Housing Authority.

Families participating in the Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Jackson Metropolitan Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Jackson Metropolitan Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

For income targeting purposes, the family will count towards the initial housing authority's goals unless the receiving housing authority absorbs the family. If absorbed, the admission will count towards the receiving housing authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the Jackson Metropolitan Housing Authority will not issue a voucher and will terminate assistance in compliance with Section 17.0, Termination of the Lease and Contract.

8.2 INCOME ELIGIBILITY

- A. A family must be income -eligible in the area where the family first leases a unit with assistance in the Voucher Program.
- B. If a portable family is already a participant in the Initial Housing Authority's Voucher Program, income eligibility is not re -determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant -based program covering the area where the unit is located.
- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

- A. When the Jackson Metropolitan Housing Authority is the Initial Housing Authority:
 - 1. The Jackson Metropolitan Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.

2. The Jackson Metropolitan Housing Authority will determine whether the family is income -eligible in the area where the family wants to lease a unit (if applicable).
 3. The Jackson Metropolitan Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority.
 4. The Jackson Metropolitan Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family.
 5. The Jackson Metropolitan Housing Authority will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.
- B. When the Jackson Metropolitan Housing Authority is the Receiving Housing Authority:
1. When the portable family requests assistance from the Jackson Metropolitan Housing Authority, the Jackson Metropolitan Housing Authority will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the Jackson Metropolitan Housing Authority receives a portable family, the family will be absorbed if funds are available and a voucher will be issued.
 2. The Jackson Metropolitan Housing Authority will issue a voucher to the family. The term of the Jackson Metropolitan Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's voucher. The Jackson Metropolitan Housing Authority will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the Jackson Metropolitan Housing Authority during the term of the Jackson Metropolitan Housing Authority's voucher.
 3. The Jackson Metropolitan Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Jackson Metropolitan Housing Authority's subsidy standards.
 4. The Jackson Metropolitan Housing Authority will within ten (10) calendar days notify the Initial Housing Authority if the family has leased an

eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.

5. If the Jackson Metropolitan Housing Authority opts to conduct a new reexamination, the Jackson Metropolitan Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless there -certification is necessary to determine income eligibility.
6. In order to provide tenant -based assistance for portable families, the Jackson Metropolitan Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Jackson Metropolitan Housing Authority may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.
7. The Jackson Metropolitan Housing Authority may deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

C. Absorption by the Jackson Metropolitan Housing Authority

1. If funding is available under the consolidated ACC for the Jackson Metropolitan Housing Authority's Voucher Program when the portable family is received, the Jackson Metropolitan Housing Authority will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the Jackson Metropolitan Housing Authority's Tenant -Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - a. As the Initial Housing Authority, the Jackson Metropolitan Housing Authority will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.

- b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

To determine annual income, the Jackson Metropolitan Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Jackson Metropolitan Housing Authority subtracts all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Jackson Metropolitan Housing Authority believes that past income is the best available indicator of expected future income,

the Jackson Metropolitan Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

B. Annual income includes, but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight -line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight -line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump

sum additions such as insurance payments from worker's compensation are excluded.)

6. Welfare assistance.

a. Welfare assistance payments

i. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(1). Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

(2). Are not otherwise excluded under paragraph Section 9.3 of this Plan.

ii. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

(1). The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(2). The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

b. Imputed welfare income.

1). A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Jackson Metropolitan Housing Authority by the welfare agency), plus the total amount of other annual income.

- 2). At the request of the Jackson Metropolitan Housing Authority, the welfare agency will inform the Jackson Metropolitan Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Jackson Metropolitan Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Jackson Metropolitan Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- 3). A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Jackson Metropolitan Housing Authority by the welfare agency).
- 4). The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- 5). The Jackson Metropolitan Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- 6). If a participant is not satisfied that the Jackson Metropolitan Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Jackson Metropolitan Housing Authority denies the family's request to modify such amount, then the Jackson Metropolitan Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Jackson Metropolitan Housing Authority's determination of the amount of imputed welfare income. The Jackson Metropolitan Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident

may contest the decision in accordance with our informal review policy.

7). Relations with welfare agencies

- a). The Jackson Metropolitan Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Jackson Metropolitan Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b). The Jackson Metropolitan Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Jackson Metropolitan Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- c). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Jackson Metropolitan Housing Authority shall rely on the welfare agency notice to the Jackson Metropolitan Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 1. Amounts received under training programs funded by HUD;
 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses

incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;

The disallowance of increased income of an individual family member is limited to a lifetime 48 -month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

9.5 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

2. Establish a repayment plan for the resident to pay the sum due to the agency;
3. Terminate the participant from the program for failure to report income; or
4. Terminate the participant from the program for failure to report income and collect the back overpaid assistance paid by the agency.

9.6 COOPERATING WITH WELFARE AGENCIES

The Jackson Metropolitan Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency.
- B. To provide written verification to the Jackson Metropolitan Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

10.0 VERIFICATION

The Jackson Metropolitan Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full-time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentations such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Jackson Metropolitan Housing Authority or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e., name, date of contact, amount received, etc.

When third party verification cannot be obtained, the Jackson Metropolitan Housing Authority will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Jackson Metropolitan Housing Authority has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Jackson Metropolitan Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

10.3 VERIFICATION OF CITIZENSHIP OF ELIGIBLE NON-CITIZEN STATES

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military D Form.) D 214

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Jackson Metropolitan Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Jackson Metropolitan Housing Authority also will verify their status through the INSSAVE system. If the INSSAVE system cannot confirm eligibility, the Jackson Metropolitan Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible non-citizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Jackson Metropolitan Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Jackson Metropolitan Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If individuals state that they do not have a Social Security Number they will be required to sign a statement to this effect. The Jackson Metropolitan Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within sixty (60) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF BARRIERS TO VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be

obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After October 1, 1999, the Jackson Metropolitan Housing Authority will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held will continue to be honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete (see Section 22.0 for additional guidance).

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, type, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the Jackson Metropolitan Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Certificate Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the minimum payment standard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 15 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project, the payment standard may not exceed the basic rent charged including the cost of tenant paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

The Statute requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR without HUD's prior approval. The Jackson

Metropolitan Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Jackson Metropolitan Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

The Jackson Metropolitan Housing Authority may establish a higher payment standard (although still within 110% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Jackson Metropolitan Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or

2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
 - E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types. The exception payment standard area(s) may not contain more than 50% of the population of the FMR area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. The Minimum rent
4. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to

meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard.

B. Minimum Rent.

The Jackson Metropolitan Housing Authority has set the minimum rent as \$50.00. However, if the family requests a hardship exemption, the Jackson Metropolitan Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. When the family would be evicted because it is unable to pay the minimum rent;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - d. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the month following the

date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.

4. Long-term hardship. If the Housing Authority determines there is a long term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Merged Vouchers

1. The payment standard is set by the Housing Authority between 90% and 110% of the FMR or higher or lower with HUD approval.
2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly income-adjusted income if the gross rent exceeds the applicable payment standard.

D. Section 8 Preservation Vouchers

1. Payment Standard
 - a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
 - b. If the dwelling unit is located in an exception area, the Jackson Metropolitan Housing Authority will use the appropriate payment standard for the exception area.

- c. During the HAP contract term, the payment standard for the family is the higher of:
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.
- 2. The Jackson Metropolitan Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

E. Manufactured Home Space Rental: Section 8 Vouchers

- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
- 2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and

- c. Utility allowance for tenant paid utilities.
- 3. The participant pays the rent to owner less the HAP.
- 4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Non-Citizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- 1. The family was receiving assistance on June 19, 1995;
- 2. The family was granted continuation of assistance before November 29, 1996;
- 3. The family's head or spouse has eligible immigration status; and
- 4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Jackson Metropolitan Housing Authority will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Jackson Metropolitan Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated tenant rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant -paid utilities (except telephone), for cost of tenant -supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy -conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rates since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Jackson Metropolitan Housing Authority.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the Jackson Metropolitan Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Jackson Metropolitan Housing Authority jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted tenants; and
- B. The owner also charges such penalties against the tenant for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Jackson Metropolitan Housing Authority.

11.8 CHANGE OF OWNER SHIP

The Jackson Metropolitan Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Jackson Metropolitan Housing Authority's rent payment or the address as to where the rent payments should be sent.

In addition, the Jackson Metropolitan Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Jackson Metropolitan Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGES CLAIMS

The Jackson Metropolitan Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Jackson Metropolitan Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family cannot be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the Jackson Metropolitan Housing Authority will only schedule one more inspection. If the family misses two inspections, the Jackson Metropolitan Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the Jackson Metropolitan Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e., HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.

- G. Quality Control Inspection - Supervisory inspections on at least 5% of the total number of units that were under lease during the Housing Authority's previous fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

A. Owner Responsibility for HQS

1. The owner must maintain the unit in accordance with HQS.
2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Jackson Metropolitan Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Jackson Metropolitan Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
3. The Jackson Metropolitan Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Jackson Metropolitan Housing Authority and the Jackson Metropolitan Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any Jackson Metropolitan Housing Authority approved extension).
4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Jackson Metropolitan Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or

- c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
- 2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family -caused defects, the family must correct the defect within no more than 30 calendar days (or any Jackson Metropolitan Housing Authority approved extension).
- 3. If the family has caused a breach of the HQS, the Jackson Metropolitan Housing Authority will take prompt and vigorous action to enforce the family obligations. The Jackson Metropolitan Housing Authority may terminate assistance for the family in accordance with 24CFR982.552.

I. Lead-based Paint

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window

sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.

- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15 - 19 ug/dl in two consecutive tests 3 - 4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5% by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead -Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead -based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead -based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part) must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.

- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph 1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.
- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the

paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section

- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the Housing Authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.
- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
 - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 1.0% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping

on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasives sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.

- iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
- iv. During exterior treatment soil and playground equipment must be protected from contamination.
- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names

and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a voucher to move.

- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.
- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

J. Access

1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or its successor standards).

b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The Jackson Metropolitan Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the Jackson Metropolitan Housing Authority has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Owners will be required to scrape peeling paint and repaint all surfaces cited for peeling paint with 2 coats of non-lead paint. An extension may be granted as a severe weather related item as defined below.
- C. Adequate heat shall be considered to be 68 degrees.
- D. In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- E. A 3/4" overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

- A. Correcting Initial HQS Fail Items

The Jackson Metropolitan Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the Jackson Metropolitan Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

- B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item in Section 12.6), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Jackson Metropolitan Housing Authority will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Jackson Metropolitan Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the Jackson Metropolitan Housing Authority, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 days after the initial inspection date, the Jackson Metropolitan Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.6 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlets smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

12.7 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be abated.

The initial abatement period will not exceed 7 days. If the corrections of deficiencies are not made within the 7 -day timeframe, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the Jackson Metropolitan Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

For tenant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The tenant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the Jackson Metropolitan Housing Authority will send a notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 OWNER CLAIMS FOR DAMAGES, UNPAID RENT, AND VACANCY LOSS AND PARTICIPANT'S E NSUING RESPONSIBILITIES

This Section only applies to HAP contracts in effect before October 2, 1995. Certificates have a provision for damages, unpaid rent, and vacancy loss. Vouchers have a provision for damages and unpaid rent. No vacancy loss is paid on vouchers. No Damage Claims will be processed unless the Jackson Metropolitan Housing Authority has performed a move-out inspection. Either the tenant or the owner can request the move-out inspection. Ultimately, it is the owner's responsibility to request the move-out inspection if he/she believes there may be a claim.

Damage claims are limited in the following manner:

- A. In the Certificate Program, owners are allowed to claim up to two (2) months contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease.
- B. In the Voucher Program, owners are allowed to claim up to one (1) month contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease. There will be no payment for vacancy losses under the Voucher Program.
- C. No damage claims will be paid under either program effective on or after October 2, 1995.

13.1 OWNER CLAIMS FOR PRE-OCTOBER 2, 1995, UNITS

In accordance with the HAP contract, owners can make special claims for damages, unpaid rent, and vacancy loss (vacancy loss can not be claimed for vouchers) after the tenant has vacated or a pre-eviction proceeding has been conducted.

Owner claims for damages, unpaid rent, and vacancy loss are reviewed for accuracy and completeness. Claims are then compared to the move-in and move-out inspections to determine if an actual claim is warranted. No claim will be paid for normal wear and tear. Unpaid utility bills are not an eligible claim item.

The Jackson Metropolitan Housing Authority will make payments to owners for approved claims. It should be noted that the tenant is ultimately responsible for any damages, unpaid rent, and vacancy loss paid to the owner and will be held responsible to repay the Jackson Metropolitan Housing Authority to remain eligible for the Section 8 Program.

Actual bills and receipts for repairs, materials, and labor must support claims for damages. The Jackson Metropolitan Housing Authority will develop a list of reasonable costs and charges for items routinely included on damage claims. This list will be used as a guide.

Owners can claim unpaid rent owed by the tenant up to the date of HAP termination.

In the Certificate Program, owners can claim for a vacancy loss as outlined in the HAP contract. In order to claim a vacancy loss, the owner must notify the Jackson Metropolitan Housing Authority immediately upon learning of the vacancy or suspected vacancy. The owner must make a good faith effort to rent the unit as quickly as possible to another renter.

All claims and supporting documentation under this Section must be submitted to the Jackson Metropolitan Housing Authority within thirty (30) days of the move-out inspection. Any reimbursement shall be applied first towards any unpaid rent. No reimbursement may be claimed for unpaid rent for the period after the family vacates.

13.2 PARTICIPANT RESPONSIBILITIES

If a damage claim or unpaid rent claim has been paid to an owner, the participant is responsible for repaying the amount to the Jackson Metropolitan Housing Authority. This shall be done by either paying the full amount due immediately upon the Jackson Metropolitan Housing Authority requesting it or through a Repayment Agreement that is approved by the Jackson Metropolitan Housing Authority.

If the participant is not current on any Repayment Agreements or has unpaid claims on more than one unit, the participant shall be terminated from the program. The participant retains the right to request an informal hearing.

14.0 RECERTIFICATION

14.0.1 CHANGES IN LEASE OR RENT

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Jackson Metropolitan Housing Authority a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Jackson Metropolitan Housing Authority of any changes in the amount of the rent at least sixty (60) days before the changes go into effect. Any such changes are subject to the Jackson Metropolitan Housing Authority determining them to be reasonable.

Assistance shall not be continued unless the Jackson Metropolitan Housing Authority has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances;
- B. In the lease terms governing the term of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

The approval of the Jackson Metropolitan Housing Authority is not required for changes other than those specified in A, B, or C above.

14.1 ANNUAL REEXAMINATION

At least annually the Jackson Metropolitan Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Jackson Metropolitan Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Jackson Metropolitan Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Jackson Metropolitan Housing Authority taking action to terminate the families assistance.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations. The Jackson Metropolitan Housing Authority will only perform an interim reexamination if increases in income exceed \$100.00 per month. If the increase is less than \$100.00 per month, the Jackson Metropolitan Housing Authority will pick up the increase at the annual reexamination. **All increases in income must be reported, the Jackson Metropolitan Housing Authority will determine whether based on this policy an interim reexamination is required.**

Families are required to report the following changes to the Jackson Metropolitan Housing Authority between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Family break-up
- D. An increase in income.

In circumstances of a family break-up, the Jackson Metropolitan Housing Authority will make a determination of which family member will retain the voucher, taking into consideration the following factors:

1. To whom the certificate or voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Jackson Metropolitan Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Jackson Metropolitan Housing Authority will make determinations on a case by case basis. Under a normal situation the Jackson Metropolitan Housing Authority would be partial to allowing the adult member with the children to maintain the voucher. However, when a mutual agreement cannot be made; for example, a legal custody situation with both parents having one or more of the children in different locations, the Jackson Metropolitan Housing Authority maintains the right to suspend the voucher until a legal decision is made by the courts.

The Jackson Metropolitan Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.2.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The Jackson Metropolitan Housing Authority will determine the eligibility of

the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Jackson Metropolitan Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Jackson Metropolitan Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Jackson Metropolitan Housing Authority may schedule special reexamination every 60 days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE JACKSON METROPOLITAN HOUSING AUTHORITY

The Housing Authority may at any time terminate program assistance for a participant because of any of the following actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro -ration of assistance, or temporary deferral of assistance. If the Jackson Metropolitan Housing Authority determines that a family member has knowingly permitted an ineligible non - citizen (other than any ineligible non - citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug -related or violent criminal activity.
- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damage to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)
- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.

- M. If a household member is subject to a lifetime registration requirement under a State sex offender registration program.
- N. If any household member is currently engaging in the illegal use of a drug; or if a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the Jackson Metropolitan Housing Authority to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- O. Any household member has ever been convicted of drug related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

For purposes of this section, the Jackson Metropolitan Housing Authority may terminate assistance for criminal activity by a household member as authorized in this section if the Jackson Metropolitan Housing Authority determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If the Jackson Metropolitan Housing Authority proposes to terminate assistance for criminal activity as shown by a criminal record, the Jackson Metropolitan Housing Authority will notify the household of the proposed action to be based on the information and must provide the subject of the record and the tenant with a copy of the criminal record. The Jackson Metropolitan Housing Authority will give the family an opportunity to dispute the accuracy and relevance of that record in accordance with the procedures established for the Informal Hearing for Participants.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Jackson Metropolitan Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Jackson Metropolitan Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW OF THE APPLICANT

- A. Informal Review for the Applicant

The Jackson Metropolitan Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Jackson Metropolitan Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Jackson Metropolitan Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Jackson Metropolitan Housing Authority subsidy standards.
2. A Jackson Metropolitan Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
3. A Jackson Metropolitan Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A Jackson Metropolitan Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. A Jackson Metropolitan Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Jackson Metropolitan Housing Authority.

C. Informal Review Process

The Jackson Metropolitan Housing Authority will give an applicant an opportunity for an informal review of the Jackson Metropolitan Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Jackson Metropolitan Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.

2. The applicant will be given an opportunity to present written or oral objections to the Jackson Metropolitan Housing Authority decision.
3. The Jackson Metropolitan Housing Authority will notify the applicant of the Jackson Metropolitan Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Jackson Metropolitan Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Jackson Metropolitan Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of a request of appeal to the INS. The applicant family must make this request within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARING FOR PARTICIPANTS

A. When a Hearing is Required

1. The Jackson Metropolitan Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Jackson Metropolitan Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Jackson Metropolitan Housing Authority policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Jackson Metropolitan Housing Authority utility allowances schedule.
 - c. A determination of the family unit size under the Jackson Metropolitan Housing Authority subsidy standards.
 - d. A determination that a Certificate Program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the Jackson Metropolitan Housing Authority subsidy standards, or the Jackson Metropolitan Housing Authority determination to deny the family's request for an exception from the standards.

- e. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - f. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the Jackson Metropolitan Housing Authority policy and HUD rules.
2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f) of this Section, the Jackson Metropolitan Housing Authority will give the opportunity for an informal hearing before the Jackson Metropolitan Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The Jackson Metropolitan Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

- 1. Discretionary administrative determinations by the Jackson Metropolitan Housing Authority.
- 2. General policy issues or class grievances.
- 3. Establishment of the Jackson Metropolitan Housing Authority schedule of utility allowances for families in the program.
- 4. A Jackson Metropolitan Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
- 5. A Jackson Metropolitan Housing Authority determination not to approve a unit or lease.
- 6. A Jackson Metropolitan Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Jackson Metropolitan Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
- 7. A Jackson Metropolitan Housing Authority determination that the unit is not in accordance with HQS because of the family size.

8. A determination by the Jackson Metropolitan Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c) of this Section, the Jackson Metropolitan Housing Authority will notify the family that the family may ask for an explanation of the basis of the Jackson Metropolitan Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f) of this Section, the Jackson Metropolitan Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:
 - a. Contain a brief statement of the reasons for the decision; and
 - b. State if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The Jackson Metropolitan Housing Authority and participants will adhere to the following procedures:

1. Discovery
 - a. The family will be given the opportunity to examine before the hearing any Jackson Metropolitan Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the Jackson Metropolitan Housing Authority does not make the document(s) available for examination on request of the family, the Jackson Metropolitan Housing Authority may not rely on the document at the hearing.
 - b. The Jackson Metropolitan Housing Authority will be given the opportunity to examine, at the Jackson Metropolitan Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Jackson Metropolitan

Housing Authority will be allowed to copy any such document at the Jackson Metropolitan Housing Authority's expense. If the family does not make the document(s) available for examination on request of the Jackson Metropolitan Housing Authority, the family may not rely on the document(s) at the hearing. e

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

a. The hearing will be conducted by any person or persons designated by the Jackson Metropolitan Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.

b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Jackson Metropolitan Housing Authority hearing procedures.

4. Evidence

The Jackson Metropolitan Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Jackson Metropolitan Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Jackson Metropolitan Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Jackson Metropolitan Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Jackson Metropolitan Housing Authority determines that it is not bound by a hearing decision, the Jackson Metropolitan Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Jackson Metropolitan Housing Authority will consider evidence of whether the household member:

- 1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
- 2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or

3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Jackson Metropolitan Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Jackson Metropolitan Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the Lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Jackson Metropolitan Housing Authority after the initial lease term. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in a criminal activity, regardless of whether the covered person has been arrested or

convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner may take or not take the action in accordance with the owner's standards for eviction. The owner may consider all of the circumstances relevant to a particular eviction case, such as:

- a. The seriousness of the offending action;
- b. The effect on the community of denial or termination or the failure of the owner to take such action;
- c. The extent of participation by the leaseholder in the offending action;
- d. The effect of denial of admission or termination of tenancy on household members not involved in the offending activity;
- e. The demand for assisted housing by families who will adhere to lease responsibilities;
- f. The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- g. The effect of the owner's action on the integrity of the program.

The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of assistance actions must be consistent with fair housing and equal opportunity provision of 24CFR5.105.

- a. The owner may terminate the lease during its term on the following grounds:
 - i. Serious or repeated violations of the terms or condition of the lease;
 - ii. Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons (including property management staff) residing on the premises or in the immediate vicinity of the premises;
 - iv. Any drug-related or violent criminal activity engaged in on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control, is grounds for the owner to terminate tenancy;
 - v. Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.
 - vi. When the owner determines that a household member is illegally using a drug or when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
 - vii. If a tenant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under Federal or State law.

- viii. If the tenant is violating a condition of probation or parole imposed under Federal or State law.
- ix. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the tenant by instituting court action after or simultaneously providing written notice to the participant specifying the grounds for termination. The owner must give the Jackson Metropolitan Housing Authority a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.
- d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. By mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the contract

- a. If the Jackson Metropolitan Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the Jackson Metropolitan Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.
- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. The unit is larger than appropriate for the family size or composition under the regular Certificate Program.
- d. When the family breaks up and the Jackson Metropolitan Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- e. The Jackson Metropolitan Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.

- f. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.
 - ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937 Act.
 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement.
 - v. If the owner has engaged in drug-related criminal activity or any violent criminal activity.
- g. If a welfare-to-work family fails to fulfill its obligations under the welfare-to-work voucher program.

4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the unit, the Housing Authority will continue to make payments until the owner obtains a judgment or the family moves out.

18.0 CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE FEE RESERVE

Occasionally, it is necessary for the Jackson Metropolitan Housing Authority to spend money from its Section 8 Administrative Fee Reserve to meet unseen or extraordinary expenditures or for its other housing related purposes consistent with State law.

The Jackson Metropolitan Housing Authority Board of Commissioners authorizes the Executive Director to expend without prior Board approval up to \$500.00 for authorized expenditures.

Any item(s) exceeding \$500.00 will require prior Board of Commissioner approval before any charge is made against the Section 8 Administrative Fee Reserve.

19.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the Jackson Metropolitan Housing Authority against costs associated with any judgment of infringement of intellectual property rights.

20.0 JACKSON METROPOLITAN HOUSING AUTHORITY OWNED HOUSING

Units owned by the Jackson Metropolitan Housing Authority and not receiving subsidy under any other program are eligible housing units for Housing Choice Voucher holders. In order to comply with Federal regulation, the Jackson Metropolitan Housing Authority will do the following:

- A. The Jackson Metropolitan Housing Authority will make available through the briefing process both orally and in writing the availability of Jackson Metropolitan Housing Authority owned units (notification will also include other properties owned/managed by the private sector available to Housing Choice Voucher holders).
- B. The Jackson Metropolitan Housing Authority will obtain the services of an independent entity to perform the following Jackson Metropolitan Housing Authority functions:
 1. Determine rent reasonableness for the unit. The independent entity will communicate the rent reasonableness determination to the family and the Jackson Metropolitan Housing Authority.
 2. To assist the family in negotiating the rent.
 3. To inspect the unit for compliance with HQS.

- C. The Jackson Metropolitan Housing Authority will gain HUD approval for the independent agency/agencies utilized to perform the above functions.
- D. The Jackson Metropolitan Housing Authority will compensate the independent agency/agencies from our ongoing administrative fee in income.
- E. The Jackson Metropolitan Housing Authority, or the independent agency/agencies, will not charge the family any fee or charge for the services provided by the independent agency.

21.0 QUALITY CONTROL OF SECTION 8 PROGRAM

In order to maintain the appropriate quality standards for the Section 8 program, the Jackson Metropolitan Housing Authority will annually review files and records to determine if the work documented in the files or records conforms to program requirements. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work or someone subordinate to that person. The number of files and/or records checked shall be at least equal to the number specified in the Section 8 Management Assessment Program for our size housing authority.

Among the areas that shall have quality control reviews are the following:

- A. The proper people were selected from the waiting list and their selection criteria were actually met by the applicants.
- B. The determination of rent reasonableness.
- C. Participants are paying the appropriate rent and their income and expenses were properly verified.
- D. HQS inspections were properly made.
- E. HQS deficiencies were properly followed up on and appropriate repairs were made in a timely manner.

22.0 HOMEOWNERSHIP OPTION

22.1 PURPOSE

The Jackson Metropolitan Housing Authority's homeownership option is designed to promote and support homeownership by a "first-time" homeowner -- a family that meets the definition in this Plan. It allows one or more members of the family to purchase a home. Section 8 payments supplement the family's own income to facilitate the transition

from rental to homeownership. The initial availability of these assistance payments helps the family pay the costs of homeownership, and may provide additional assurance for a lender, so that the family can finance purchase of the home.

Section 8 homeownership assistance for a cooperative homeowner is specifically authorized for both families that are first-time cooperative homeowners and families that owned their cooperative unit prior to receiving Section 8 assistance.

23.2 FAMILY PARTICIPATION REQUIREMENTS

- A. In order to assure a successful transition from rental to homeownership, this program shall be open only to those who have been assisted by the Section 8 rental assistance program, lived in public housing, or resided in another Jackson Metropolitan Housing Authority owned or managed property for at least nine months. During this period (the previous nine months), all program requirements will have been complied with.
- B. Only 5% of the Jackson Metropolitan Housing Authority's vouchers shall be utilized at any one time.
- C. The family is qualified to participate as set forth in Section 22.3 of this policy.
- D. The unit to be purchased is ineligible as set forth in Section 22.4 of this policy.
- A. The family has satisfactorily completed the required pre-assistance homeownership counseling.
- B. If located in a special flood hazard area, the purchaser has obtained flood insurance on the home and agrees to maintain this insurance.

23.3 FAMILY ELIGIBILITY REQUIREMENTS

- A. The family has been admitted to the Section 8 Housing Choice Voucher program and desires to participate in the homeownership program.
- B. At the commencement of homeownership assistance the family must be one of the following:
 - 1. A first-time homeowner;
 - 2. A cooperative member; or
 - 3. A family of which a family member is a person with disabilities, and the use of the homeownership option is needed as a reasonable

accommodations so that the program is readily accessible to and usable by such person.

- C. At commencement of homeownership assistance for the family, the family must demonstrate that its total annual income (gross income), as determined by the Jackson Metropolitan Housing Authority, of all the adult family members who will own the home at commencement of homeownership assistance is not less than the Federal minimum hourly wage multiplied by 2,000 hours. However, in the case of disabled families, the minimum income shall be equal to the monthly Federal Supplemental Security Income (SSI) for an individual living alone (or paying his or her share of food and housing costs) multiplied by twelve. (Jan 28, 2003)

Except in the case of an elderly family or a disabled family, the Jackson Metropolitan Housing Authority shall not count any welfare assistance received by the family in determining annual income under this section.

The disregard of welfare assistance income under the preceding paragraph only affects the determination of minimum annual income used to determine if a family initially qualifies for commencement of homeownership assistance in accordance with this section, but does not affect:

1. The determination of income eligibility for admission to the voucher program;
2. Calculation of the amount of the family's total tenant payment (gross family contribution); or
3. Calculation of the amount of homeownership assistance payments on behalf of the family.

In the case of an elderly family or a disabled family, welfare assistance shall be counted in determining annual income.

- D. The family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance:
1. Is currently employed on a full-time basis (the term "full-time employment" means not less than an average of 30 hours per week); and
 2. Has been continuously so employed during the year before commencement of homeownership assistance for the family.

This requirement shall be considered fulfilled if:

1. The family member is self-employed and earning a net income (income after business expenses have been deducted) that equals the federal minimum hourly wage multiplied by 2000 hours; or
2. Any employment interruptions either were not the fault of the family member or were for less than 30 days and caused by an effort to improve the family's situation.

The employment requirement does not apply to an elderly family or a disabled family. Furthermore, if a family other than an elderly family or a disabled family, includes a person with disabilities, an exemption from the employment requirement shall be granted if the Jackson Metropolitan Housing Authority determines that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

- C. The Jackson Metropolitan Housing Authority shall not commence homeownership assistance for a family if any family member has previously received assistance under the homeownership option, and has defaulted on a mortgage securing debt incurred to purchase the home.
- F. Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- G. Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale.

22.4 ELIGIBLE UNITS

- A. Any unit that is eligible under the Section 8 rental assistance program is eligible for this program. The types of units eligible are:
 1. Single family dwellings;
 2. Condominiums;
 3. Cooperatives; and

4. Manufactured Housing and their pads (must have at least a permanent foundation and at least a 40 -year lease)(Jan 28, 2003).
- B. The unit must be either existing or under construction (the footers have been poured) at the time the family enters into the contract of sale. (Jan. 28, 2003)
 - C. The unit must be either a one unit property or a single dwelling unit in a cooperative or condominium.
 - D. The unit must satisfy the housing quality standards (HQS) and have been inspected by an independent inspector designated and paid for by the family .
 - E. The seller cannot be someone who has been debarred, suspended, or is subject to a limited denial of participation by HUD.
 - F. If the unit is owned by the Jackson Metropolitan Housing Authority or by an entity substantially controlled by the Housing Authority, the following additional conditions must be met:
 1. The purchasing family must verify in writing that it is purchasing the units without any housing authority steering or pressure; and
 2. An independent agency, approved by HUD must perform the following functions for this type of sale:
 - a. Inspect the units for HQS compliance;
 - b. Review the independent inspection report;
 - c. Review the sales contract; and
 - d. Determine the reasonableness of the sale price and any housing authority provided financing.

22.5 SEARCHING FOR A NEW HOME

Because the financial health of the Jackson Metropolitan Housing Authority's Section 8 program depends upon having units either under lease or being purchased, it is necessary for the Jackson Metropolitan Housing Authority to limit the amount of time a family can take between the time a Housing Choice Voucher is issued to the family and the time a home is identified that the family wishes to purchase. Normally, families will have up to sixty (60) days to locate an appropriate property and notify the housing authority. If extraordinary difficulties are encountered, the family can request up to two (2) thirty (30) day extensions that may be granted at the sole discretion of the Jackson Metropolitan

Housing Authority. If an extension is requested and granted, the family will orally report to the housing authority every two weeks to update the Jackson Metropolitan Housing Authority on the progress of its search.

Once a suitable property has been identified and an agreement to purchase contract entered into, the Jackson Metropolitan Housing Authority will determine a maximum time in which the closing must occur and the family to take occupancy of the property. This time frame will vary depending on market conditions.

If the family is unable to locate a suitable home to purchase, it can request that the Housing Choice Voucher be converted into an rental assistance voucher. This request must be made before the voucher expires. Approval of the request will be at the sole discretion of the Jackson Metropolitan Housing Authority with the decision being based on the effort exerted by the family and the condition of the marketplace.

Additional time will be granted to a disabled family as a reasonable accommodation if justified by the family's actions and/or marketplace conditions.

22.6 HOMEOWNERSHIP COUNSELING

Before the commencement of homeownership assistance for a family, the family must attend and satisfactorily complete a pre-assistance homeownership and housing counseling program required by the Jackson Metropolitan Housing Authority (pre-assistance counseling). If possible, the counseling will be conducted by a HUD-approved counseling agency. If this is not available, the housing authority shall make other arrangements for the pre-assistance counseling.

Among the topics to be covered in the PHA-required pre-assistance counseling program are:

- A. Home maintenance (including care of the grounds);
- B. Budgeting and money management;
- C. Credit counseling;
- D. How to negotiate the purchase price of a home;
- E. How to obtain homeownership financing and loan preapprovals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- F. How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;

- G. Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- H. Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- I. Information about the Real Estate Settlement Procedures Act (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.
- J. The advantages and disadvantages of choosing to use Housing Choice Voucher assistance as monthly payment assistance versus downpayment assistance. (Jan 28, 2003)

The Jackson Metropolitan Housing Authority will also offer additional counseling after commencement of homeownership assistance (ongoing counseling). This counseling will be voluntary for all homeownership assistance recipients except those requesting their second, fourteenth and fifteenth years of assistance. The reason for this mandatory counseling is to make sure the families are either off to a good start or preparing for the termination of their assistance.

22.7 HOME INSPECTIONS

The Jackson Metropolitan Housing Authority will not commence homeownership assistance for a family until it has inspected the unit and has determined that the unit passes HQS.

The unit must also be inspected by an independent professional inspector selected by and paid by the family. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components. The Jackson Metropolitan Housing Authority may not require the family to use an independent inspector selected by the housing authority. The independent inspector may not be a housing authority employee or contractor, or other person under control of the housing authority. The independent inspector shall be certified by the American Society of Home Inspectors or one whose inspections are accepted by three local lenders. It shall be the responsibility of the inspector to verify that the inspector meets this certification qualification.

The independent inspector must provide a copy of the inspection report both to the family and to the Jackson Metropolitan Housing Authority. The housing authority will not commence homeownership assistance for the family until it has reviewed the inspection

report of the independent inspector. Even if the unit otherwise complies with the HQS (and may qualify for assistance under the Jackson Metropolitan Housing Authority's tenant-based rental voucher program), the housing authority shall have discretion to disapprove the unit for assistance under the homeownership option because of information in the inspection report.

22.8 CONTRACT OF SALE

Before commencement of homeownership assistance, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the Jackson Metropolitan Housing Authority a copy of the contract of sale.

The contract of sale must:

- A. Specify the price and other terms of sale by the seller to the purchaser.
- B. Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser.
- C. Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser.
- D. Provide that the purchaser is not obligated to pay for any necessary repairs.
- E. Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation.

22.9 FINANCING THE PURCHASE OF THE HOME

- A. If a purchasing family is choosing to be assisted with their mortgage payments over a period of time, the (Jan 28, 2003) purchasing family must invest at least three percent of the purchase price of the home they are buying in the property. This can take the form of either a down payment, closing costs, or a combination of the two. Of this sum, at least one percent of the purchase price must come from the family's personal resources.
- B. The family must qualify for the mortgage loan under a lender's normal lending criteria taking into account the fact that this is by definition a low-income family.
- C. If the home is purchased using FHA mortgage insurance, it is subject to FHA mortgage insurance requirements.

- D. If the loan is financed either by the seller or a non-traditional mortgage lending institution or individual, the loan shall be subject to the review of the Jackson Metropolitan Housing Authority. The housing authority may verify that there are no unusual or onerous requirements in the loan documents and that the mortgage is affordable to the purchasing family. Also, the lender must require that an appraisal of the property is conducted and the appraiser must determine that the property is worth at least as much as the purchaser is paying.
- E. Unless the purchaser can convince the Jackson Metropolitan Housing Authority of unusual circumstances, no balloon payment mortgages or variable rate mortgages shall be allowed in the program.
- F. All mortgage loans must close within the period of time established by the Jackson Metropolitan Housing Authority at the time the purchaser and seller enter into their sale contract.

22.10 REQUIREMENTS FOR CONTINUING ASSISTANCE

Homeownership assistance will only be paid while the family is residing in the home. If the family moves out of the home, the Jackson Metropolitan Housing Authority may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

The family must comply with the following obligations:

- A. The family must attend and complete ongoing homeownership and housing counseling before the end of the first, thirteenth and fourteenth years of assistance in order for assistance to continue.
- B. The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
- C. As long as the family is receiving homeownership assistance, use and occupancy of the home is subject to the following requirements:
 - 1. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
 - 2. The composition of the assisted family residing in the unit must be approved by the Jackson Metropolitan Housing Authority. The family must promptly inform the housing authority of the birth, adoption or court-awarded custody of a child. The family must request housing authority approval to add any other family member as an occupant of the unit. No

other person (i.e., nobody but members of the assisted family) may reside in the unit (except for a foster child or live-in aide).

3. The family must promptly notify the Jackson Metropolitan Housing Authority if any family member no longer resides in the unit.
 4. If the Jackson Metropolitan Housing Authority has given approval, a foster child or live-in aide may reside in the unit.
 5. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family.
 6. The family must not sublease or let the unit.
 7. The family must not assign the lease or transfer the unit.
 8. The family must supply any information or certification requested by the housing authority to verify that the family is living in the unit, or relating to family absence from the unit, including any housing authority requested information or certification on the purposes of family absences. The family must cooperate with the housing authority for these purposes. The family must promptly notify the housing authority of their absence from the unit.
- D. The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.
- E. Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with Paragraph C above. In the case of a divorce or family separation, the assistance shall follow what a court decrees.
- F. The family shall supply the Jackson Metropolitan Housing Authority with any required information requested by the housing authority. In particular this shall include information relating to the following:
1. Citizenship or related immigration matters;
 2. Family income and composition;

3. Social security numbers;
 4. Any mortgage or other debt placed on the property;
 5. Any sale or other transfer of any interest in the home; and
 6. The family's homeowner ship expenses.
- G. The family must notify the housing authority before the family moves out of the home.
- H. The family must notify the Jackson Metropolitan Housing Authority if the family defaultson a mortgage securing any debt incurred to purchase the home.
- I. During the time the family receives homeownership assistance under this program, no family member may have any ownership interest in any other residential property.
- J. Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD. In the statement, the family agrees to comply with all family obligations under the homeownership option.
- K. The family must secure the written permission of the Jackson Metropolitan Housing Authority before it refinances any debt secured by the home or places any additional secured debt on the property.
- L. The family must assure the Jackson Metropolitan Housing Authority that all real estate taxes were paid on a timely basis. If they are not paid, assistance shall be terminated.

22.11 MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE

- A. Except in the case of a family that qualifies as an elderly or disabled family, family members shall not receive homeownership assistance for more than fifteen years if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or ten years, in all other cases.
- B. The maximum term described in the preceding paragraph applies to any member of the family who has an ownership interest in the unit during the time the homeownership payments are made or is the spouse of any member of the household who has an ownership interest during the time the homeownership payments are made.

- C. As noted in Paragraph A of this Section, the maximum homeownership assistance term does not apply to elderly and disabled families. In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family. If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance in accordance with this program).
- D. If the family has received such assistance for different homes, or from different housing authorities, the total of such assistance terms is subject to the maximum term described in Paragraph A of this section.

22.12 AMOUNT AND DISTRIBUTION OF HOMEOWNERSHIP ASSISTANCE

- A. While the family is residing in the home, the Jackson Metropolitan Housing Authority shall pay a monthly homeownership assistance payment on behalf of the family that is equal to the lower of:
 - 1. The payment standard minus the total tenant payment; or
 - 2. The family's monthly homeownership expenses minus the total tenant payment.
- B. The payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the size of the home.

If the home is located in an exception payment standard area, the Jackson Metropolitan Housing Authority will use the appropriate payment standard for the exception payment standard area.

The payment standard for a family is the greater of:

- 1. The payment standard (as determined in accordance with Paragraph A of this section) at the commencement of homeownership assistance for occupancy of the home; or

2. The payment standard (as determined in accordance with Paragraph A of this section) at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

The Jackson Metropolitan Housing Authority will use the same payment standard schedule, payment standard amounts, and subsidy standards for the homeownership option as for the rental voucher program.

C. A family's homeownership expenses shall include the following items:

1. Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
2. Real estate taxes and public assessments on the home;
3. Home insurance;
4. Maintenance expenses of \$25.00 per month;
5. An allowance of \$50.00 a month for costs of major repairs and replacements;
6. The Jackson Metropolitan Housing Authority's utility allowance for the home; and
7. Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

D. Homeownership expenses for a cooperative member may only include amounts to cover:

1. The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;

2. Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
 3. Home insurance;
 4. The PHA allowance for maintenance expenses;
 5. The PHA allowance for costs of major repairs and replacements;
 6. The PHA utility allowance for the home; and
 7. Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that a allowance of such costs as home ownership expenses is needed as a reasonable accommodation so that the home ownership option is readily accessible to and usable by such person.
- E. If the home is a cooperative or condominium unit, home ownership expenses may also include cooperative or condominium operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.
- F. The Jackson Metropolitan Housing Authority will pay home ownership assistance payments directly to the lender on behalf of the family unless the lender does not want the payment to be made directly to them. If there is any excess assistance, it will be paid to the family.
- G. Home ownership assistance for a family terminates automatically 180 calendar days after the last housing assistance payment on behalf of the family. However, the Jackson Metropolitan Housing Authority retains the discretion to grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

22.13 HOMEOWNERSHIP PORTABILITY

- A. A family may qualify to move outside the initial Jackson Metropolitan Housing Authority's jurisdiction with continued home ownership assistance under the voucher program. Families determined eligible for home ownership assistance by the Jackson Metropolitan Housing Authority may purchase a unit outside our jurisdiction, if:

1. They meet our normal requirements for portability under the rental program;
 2. The receiving housing authority is administering a voucher homeownership program and the family meets the receiving housing authority's eligibility requirements; and
 3. The receiving housing authority is accepting new homeownership families.
- B. Conversely, if the Jackson Metropolitan Housing Authority has slots open in our homeownership program we will accept homeowners exercising portability from another program and absorb such families if possible.
- C. In general, the portability procedures described previously in this Administrative Plan apply to the homeownership option. The administrative responsibilities of the initial and receiving housing authorities are not altered except that some administrative functions (e.g., issuance of a voucher or execution of a tenancy addendum) do not apply to the homeownership option.
- D. The family must attend the briefing and counseling sessions required by the receiving housing authority. The receiving housing authority will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving housing authority must promptly notify the initial housing authority if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the housing authority.
- E. Continued assistance under portability procedures is the next Section of this Administrative Plan.

22.14 MOVING WITH CO NTINUED TENANT -BASED ASSISTANCE

- A. A family receiving homeownership assistance may move to a new unit with continued tenant -based assistance. The family may move either with voucher rental assistance (in accordance with rental assistance program requirements) or with voucher homeownership assistance (in accordance with homeownership option program requirements). The Jackson Metropolitan Housing Authority will not comment on continued tenant -based assistance for occupancy of the new unit so long as any family member owns any title or other interest in the prior home. No more than one move per year may occur in the program.
- B. The Jackson Metropolitan Housing Authority must be able to determine that all initial requirements have been satisfied if a family that has received

homeownership assistance wants to move to a new unit with continued homeownership assistance. However, the following requirements do not apply:

1. The requirement for pre-assistance counseling is not applicable.
 2. The requirement that a family must be a first-time homeowner is not applicable.
- C. The Jackson Metropolitan Housing Authority may deny permission to move with continued assistance in the following circumstances:
1. The Jackson Metropolitan Housing Authority may deny permission to move with continued rental or homeownership assistance if the housing authority determines that it does not have sufficient funding to provide continued assistance.
 2. At any time, the Jackson Metropolitan Housing Authority may deny permission to move with continued rental or homeownership assistance in accordance with the next Section.

22.15 DENIAL OR TERM INATION OF ASSISTANCE FOR FAMILIES

- A. At any time, the Jackson Metropolitan Housing Authority may deny or terminate homeownership assistance in accordance with the same rules as it utilizes for the rental program.
- B. The same restrictions on admission or continued assistance in regards to criminal activities shall apply to the homeownership program as the rental program.
- C. The Jackson Metropolitan Housing Authority may deny or terminate assistance for violation of participant obligations as previously described for the rental program.
- D. The PHA shall terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA-insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt. The Jackson Metropolitan Housing Authority, in its discretion, may permit the family to move to a new unit with continued voucher rental assistance if the family can show that the default was for reasons beyond its control. However, the housing authority will deny such permission, if:
 1. The family defaulted on an FHA-insured mortgage; and

2. The family fails to demonstrate that:
 - a. The family has conveyed title to the home, as required by HUD, to HUD or HUD's designee; and
 - b. The family has moved from the home within the period established or approved by HUD.

- E. A family that has used the downpayment assistance options shall not be eligible to convert their assistance to rental assistance for at least 18 months after the receipt of the downpayment assistance and after neither the title nor any other interest vests with any family member. (Jan. 28, 2003)

22.16 DOWNPAYMENT ASSISTANCE AS AN ALTERNATIVE

Instead of periodic payments to assist an eligible family with the purchase of an eligible home, the family can choose to receive assistance with their downpayment and/or reasonable and customary closing costs.

- A. The maximum amount of downpayment assistance a purchasing families shall be eligible for shall equal the appropriate monthly subsidy multiplied by twelve.

- B. If the purchasing family is utilizing FHA mortgage insurance, the closing costs are includable in the downpayment assistance. If FHA mortgage insurance is not utilized, the closing costs must conform to as scheduled by the Jackson Metropolitan Housing Authority will prepare on an annual basis that is incorporated into this Administrative Plan by reference.

23.0 CONDUCTING BUSINESS IN ACCORDANCE WITH CORE VALUES AND ETHICAL STANDARDS

23.1 PURPOSE

This Code of Conduct establishes standards for employee and Commissioner conduct that will assure the highest level of public service. Recognizing that compliance with any ethical standards rests primarily on personal integrity and specifically in this situation with the integrity of the employees and Commissioners of the Jackson Metropolitan Housing Authority, this Section sets forth those acts or omissions of acts that could be deemed injurious to the general mission of the Authority.

This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employee or Commissioner's right to privacy and the right to participate freely in a democratic society and economy.

23.2 CONFLICT OF INTEREST

In accordance with 24 CFR 982.161, neither the Jackson Metropolitan Housing Authority nor any of its contractors or subcontractors may enter into any contractor arrangement in connection with the tenant-based programs in which any of the following classes of persons has an interest, direct or indirect, during his or her tenure with the Jackson Metropolitan Housing Authority or for one year thereafter:

- A. Any present or former member or officer of the Housing Authority (except a participant commissioner);
- B. Any employee of the Housing Authority or any contractor, subcontractor or agent of the Housing Authority who formulates policy or who influences decisions with respect to the programs;
- C. Any public official, member of a governing body, or State or local legislator who exercises functions or responsibilities with respect to the Jackson Metropolitan Housing Authority's programs; or
- D. Any member of the Congress of the United States.

Any member of the classes described in A, B, C, or D, must disclose their interest or prospective interest to the Housing Authority and HUD.

The Conflict of Interest prohibition under this section (24.2) may be waived by the HUD Field Office upon the request of the Jackson Metropolitan Housing Authority for good cause.

23.3 PROHIBITION OF SOLICITATION OR ACCEPTANCE OF GIFTS

No Commissioner or Authority employee shall solicit any gift or consideration of any kind, nor shall any Authority employee accept or receive a gift having value in excess of \$25.00 regardless of the form of the gift, from any person who has an interest in any matter proposed or pending before the Authority.

23.4 HOUSING AUTHORITY ADMINISTRATIVE AND DISCIPLINARY REMEDIES FOR VIOLATION OF THE HOUSING AUTHORITY CODE OF CONDUCT

Violations of this Code of Conduct Policy will result in disciplinary action as outlined in the Jackson Metropolitan Housing Authority's Personnel Policy.

24.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Jackson Metropolitan Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Jackson Metropolitan Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income. The presence of the temporary guardian will need to be approved by the landlord.
- B. Although typically a criminal background check is required before anyone can participate in the housing choice voucher program, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves into the assisted unit. If the results of the check dictate that the person is ineligible for the program, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Jackson Metropolitan Housing Authority will expeditiously re-evaluate a resident's portion of the rent if requested to do so.
- D. A unit cannot be held by a family that is not residing in it as their primary residence for more than 180 consecutive days because of a specific federal regulation. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 days of the conclusion of the active duty service. If the service extends beyond 180 days, the Jackson Metropolitan Housing Authority will seek a waiver of the 180-day limit from HUD.

25.0 SECTION 8 ANTI -FRAUD POLICY

The Jackson Metropolitan Housing Authority is fully committed to combating fraud in its Section 8 housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Jackson Metropolitan Housing Authority. It results in the inappropriate expenditure of public funds and/or a violation of Section 8 requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Jackson Metropolitan Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Jackson Metropolitan Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement ;
- C. Terminate the resident's rental assistance;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Jackson Metropolitan Housing Authority deems appropriate.

Implementation of Public Housing Resident Community Service Requirements

The Jackson Metropolitan Housing Authority adopted Resolution Number 2002-05, dated May 21, 2002, which states the following:

BE IT RESOLVED, that the Commissioners of the Jackson Metropolitan Housing Authority is suspending its enforcement of the 8-hour community service requirement 30 days from today's date and will not enforce this provision of our Admissions and Continued Occupancy Policies so long as Congress provides for the option to not enforce it. In taking this action, we still want to encourage our public housing residents to both participate in their community and enhance their self-sufficiency skills in a truly voluntary manner.

When and if HUD should issue guidance on the implementation of the community service requirement, the Jackson Metropolitan Housing Authority will lift the suspension and again require enforcement of the 8-hour community service requirement for families residing in public housing.

As a result of these scores, we are required to include this Resident Assessment Follow-up Plan along with our PHA Annual Plan for our fiscal year that begins on October 1, 2003. The Jackson Metropolitan Housing Authority will do the following as a result of the score they received on the Resident Service Satisfaction Survey in the area of Neighborhood Appearance, Safety and Communication:

Neighborhood Appearance:

The areas identified in this area pertain to the general upkeep of the grounds and noise complaints. It is the intent of the Jackson Metropolitan Housing Authority to improve in the area of neighborhood appearance by continuing to put emphasis on trash pick-up. Currently, the Jackson Metropolitan Housing Authority does general grounds trash pickup on Mondays and Thursdays. The Jackson Metropolitan Housing Authority will increase the trash pickup schedule. In addition, the Jackson Metropolitan Housing Authority will take greater measures to hold residents and leaseholders accountable by enforcing lease violations and Jackson Metropolitan Housing Authority policies already in place. Those that reside with us create the conditions identified.

Safety:

The Jackson Metropolitan Housing Authority has three developments – Fairview Terrace, Bundy Heights and the Cambrian. The scores for safety were rated below the national average for both Fairview Terrace and Bundy Heights.

Currently, the Jackson Metropolitan Housing Authority has a Neighborhood Watch Program in place. It has been some time though since regular community meetings have been held. The Jackson Metropolitan Housing Authority intends to schedule and promote the Neighborhood Watch Program.

Communications:

The staff of the Jackson Metropolitan Housing Authority will continue to meet with the residents on a regular basis to keep them informed of any issues regarding their tenancy, and more specifically with the capital fund improvements scheduled for their developments. Comments of Resident Advisory Board
Jackson Metropolitan Response

The Housing Authority received comments in regard to replacing furnaces and installing a/c in each of the units. In addition, it was requested that a new bus shelter be built for the children and better snow removal around the area where children wait for the bus. The Director noted that most of these items were being addressed in the Annual and 5 -Year Capital Fund Plan. In addition, the Executive Director is working with a committee of residents to design the bus shelter.
