PET POLICY – GENERAL OCCUPANCY (FAMILY) PROJECTS

[24 CFR Part 960, Subpart G]

INTRODUCTION

This Chapter explains the PHA's policies on the keeping of pets in general occupancy projects and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in general occupancy (family) projects and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

This policy does not apply to animals that are used to assist, support or provide service to persons with disabilities, or to service animals that visit public housing developments.

A. ANIMALS THAT ASSIST, SUPPORT OR PROVIDE SERVICE TO PERSONS WITH DISABILITIES

The resident/pet owner will be required to qualify animals (for exclusion from the pet policy) that assist, support or provide service to persons with disabilities.

Pet rules will not be applied to animals that assist, support or provide service to persons with disabilities. This exclusion applies to both service animals and companion animals as reasonable accommodation for persons with disabilities. This exclusion applies to such animals that reside in public housing and that visit these developments.

B. STANDARDS FOR PETS

has received all inoculations required by State or local law

has no communicable disease(s) (and)

is pest-free.

Registration must be renewed and will be coordinated with the annual reexamination date.

Proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Refusal to Register Pets

If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial. The notification will be served in accordance with HUD notice requirements.

The PHA will refuse to register a pet if:

The pet is not a “common household pet” as defined in this policy;

The pet owner fails to provide complete pet registration information;

The pet owner fails to update the registration annually;

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet’s temperament and behavior may be considered as a factor in determining the pet owner’s ability to comply with the provisions of the lease.

The notice of refusal may be combined with a notice of pet violation.

D. PET AGREEMENT

Residents who have been approved to have a pet must enter into a Pet Agreement with the PHA.

The Resident will certify, by signing the Pet Agreement, that the Resident will adhere to the following rules:

Agree that the resident is responsible and liable for all damages caused by their pet(s).

All complaints of cruelty and all dog bites will be referred to animal control or applicable agency for investigation and enforcement.

All common household pets are to be fed inside the apartment. Feeding is not allowed on porches, sidewalks, patios or other outside areas.

Tenants are prohibited from feeding stray animals.

The feeding of stray animals will constitute having a pet without permission of the Housing Authority.

Residents shall not feed any stray animals; doing so, or keeping stray or unregistered animals, will be considered having a pet without permission.

When outside the dwelling unit, all pets must be on a leash or in an animal transport enclosure and under the control of a responsible individual.

All fecal matter deposited by the pet(s) must be promptly and completely removed from any common area. Failure to do so will result in a Pet Waste Removal charge of \$25. All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin. Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be stored inside the resident's dwelling unit or in animal enclosures maintained within dwelling units AND must be removed and/or replaced regularly. Failure to do so will result in a Pet Waste Removal charge.

The resident/pet owner shall take adequate precautions to eliminate any animal or pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

The right of management to enter dwelling unit when there is evidence that an animal left alone is in danger or distress, or is creating a nuisance.

The right of management to seek impoundment and sheltering of any animal found to be maintained in violation of housing rules, pending resolution of any dispute regarding such violation, at owner's expense. The resident shall be responsible for any impoundment fees, and the PHA accepts no responsibility for pets so removed.

That failure to abide by any animal-related requirement or restriction constitutes a violation of the "Resident Obligations" in the resident's Lease Agreement.

Residents will prevent disturbances by their pets that interfere with the quiet enjoyment of the premises of other residents in their units or in common areas. This includes, but is not limited to, loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

E. PETS TEMPORARILY ON THE PREMISES

Excluded from the premises are all animals and/or pets not owned by residents, except for service animals.

Residents are prohibited from feeding or harboring stray animals.

F. DEPOSITS FOR PETS

The resident will be responsible for all reasonable expenses directly related to the presence of the animal or pet on the premises, including the cost of repairs and replacement in the apartment, and the cost of animal care facilities if needed.

The PHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling unit, within a reasonable time after the tenant moves or upon removal of the pet from the unit.

The PHA will return the Pet Deposit to the former tenant or to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The PHA will provide the tenant or designee identified above with a written list of any charges against the pet deposit. If the tenant disagrees with the amount charged to the pet deposit, the PHA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the PHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including, but not limited to:

The cost of repairs and replacements to the resident's dwelling unit;

Fumigation of the dwelling unit;

Common areas of the project if applicable

The expense of flea deinfestation shall be the responsibility of the resident.

If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current charge.

If such expenses occur as the result of a move-out inspection, they will be deducted from the pet deposit. The resident will be billed for any amount that exceeds the pet deposit.

Pet Deposits are not a part of rent payable by the resident.

G. ADDITIONAL PET FEES

The PHA will charge a non-refundable nominal fee of \$30 for each household with a pet.

This fee is intended to cover the reasonable operating costs to the project relating to the presence of pets.

The PHA reserves the right to change or increase the required deposit by amendment to these rules.

H. PET WASTE REMOVAL CHARGE

A separate pet waste removal charge of \$25 per occurrence will be assessed against the resident for violations of the pet policy.

Pet waste removal charges are not part of rent payable by the resident.

I. PET AREA RESTRICTIONS

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried and under the control of the resident or other responsible individual at all times.

A common household pet must be effectively restrained and under the control of a responsible person when passing through a common area, from the street to the apartment, etc.

J. PET CARE

No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 24 hours.

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

K. RESPONSIBLE PARTIES

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

L. INSPECTIONS

The PHA may, after reasonable notice to the tenant during reasonable hours, enter and inspect the premises, in addition to other inspections allowed.

The PHA may enter and inspect the unit only if a written complaint is received alleging that the conduct or condition of the pet in the unit is a violation, or constitutes a nuisance or threat to the health or safety of the other occupants or other persons in the community under applicable State or local law.

M. PET RULE VIOLATION NOTICE

The authorization for a common household pet may be revoked at any time subject to the Housing Authority's grievance procedure if the pet becomes destructive or a nuisance to others, or if the tenant fails to comply with this policy.

Residents who violate these rules are subject to:

Mandatory removal of the pet from the premises within 30 days of notice by the Housing Authority; or if for a threat to health and safety, removal within 24 hours of notice.

Lease termination proceedings.

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Rule Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

That the resident/pet owner has 5 days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation;

That the resident pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

N. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

A brief statement of the factual basis for the PHA's determination of the Pet Rule that has been violated;

The requirement that the resident/ pet owner must remove the pet within 5 days of the notice; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

O. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

P. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the Responsible Party designated by the resident/pet owner. This includes pets who are poorly cared for or have been left unattended for over 24 hours.

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet, **or the PHA may place the pet in a proper facility for up to 30 days. If there is no other solution at the end of 30 days, the PHA may donate the pet to a humane society. Cost of this professional care will be borne by the pet owner.**

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

Q. EMERGENCIES

The PHA will take all necessary steps to insure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

This Pet Policy will be incorporated by reference into the Dwelling Lease signed by the resident, and therefore, violation of the above Policy will be grounds for termination of the lease.

Attachments

Use this section to provide any additional attachments referenced in the Plans.

Deconcentration of Poverty and Income Mixing

The PHA's admission policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

Nothing in the deconcentration policy relieves the PHA of the obligation to meet the income targeting requirement.

Gross annual income is used for income limits at admission and for income mixing purposes.

Deconcentration and Income Mixing Goals

The PHA's deconcentration and income mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families", will be to admit families above the PHA's Established Income Range (EIR) to developments below the EIR, and families below the PHA's EIR to developments above the EIR.

Deconcentration Applicability

The PHA is not subject to the deconcentration requirement because the PHA has less than 100 public housing units.
