1. The residents at Pioneer Village requested additional curb cuts with access ramps to assist the residents with wheelchairs and walkers to get from sidewalks to street level without having to go to one of the current handicapped accessible parking spaces.
2. The residents of the LaCreole Manor family units supported the rehab of their existing flat roofs to a more functional (and expensive) pitched style.
3. The residents of Kingwood West apartments requested shading for cooling of the West and South facing windows to help keep the units cooler in the summer – perhaps using shades or awnings. Ceiling fans were also discussed as being beneficial. Other residents were interested in unit and hallway ventilation to prevent smoke and odors from getting into the hallways from the individual units. Several residents were interested in plans to install a low maintenance, non-slip floor covering for the hallways. There were some concerns regarding transients trespassing through the property and fencing was suggested as a feasible option.

At the May 21, 2003 meeting the RAB expressed their approval of the Annual Plan and were pleased that their comments from the Capital Fund review of March 14, 2003 had been incorporated into the Five-Year Capital Fund portion of the Annual Plan.

Admissions Policy for Deconcentration
West Valley Housing Authority
FY2004 Annual Plan

PUBLIC HOUSING LEASING AND OCCUPANCY POLICY

SECTION V. TENANT SELECTION/PRIORITIZATION OF APPLICANTS

A. Applicants for the Authority-owned (Public) housing program shall be positioned on the appropriate bedroom-sized waiting list and consequently offered a unit vacancy in the order of the date and time of the Housing Authority's receipt of their application unless the Authority must use "Deconcentration Efforts" (item B); or "Income Targeting" (item C) in accordance with the Quality Housing and Work Responsibility Act of 1998; or chooses to use "Local Preferences" (Item D); or to accommodate a disabled person in need of an accessible dwelling (item F).

B. "Deconcentration Efforts"

Annually in accordance with 24 CFR Part 903, Subpart A, the Authority will take the following steps in order to meet the statutory requirement to deconcentrate poverty and provide for income mixing in covered public housing developments:

1. The Authority will determine the average income of all families residing in all covered developments in accordance with the HUD Notice PIH 2001-4 for appropriate bedroom size adjustment.
2. The Authority will determine the average income of all families residing in each covered development in accordance with the HUD Notice PIH 2001-4 for appropriate bedroom size adjustment to determine the covered development average income.
3. The Authority will determine whether each of the covered developments falls above, within, or below the Established Income Range of 85% to 115% of the PHA-wide average income for covered developments.
4. If any covered development has an average income outside the Established Income Range, the Authority may explain or justify the income profile for the development as being consistent with and furthering two sets of goals: the goals of deconcentration of poverty and income mixing as specified by the statute; and the local goals and strategies contained in the Authority's Annual Plan. See 24 CFR 903.2 (c).
5. Where the income profile for a covered development falls outside the Established Income Range and is not explained or justified in the Authority's Annual Plan submission, the Authority may skip over families with higher or lower incomes if needed to meet deconcentration requirements.

C. "Income Targeting"

In accordance with the Quality Housing and Work Responsibility Act of 1998, 40% of all new admissions must have incomes that do not exceed 30% of the area median income as published by HUD. West Valley Housing Authority will monitor the new admissions monthly and will prioritize families with incomes under 30% of the area median at any time that 60% of new admissions are families with income exceeding 30% of the area median. Once the new admissions are in compliance, processing will return to the normal procedures.

D. "Local Preferences"

The Authority may assist applicants without regard to their position on the waiting list after consideration of meeting the requirements noted in B. and C. above:

1. To provide housing assistance for not less than 9 clients of Polk County Mental Health as an aggregate total to be assisted at all times; or
2. To provide preference for the admission of elderly, disabled and displaced persons before other single persons.

E. A "Near-elderly family", as defined in 24 CFR Part 5, shall be given preference over a single person for admission into the Public Housing Program.

F. When an accessible unit, specifically designed for a "Person with disabilities" becomes available, the unit shall be offered:

1. First, to a current tenant, who has a family member that is a "Person with disabilities" requiring the accessibility features, living in a non-accessible unit;
2. Second, to an eligible applicant, who has a family member that is a "Person with disabilities" requiring the accessibility features, living in a non-accessible unit;
3. Third, to an eligible applicant, who has a family member whose medical prognosis indicates the need for the accessible features in the not too distant future;
4. Fourth, to an eligible applicant not in need of the accessibility features. If this situation arises, the applicant must agree to move to a non-accessible unit when available, should a tenant or applicant, who has a family member that is a "Person with disabilities" requiring the accessibility features be identified and become eligible for admission to the program. Such requirement shall be incorporated into the lease by amendment.

G. Transfers within the Authority-owned (Public) housing program shall take preference over placement off the waiting list, except for Single Persons accepted as tenants into a particular project when there are "Elderly, Disabled or Displaced families" remaining on the waiting list. Those "Single Person" tenants will not be granted a transfer to another project ahead of the remaining "Elderly, Disabled or Displaced families" on the waiting list.

- H. Transfer of a tenant from one dwelling unit owned by the Authority to another shall be granted in accordance with the following priorities:
1. Tenants having no family member that is a "Person with disabilities" requiring accessibility features, residing in accessible units shall be transferred to non-accessible units when tenants or applicants are identified who are in need of the accessible unit. The accessible dwelling shall go first to current tenants who are in need of the accessible unit and second to applicants in need of such dwellings.
 2. Tenants residing in units planned for remodel through the Capital Fund Program who must move within the next four months.
 3. Medical Transfers. Those instances where a tenant must be transferred because of the need for special medical equipment, heart ailment preventing the climbing of stairs, etc.
 4. Tenants in over or under-housed conditions. The Authority shall authorize such transfers based on the date of eligibility for a transfer within each priority and staff evaluation of the behavior of the tenant (i.e., rent paying pattern, housekeeping, social behavior).
 5. Tenants identified in order to reward and promote positive behaviors, such as good housekeeping, good rent payment history and/or appropriate supervision of children, and to further tenant families' progress in attaining "Self-Sufficiency."
- I. All transfers within the Authority-owned (Public) Housing program will be subject to rent payments for both, the unit moving out of and the unit moving into, for so long as the tenant has possession of the unit or continues to have the keys. This means that the tenant will be paying rent on two units for so long as the tenant has possession of both units or has keys for both units. The tenant's rent obligation will end on the unit moving out of, once the tenant has turned the keys into the Authority's office.

Attachment 4 (or008d05)
West Valley Housing Authority
PET POLICY

APPLICABILITY

This Pet Policy applies only to the **public housing** that is owned and managed by West Valley Housing Authority (WVHA). It does not apply to other properties owned or managed by WVHA. The purpose of this Pet Policy is to allow individual **public housing tenants** to benefit from the pleasure of common household pet ownership, while at the same time ensuring that pet ownership does not interfere with the rights of all tenants to enjoy clean, quiet, and safe surroundings. An exception to this pet policy will be granted if the tenant can certify in writing that the tenant is disabled, the animal has been trained to assist persons with that specific disability, and the animal actually assists the disabled individual.

The WVHA will not deny applications for or the continued occupancy of housing covered under this Pet Policy because an applicant or tenant owns a pet, providing that the conditions of the Pet Policy are met.

Prior to a tenant keeping a pet in a unit, the pet must be registered with WVHA and the lease must be amended to allow a specific pet and to set out the requirements of this Pet Policy. Permission to keep pets on WVHA property is granted solely by, and at the discretion of the WVHA. It is subject to strict adherence to this Pet Policy.

TYPES OF PETS ALLOWED

For the purpose of this Policy, there are two (2) categories of pets with a maximum per type of pet, as indicated:

<u>CATEGORY I</u>	<u>CATEGORY II</u>
Hamsters (2 same sex)	Dog (1)
Birds (2 small and caged)	Cat (1)
Fish	

There shall be a limit of one (1) type of pet per household, unless an exception has been granted in writing by WVHA. **All other types of animals are expressly prohibited.** "Dangerous breeds" of pets will not be allowed. "Dangerous breeds" includes but is not limited to any breed that is described as territorial or aggressive or has a known history of such behavior. Tenants keeping a pet must comply with the following rules:

CATEGORY I - PET REQUIREMENTS

- A. No fee or deposit will be required for a Category I pet.
- B. Fish must be kept in an aquarium which holds no more than fifteen (15) gallons of water.
- C. Other birds/animals in this category must be kept in a portable cage which can be easily moved by the tenant.
- D. Any aquarium or cage must be kept clean and free of odor.
- E. For the purpose of this policy, fish or animals that can be reasonably kept in an aquarium or

a single cage constitutes "one pet."

CATEGORY II - PET REQUIREMENTS

A. The tenant shall pay WVHA a **refundable pet deposit** prior to moving into the unit upon initial occupancy. If a tenant wishes to become a pet owner after initial occupancy, he/she shall immediately place on deposit the applicable sum as indicated below. Tenants may make the required pet deposit on an installment basis with prior approval of the Housing Operations Manager or his/her designee. Sums necessary to repair any damage will be deducted from the deposit. If the sum of the damage exceeds the amount held by the Housing Authority as a deposit, the tenant shall be billed for the excess damage. The Category II pet deposit schedule is:

Site / Location	Regular Deposit Per Pet	Discounted Deposit For a Declawed Cat
La Creole Manor (hi-rise)	\$150	N/A
All Other Sites	\$100	\$50

B. All pets in this category must weigh **no more than twenty-five (25) pounds** in their full-grown state and tenant shall provide written documentation of this fact.

C. Tenants shall provide **written proof** of the following (only if applicable) prior to bringing the pet onto the premises:

1. Current license tag from the County or City;
2. Inoculation against rabies;
3. Inoculation against distemper;
4. Inoculation against parvo virus;
5. Pet has been **neutered/spayed**;
6. Name and phone number of person to contact in case of emergencies;
7. Written description of pet;
8. Color photo of pet.

D. The pets shall remain inside the tenant's unit, unless on a leash or in a portable carry cage, and are not to be allowed in the common area, except for leaving or entering the tenant's unit or for exercising. All **pets being exercised** on the common area grounds must be **contained by a leash, no longer than six (6) feet**, controlled by a responsible individual. No animal may be leashed or tied to any stationary object outside the tenant's apartment or the individual tenant yard areas which would allow the pet to roam outside of the tenant's individual yard.

E. Cats must be trained to use a litter box which must be plastic and kept in the tenant's unit.

F. Litter must be disposed of often enough to keep the unit free of odor, but not less than once (1) per week. The litter must be sealed in a plastic trash bag and placed in Authority trash containers, and at no time washed down any drains or flushed down any toilets.

G. Pets may be exercised only in areas designated by WVHA. Hallways, social halls, laundry room facilities and offices are not to be used as exercise areas for pets. The tenant is responsible for the removal of all animal waste. It is to be placed in a sealed plastic bag and disposed of in Authority trash containers.

H. Tenants must furnish a certificate from the veterinarian at least annually that the pet is in

good health, free from fleas, ticks, or other vermin, and has had all necessary shots and/or vaccinations. Tenants are responsible for keeping all areas where pets are housed clean, safe and free of parasites.

- I. WVHA will levy an animal waste removal fee of \$5.00 per incident, for all pet owners who allow their pets to defecate on WVHA-owned property, without properly taking care of the waste themselves.
- J. Any insect infestations in the tenant's unit and/or other adjacent units will be the final responsibility of the pet owner.
- K. Pets shall not be allowed to interfere with the peaceful enjoyment of other residents or neighbors by barking, biting, scratching, or other such activities.
- L. Tenants shall comply with all Municipal or County codes regarding pet ownership.
- M. Tenants may not alter patio or yard areas to accommodate the pet without first receiving prior written authorization from WVHA.

GENERAL REQUIREMENTS- BOTH CATEGORY I & CATEGORY II PETS

- 1. Pets are not to be left unattended for more than twenty-four (24) hours. Tenants will be required to designate who will care for the pet in his/her absence. The designee will also be required to sign a statement that he/she will be responsible for the pet and will abide by the rules of this Policy. If pets are left unattended for more than twenty-four (24) hours and the tenant's designee is unavailable, WVHA management may enter the dwelling unit, remove the pet and transfer it to the proper authorities, subject to the provisions of Oregon State law and any pertinent local ordinances. WVHA accepts no responsibility for the animal under such circumstances and any cost for the animal care facility shall be the responsibility of the tenant.
- 2. Tenant must allow WVHA to inspect the unit for the purpose of determining compliance with the pet policy.
- 3. The tenant shall be liable for any damage or injury whatsoever caused by a pet and shall pay WVHA or the designated agents immediately for any costs incurred as a result of damage or injury caused.
- 4. The tenant accepts full responsibility and indemnifies the landlord for any claims by or injuries to third parties or their property caused by or as a result of actions by their pet(s).
- 5. After the tenant no longer owns a pet or vacates the unit and there has been an inspection to assess any pet damage, the Authority will refund the pet deposit or bill the tenant for costs to repair pet-caused damage.

STRAYS AND PET SITTING

- 1. There shall be no feeding of strays; the feeding of or caring for strays shall be considered keeping a pet without permission, and will not be allowed, except as designees of WVHA tenants caring for pets covered by this Policy.
- 2. Tenants shall not take care of pets for other persons, except as designees of WVHA tenants caring for pets covered by this Policy.

REFUSAL OF PET APPLICATION - REGISTRATION

WVHA may refuse to register a pet for the following:

1. If the pet is not one of the listed animals in Category I or Category II.
2. If the tenant fails to provide the complete documentation that the pet meets the requirements of this pet policy.
3. If WVHA determines that the tenant will not be able to keep the pet in compliance with the pet policy and other rental agreement obligations. The pet's temperament and behavior may be considered as a factor in determining the tenant's ability to comply with the pet policy and other rental agreement obligations.

REVOKING PET REGISTRATION AUTHORIZATION

WVHA may revoke the tenant's registration authorization at any time due to any of the following reasons:

1. WVHA determines that the pet is not properly cared for or is being kept in violation of state law, or local ordinances with respect to humane treatment or health.
2. WVHA determines that the pet presents a threat to the safety and security of other tenants, WVHA employees, contractors and others on the premises.
3. WVHA determines that the pet disturbs other tenants for by making excessive noise or becomes destructive.
4. Tenant fails to comply with any of the requirements of this Pet Policy. WVHA may require the tenant to remove the pet from the tenant's home or to vacate the dwelling unit.

GRIEVANCE PROCEDURE

WVHA management and tenant agree to utilize WVHA's approved grievance procedure to resolve any dispute between tenant and management regarding a pet.

NONCOMPLIANCE

Failure by the tenant to adhere to the terms of this Policy or any pet whose conduct or condition is duly determined by the Housing Authority to constitute a nuisance or a threat to the health and safety of the other occupants or of other persons in the community shall result in the tenant being responsible for permanently removing the pet from the Housing Authority's premises.

West Valley Housing Authority
Agency Plan

Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

West Valley Housing Authority (WVHA) significantly achieved the objectives identified in its Mission Statement and expressed through the HUD Strategic Goals. These achievements are evidenced by the following:

- ◆ The West Valley Housing Authority acted to expand the supply of assisted housing and the availability of decent, safe and affordable housing by applying for additional rental vouchers through the FY 2003 SuperNOFA Mainstream (Housing Opportunities for Persons with Disabilities) Program Vouchers.
- ◆ The West Valley Housing Authority made significant progress in improving the quality of assisted housing. Specifically, WVHA improved public housing management as evidenced by a PHAS *High Performer* rating of 96%. WVHA also demonstrated its sustained efforts to increase customer satisfaction as indicated by its excellent 90% Resident Assessment (RASS) scores. WVHA's able management and stewardship of public housing assets also earned an excellent 90% rating in its Physical Assessment (PASS) scores. Finally, the WVHA responded to its goal to improve the quality of assisted housing by achieving perfect scores on its Management Assessment Score (MASS) of 100% (30 out of 30), and its Financial Assessment Score (FASS) of 100% (30 out of 30).
- ◆ The WVHA also improved Section 8 voucher management as evidenced by its SEMAP FY 2002 *High Performer* rating of 100%, wherein it increased assisted housing choices through its outreach with landlords and homeownership opportunities through its partnership with the local community development corporation, non-profits, and private industry.
- ◆ Finally, WVHA made progress in promoting self-sufficiency and asset development of families and individuals by initiating two HUD-approved family self-sufficiency (FSS) programs – one for Public Housing and one for Section 8. WVHA's "Winner's Circle Program" empowers low-income participants through homebuying classes and counseling, credit improvement, IDA (Individual Development Accounts) and measurable goal setting. WVHA effectively networks with other community-wide agencies to ensure that clients are accessing appropriate resources.
