Brief Statement of Progress in Meeting the 5 -Year Plan Mission and Goals

The following is a list of the goals the Authority established in its FY2001 5 -Year Plan, and a brief description of the Authority's progress in meeting those goals:

1. Reduce public housing vacancies

The Authority's public housing vacancy rate is hovering around 12%. The Authority recognizes that its vacancy rate is too high, and it is targeting staff resources to increase occupancy.

2. Renovate or modernize public housing units

The Authority recently completed the conversion of 63 efficiency apartments to 421 - bedroom apartments in its Oplinger Towers elderly high rise. The Authority has also completed all construction work associated with its FY2001 Capital Fund Programs, and has awarded construction contracts that will obligate all of its FY2001 and half of its FY2002 Capital Fund Programs.

3. Implement public housing security improvements

The recently completed FY2000 Capital Fund Program included substantial security improvements to all of the Authority's public housing developments as suggested by a security assessment undertaken by the Authority in 2001.

4. Designate developments or buildings for particular resident groups

In June 2000 HUD approved the Authority's designation of its three public housing high rises for occupancy by the elderly.

5. Provide or attract supportive services to increase independence for the elderly or families with disabilities

While no significant action was taken last year to meet this goal, the Authority continues to include it as a goal in its current 5 -Year Plan and intends to begin implementing actions within that time period to meet the goal.

6. Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, familial status, and disability

No specific action was taken last year to meet this goal.

7. H.A. meeting ADA requirement as stated in HUD regulations as stated in HUD regulations. Nine units made handicapped accessible.

The Authority requires each non-exempt adult member of a household to perform 8 hours of community service per month or 96 hours per year. All affected residents were notified of this requirement and were provided an opportunity to discuss their situation with Authority staff. The Authority also provided a list of potential work sites and contact persons to assist those required to perform the community service.

Pursuant to section 432 of the Department of Veteran Affairs and Housing and Urban Development, and Independent Agencies Appropriation Act of 2002, the Authority has suspended implementation and enforcement of the community service requirements through the end of its 2002 fiscal year.

ATTACHMENT E

Description of Pet Policy

The Authority has adopted a pet policy for its public housing family developments in accordance with Section 526 of the Quality Housing and Work Responsibility Act of 1998 and HUD's implementing regulations at 24 CFR 960.701 et seq.

The Pet Policy establishes reasonable requirements for responsible pet ownership in the Authority's three public housing family developments, containing a total of 149 units.

The following is a synopsis of the Pet Policy:

Definitions

As used in the policy, the term *pet* shall mean a domesticated animal commonly kept in the home for pleasure (as opposed to animals kept for commercial or service purposes), limited to dogs (except Pit Bulls, Rottweilers and Doberman Pinschers), cats, birds and fish. The term *pet* does not include assistive animals that are necessary as a reasonable accommodation to assist, support or provide service to persons with disabilities.

Limitations on Pet Ownership

The policy generally limits pet ownership to one pet per unit. Dogs and cats are limited by weight (25 and 15 pounds, respectively), and must be spayed or neutered, and be properly vaccinated and inoculated, and free from communicable diseases and pests.

Permit

Before any pet is allowed to reside on the Authority's premises, the tenant must first apply for a pet permit. Upon the submission of the application, an Authority employee will visit the tenant's apartment to view and take a photograph of the prospective pet. If the Authority employee determines from this visit that the prospective pet does not meet the above limitations, the Authority will not issue the pet permit, and the tenant must immediately and permanently remove the pet from the tenant's apartment.

Pet Deposit and Fee

For as long as the pet owner maintains a pet in his or her apartment, the pet owner must pay the Authority a non-refundable fee of \$10 per month, payable in advance at the same time the apartment rent is due, to cover the reasonable operating costs to the development relating to the presence of pets (e.g. the cost of issuing permits, conducting periodic visits to check pets and pet living conditions, investigating and resolving complaints, removing pets, fumigating the apartment after move-out, and increased risk management expenses).

Indemnification and Insurance

Before the Authority issues a permit for a tenant to own a pet, the tenant must agree to indemnify, hold harmless, and defend the Authority against all liability, judgments, expense, or claims by third parties for any injury or damage caused by the tenant's pet. Pet owners are encouraged, but not required to obtain liability insurance to cover injury and damage that may be caused by their pets.

Substitute Care

Before the Authority issues a permit for a tenant to own a pet, the tenant must provide the Authority with the names of two people who will care for the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

Responsibilities of Pet Ownership

The policy sets forth the responsibilities of pet ownership, including care, nutrition, exercise, medical attention, safety, cleanliness and behavior.

Stray or Visiting Animals

Tenants are prohibited from feeding or harboring stray animals. Pets which are not owned by a tenant will not be allowed on the Authority's premises.

Emergencies

The Authority will take all necessary steps to ensure that pets that cause bodily injury to, or exhibit dangerous, vicious, aggressive or intimidating behavior toward any tenant, guest, Authority employee or other authorized person on the premises, are immediately removed from the Authority's premises by any State or Local entity authorized to perform such removal.

Enforcement and Penalties

If the Authority has reason to believe, based upon events witnessed by Authority employees or based upon complaints received, that a pet owner has violated the pet policy, the Authority will issue a written notice to the pet owner requiring the pet owner to correct the violation within three days of the effective date of such notice. If the pet owner fails to correct the violation within the allotted time, the Authority will issue a written notice to the pet owner requiring the pet owner to permanently remove the pet from the Authority's premises within three days of the effective date of such notice. If the pet owner fails to permanently remove the pet within the time allotted, the Authority will move to terminate the pet owner's lease.
