Adams County Housing Authority (ACHA) has made the following progress on meeting its goals of the 5-year plan for Fiscal Years 2000-2004.

Goal: Expand the supply of assisted housing.

Progress: ACHA has established a supportive housing program for homeless

families. The supportive housing program provides transitional housing and supportive services to five homeless families for a period of 6 to 24 months. This program compliments the Housing Choice Voucher Program in that it provides housing and supportive services while the homeless families await subsidized permanent housing.

One of ACHA's staff members has served for the past four years as chairperson on a statewide regional advisory board as part of the state federal McKinney-Vento Homeless Assistance Act process.

Goal: Improve the quality of assisted housing.

Progress: ACHA has made a concerted effort to improve its SEMAP score over the past twelve months. ACHA has been working to recruit additional property owners to work with the Housing Choice Voucher Program. ACHA has re-organized staff to concentrate more on processing applicants and the lease-up rate has risen from 89% to 97%.

The Fahnestock House and Harold Court are communities owned and/or managed by ACHA. They provide subsidized housing for low-income seniors and disabled families. This year ACHA has increased staff time on-site at these communities to provide supportive services to enable these families to continue to live independently.

Goal: Increase assisted housing choices.

Progress: ACHA is offering the Housing Choice Voucher Homeownership Program in coordination with the Family Self-Sufficiency Program. Currently we are assisting 2 families with homeownership payments and 5 additional families are in process.

ACHA is continually pursuing landlords to participate in the Housing Choice Voucher Program. ACHA has been working with multiple owners and is planning to offer Project Based Voucher assistance for 39 units in the near future.

ACHA is a partner with the Adams County Partnership for Community Health, which has formed various taskforces to improve housing opportunities in Adams County. One of ACHA's staff is the chairperson for the Housing Taskforce of Adams County. This taskforce is dedicated to educating the community on the availability of subsidized housing.

ACHA in partnership with Adams County Interfaith Housing Corporation provides homeownership counseling and works as a packager for Rural Housing

Services and Pennsylvania Housing Finance Agency to provide homeownership opportunities to low-income families in Adams County.

Goal: Promote self-sufficiency and asset development of assisted households.

Progress: ACHA through its Supportive Housing Program and Family Self-Sufficiency Program is providing life skills training and supportive services to improve assistance recipients' employability. Through our sister agency we provide financial counseling services to participants of the Supportive Housing Program as well.

Goal: Ensure Equal Opportunity in Housing for all Americans.

Progress: ACHA continues to work with arising issues that resolve around landlord/tenant disputes, through arbitration and Legal Services.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The PHA is addressing the housing needs of families by offering the Housing Choice Voucher Homeownership Program, by executing HAP contracts for 38 project based voucher units, by building 14 townhouse units of homeownership for families with incomes below 80% of median income, through outreach to landlords in the jurisdiction by means of a workshop for landlords and providing them with materials on the Section 8 Program, and via its involvement with the Housing Taskforce of Adams County, whose focus is to educate the community at large and local human service providers on affordable housing programs and options available for homeless persons. ACHA believes that by providing the community with education about the Housing Choice Voucher Program it will entice landlords to rent to low income families, tenants who may qualify for subsidized rental assistance, and families who are currently renting who may qualify for homeownership, which will in turn free up additional needed rental units.
