## **ii. Executive Summary**

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

In order to attend to the needs of the jurisdiction, the municipality of Aguadilla provides eligible families with hygienic, safe and affordable housing. Said housing must comply with housing quality standards, as established by the Department of Housing and Urban Development (HUD). All units must be offered within equal opportunity parameters. The units will be subsidized with funds of HUD's Section 8 program. In order to qualify for funding, the municipality must comply with all states and federal statutes and regulations. The preparation of the following Plan is required by said statutes and regulations, In this Plan, Section 8 goals and procedures are established. (Note: *italic text* corresponds to the municipality's specific strategies.)

### **Mission**

The PHA's mission, as in HUD, is: To promote adequate and affordable housing, economic opportunities and a suitable living environment free of discrimination to low income families.

### **Objectives**

HUD's strategic goal is: To increase the availability of decent, safe and affordable housing.

The PHA's goals are:

- Expand the supply of assisted housing: *apply for additional "vouchers", according to availability in HUD.*
- Improve the quality of assisted housing and increase customer satisfaction by: *enforcing Housing Quality Standards.*
- Increase assisted housing choices and provide voucher mobility counseling: *The mobility of the vouchers will be explained in detail in the initial evaluation meeting with the participant.*
- Continue with homeownership program: *provide 5 families with the opportunity to enter the homeownership program . Combine federal funds with state funds for down payment and closing costs assistance.*
- Promote self-sufficiency and asset development of families in assisted housing. This will be achieved by attracting and providing supportive services to improve assistance

recipients' employability: *Forge alliances with public and private organizations that provide educational services that serve as support for the renters.*

- Ensure that all cases comply with equal opportunity and fair housing objectives: *Publish notices indicating that housing vouchers are available regardless of race, color, religion, national origin, gender, familial status, and disability.*

**Housing Need**

In the municipality of Aguadilla, a total of 3,373 families have an income of less than 30% of the Annual Median Income (AMI) of Puerto Rico. In addition, 500 families have an income between 50 and 80% of the AMI. Also, 537 elderly households were accounted for which have a need for subsidized housing.

**Source of Information Used by the PHA to Conduct this Analysis**

- Consolidated Plan of the Jurisdiction of 1995
- U.S. Census Data: the Comprehensive Housing Affordability Strategy (CHAS) Dataset

**Housing Needs of Families on Waiting List**

Of a total of 990 families on the waiting list:

891	(90%)	are of extremely low- income (<= 30% of the AMI)
99	(10%)	are very low-income (>30% but <=50% of the AMI)
00	(00%)	are of low-income (>50% but <80% of the AMI)
891	(90%)	are families with children
59	(6%)	are elderly families
40	(4%)	are families with disabilities

**Specific Strategies by Needs**

**1) Need due to shortage of affordable housing for eligible populations:**

- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size requirements: *The PHA will identify housing units based on the unit size needed by the families.*
- Maintain or increase Section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration. *The PHA will publish notices inviting owners to participate in the program. At least one orientation meeting will be conducted to inform potential landlords of leasing opportunities.*
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies. *Assist to Consolidated Plan Public Hearings.*
- Increase the number affordable housing units by applying for additional Section 8 units should they become available.

**2) Specific needs of families at or below 30% of the AMI:**

- Exceed HUD federal targeting requirements for families at or below 30% of the AMI in tenant-based Section 8 assistance.

**3) Specific needs of families at or below 50% of the AMI:**

- Employ admission preferences aimed at families who are working.

**4) Special-purpose vouchers:**

- Apply for special-purpose vouchers for the elderly and persons with disabilities, should they become available.

**5) Disproportionate housing needs of races and ethnicities:**

- Conduct activities to affirmatively further fair housing: Counsel Section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units.
- Market the Section 8 program to owners outside of areas of poverty/minority concentrations.
- **Poor Quality housing standard**
  - Conduct seminar to explain to tenants and landlord the quality housing standards.
  - To maintain constant supervision and inspection on the housing units existing in the section 8 program and the new ones.
- **Lack of accessibility to adequate housing units.**
  - To promote the section 8 program thru seminar and wide media to the private sector.
  - To educate the low income families about the section 8 program and other alternative of housing and how to access this programs.

**Reasons for Selecting Strategies**

- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA.
- Community priorities regarding to housing assistance.
- Results of consultations with residents and the Resident Advisory Board.

## **1. Summary of Policy or Program Changes for the Upcoming Year**

During this new fiscal year, the Municipality of Aguadilla and its section 8 voucher program is already implementing the Homeownership program to provide housing assistances to families with moderate income who wants to purchase their own house.
