Small PHA Plan Update FY 2003

HUD 50075
OMB Approval No: 2577-0226
Municipality of Naguabo, Puerto Rico

At PHA option, provide a brief overview of the information in the Annual Plan

The Municipality of Naguabo, Puerto Rico, has established the Section 8 Office to administer the Housing Choice Voucher Program, as well as other tenant-base subsidized housing programs, (HOPWA), in order to assist financially disadvantage families in meeting their housing needs. Provide decent, safe and sanitary housing is the primary goal of this office.

There are two major philosophy components in the tenants-based subsidized housing program:

1. To give extremely low-income families the opportunity to choice and mobility in selecting dwelling location; and
2. Maintain the essential elements of private relationship between the tenant and the landlord on matters of rent and the tenant commitment of compliance with a contractual relationship.

The purpose of the Municipality is to assist the families during financial distress and gradually contribute to the self-sufficiency of families. There is an undeniable need of housing assistant for low and very low-income families within the Municipality, this was evidenced by 1990 Census and by 2000 Census of Housing and Population and is confirmed by the waiting list. We also have a need of quality housing units available for program participants but there is a lack of affordable housing for low/very-low-income families. The new Section 8 Homeownership program will contribute to reduce this gap and meet one of our primary goal.
