**A. Mission**

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

Our Section 8 participating families have a wide diversity throughout the city and county of Union. Subject to funding availability, the PHA would like to hire off-duty police officers to patrol our Chambers Avenue public housing community during evening/night hours and weekends. Promote resident participation in services offered by We Care, Inc. ### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

In accordance with our goals, the Union Housing Authority will strive to do our part to address the affordable housing needs of families within our jurisdiction. When appropriate and feasible, we will apply for additional Section 8 Housing Choice vouchers in an effort to increase the market for eligible families of our community who are seeking quality affordable housing. We will also strive to establish good working partnerships with other local agencies and sources.

#### **(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

#### **Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units

- Seek replacement of public housing units lost to the inventory through mixed finance development
  - Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
  - Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
  - Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
  - Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
  - Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
  - Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

X NOT APPLICABLE – THERE IS NOT A SHORAGE OF AVAILABLE, AFFORDABLE HOUSING FOR ALL ELIGIBLE POPULATIONS IN UNION.

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
  - Leverage affordable housing resources in the community through the creation of mixed - finance housing
  - Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- X Other: (list below)

NOT APPLICABLE – THERE IS NOT A SHORTAGE OF AVAILABLE AFFORDABLE HOUSING FOR ALL ELIGIBLE POPULATIONS IN UNION.

**Need: Specific Family Types: Families at or below 30% of median**

## **REQUIRED ATTACHMENT SC019a02: Membership of Resident Advisory Board**

Members of the Resident Advisory Board of the Housing Authority of Union, S.C. are as follows:

Shirley Kershaw  
Bobby Quinn  
Minnie McIver  
Betty Gallman

Willie Ethel Powers  
Dorothy Venning  
Carolyn Miller  
Edward Lawson

The Resident Advisory Board reviewed the Annual Plan and the Five-Year Plan and discussed issues and concerns relating to the Capital Fund program. The main concern of those in attendance was the safety and security of the residents, particularly the Chambers Avenue/West Henrietta Street area, which experiences numerous cases of crime and drug-related incidents. All agreed that the majority of the problems are caused by non-residents of the Authority. Much interest was shown in organizing a Community/Crime Watch program, as well as the installation of additional vandal-proof street lights. Several of these street lights have been installed during the past two years, and residents feel they are a valuable deterrent to crime. A couple of residents suggested that tree limbs should be cut back to allow for extra lighting as well. Other possible remedies to the safety and security issues included hiring off duty police officer to patrol nights and weekends, increased visibility of the Community Police officers on site, and having an officer establish full-time residents in the development.

Residents were in favor of air-conditioning being considered in the future plans, although electrical upgrade must be made prior to the installation of air-conditioning.

Following discussion, members were in agreement with the provisions of the Plans and no changes were necessary to the Annual and Five-Year Plans.

**REQUIRED ATTACHMENT SC019a03: Resident Member on the PHA Governing Board**

The Housing Authority of Union, South Carolina has one member of the governing board who is directly assisted by the PHA, Mrs. Minnie McIver. Mrs. McIver was appointed by the Mayor of the City of Union, Mr. Bruce Morgan. Her term of appointment as a governing board member will expire December 21, 2002.

## **REQUIRED ATTACHMENT SC019a04 – RESIDENT SURVEY RESPONSE**

*The Housing Authority of Union, S.C. has included \$20,000 for site work in the 2001 Capital Fund Program, with an additional \$30,000 for site work planned during the next several years. These funds will be used to replace deteriorating sidewalks and other needed repairs. Also, playground equipment is being reviewed and will be updated from either the CFP funding or from the Authority's operating reserve funds.*

**The UHA has spent a great deal of time and money on addressing the issue of trash, broken glass and litter in our developments. Our staff works on a daily basis to attempt to solve this problem. Trash bags are also provided to all residents upon request. We will continue these efforts, and we are also trying to get the residents more involved in our clean-up efforts.**

**The issues of safety and security is a concern of many of our residents. We have a Community Police on site, manned part-time. We have talked with our Community Police officers and our residents about organizing a Community Crime Watch program. We hope to put this into effect soon. During the last several years, we have installed about twenty (20) bullet-proof street lights in the high crime areas. We will continue to add additional lights annually. We are encouraging the establishment of a more active resident advisory group in each of our developments. We are presently talking with community and Scout leaders concerning establishing Cub and Boy Scout troops.**

**We will also look at the possibility of hiring off-duty police officers to patrol high crime areas, and also inquiring to see if we have local police officers that may be interested in residing in public housing.**

**Monthly exterminating services are provided to all resident households. Call-back service is also provided where needed. We do not feel there is a problem with the current service, except in isolated cases, which will be addressed on an individual basis.**

## **ATTACHMENT SC019a05 -DECONCENTRATION**

### **UNION HOUSING AUTHORITY'S STATEMENT FOR MEETING DECONCENTRATION GOALS OF CURRENT FIVE-YEAR PLAN**

**The Union Housing Authority's admission policy is designed to provide for deconcentration of poverty and income mixing by leasing higher income families into lower income projects and leasing lower income families into higher income projects. Income limits for admission and income mixing will be based on the family's gross annual income. To skip a family on the waiting list in order to reach another family with a higher or lower income, as needed, will not be considered an adverse action to this family.**

**At the present time, the Union Housing Authority is able to meet the deconcentration guidelines. Due to the very limited number of eligible families on the public housing waiting list, the Union Housing Authority is limited in its ability to restrict tenant selection. However, we will continue to strive to meet and maintain the UHA's deconcentration goal.**

**The Union Housing Authority will gather and evaluate income data from residents of its public housing developments at least annually to assist in determining the Authority's deconcentration status and to meet its goals.**
