## Attachments

Use this section to provide any additional attachments referenced in the Plans.

**A. MBHA Deconcentration Policy:** It is Myrtle Beach Housing Authority's policy to provide

for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner. The Myrtle Beach Housing Authority will affirmatively market our housing to all eligible income groups.

Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments. Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

Currently, MBHA does not have a development covered by the deconcentration rule. We only have one, 18 individual single- family homes, development.

**B. MBHA ORGANIZATIONAL CHART**

## **C. MBHA Pet Policy**

### **18.1 EXCLUSIONS**

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

### **18.10 PETS IN PUBLIC HOUSING**

The Myrtle Beach Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, the resident assumes full responsibility and liability for the pet and agrees to hold the Myrtle Beach Housing Authority harmless from any claims caused by an action or inaction of the pet.

### **18.3 APPROVAL**

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

In the event of default by the resident of any of the terms of the Pet Agreement and Addendum to the Public Housing Lease, the resident agrees, upon proper written notice of default from the Housing Authority, to cure the default, remove the pet, or vacate the premises. The resident agrees that the Housing Authority may revoke permission to keep said pet on the premises by giving the resident proper written notice.

### **18.4 TYPES AND NUMBER OF PETS**

The Myrtle Beach Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

Only one (1) pet per unit allowed.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs will not be allowed.

No animal may exceed thirty (30) pounds in weight projected to full adult size.

### **18.5 INOCULATIONS**

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A

certification signed by a licensed veterinarian or state or local official shall be annually filed with the Myrtle Beach Housing Authority to attest to the inoculations.

#### **18.6 PET DEPOSIT**

A pet deposit of \$75 is required at the time of registering a pet. The deposit is refundable only when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

The Myrtle Beach Housing Authority may use the pet deposit, as is reasonably necessary, to repair damages or cleaning made necessary by pet. At the termination of the Lease and Pet Addendum, any balance shall be added to the security deposit required under the lease, and thereafter, disbursed by Law.

The resident agrees to pay the Housing Authority for any damages or costs caused by the pet in excess of the security deposit on demand by the Housing Authority.

The resident's liability for damages caused by pet is not limited to the amount of the per security deposit and the resident will be required to reimburse the Housing Authority for the real cost of any and all damages caused by pet where the damages exceed the amount of the pet deposit. Soiling damage to walls, carpet, flooring or the ceiling of the unit (if applicable) caused by breakage or spillage from an aquarium shall be the responsibility of the resident.

#### **18.7 FINANCIAL OBLIGATION OF RESIDENTS**

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Myrtle Beach Housing Authority reserves the right to exterminate and charge the resident.

Pet owners shall assume sole responsibility for liability arising from any injury sustained by any person that is attributable to an owner's pet. The resident agrees by execution of the Pet Agreement and Addendum to Public Housing Lease to hold the Myrtle Beach Housing Authority harmless from and against any and all claims, actions, suits, judgments and demands brought by any other party on account of or in connection with any activity of or damage caused by the resident's pet.

Infestation of a unit shall be the responsibility of the pet owner. Pet owner agrees to incur the costs of eradication of any infestation upon notice by the Housing Authority. In the event the pet owner does not resolve the infestation within five (5) days after adequate notice by the Housing Authority, the Myrtle Beach Housing Authority will initiate eradication and bill the resident for such cost.

#### **18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY**

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Myrtle Beach Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of the day or night shall be considered a nuisance.

Any pet which physically threatens and/or harms a resident, guest, or member of the Housing Authority's staff or other authorized person, at any time, shall be considered a threat to safety, and the resident will be given written notice to remove the pet. Consistent with local and state ordinance, the Housing Authority shall take appropriate steps to have the pet removed from the premises in the event a pet causes physical harm or bodily injury to any resident, guest, or member of the Housing Authority's staff or other authorized person, on in the event the pet owner fails to remove the pet after written notice.

Failure of the household to comply with the terms and conditions of the Pet Agreement and Addendum to the Public Housing Lease, the Housing Authority will give written notice that the pet is to be removed from the premises. Failure to comply with the terms of the Pet Agreement or failure to remove the pet will be grounds for lease termination.

**18.9 DESIGNATION OF PET AREAS**

Pets must be kept in the owner's house or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed the office of the Myrtle Beach Housing Authority.

Pet owners will be responsible for removal of pet waste. The Housing Authority will impose a separate charge of \$5.00 per occurrence for removal of pet waste should the resident fail to do so. Cat litter must not be disposed of by flushing down toilets and charges for unclogging toilets will be imposed should cat litter be found in a clogged line. Pet waste must be disposed of in sealed trash bags.

**18.10 MISCELLANEOUS RULES**

Pets may not be left unattended in a dwelling unit for over 10 hours. If the pet is left unattended and no arrangements have been made for its care, the Housing Authority will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Resident must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse for litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when the Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's house to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 ours of written notice from the Myrtle Beach Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

**18.11 VISITING PETS**

The Myrtle Beach Housing Authority will not permit visiting pets and only pets authorized by an executed Pet Agreement are permitted.

**18.12 REMOVAL OF PETS**

The Myrtle Beach Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in case of an emergency which would prevent the pet owner from properly caring for the pet, the Myrtle Beach Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.
