Objectives:

1. The Anderson Housing Authority will strive to continue its high performer status.
2. The Anderson Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

PROGRESS:

Under the HUD MASS scoring system, the PHA was rated as a high performer for the year ended 12/31/00. At the present time, we have not received a score for the year ended 12/31/2001. Therefore, the PHA will retain its high performer status for the 2003 Annual Plan submission.

Objectives:

1. The Anderson Housing Authority shall achieve a level of customer satisfaction that gives the agency the highest score possible in this element of the Public Housing Assessment System.
2. Provide a safe and secure environment in the Anderson Housing Authority's public housing developments by decreasing UCR Part I and II crimes by 10% and decreasing the calls for service by 10%.

5. Continue in efforts to improve safety of communities by conducting a PHDEP survey of 95% of the residents contingent upon funds being provided by the Public Housing Drug Elimination Program (PHDEP) on an on-going basis.

PROGRESS:

The PHA has not received a RASS customer satisfaction score for year end 12/31/01.

The PHA continues to maintain a decreased crime level at the public housing communities through use of a community patrol officer.

The HUD requirement for PHDEP surveys was reduced to 25% response rate to 100 surveys. We have received this response rate.

2. Expand the range and quality of housing choices available to participants in the Anderson Housing Authority's tenant-based assistance program.

PROGRESS:

The PHA maintained a 100% utilization rate based on funds available.

The PHA has received 166 new vouchers since 2000. The department is currently being reorganized to include an employee with the responsibility of recruiting new landlords and identifying better properties for rent.

Goal Four: Expand housing opportunities available to assisted families and promote independent living/self-sufficiency.

Objectives:

1. Establish a program to help people use its tenant-based program to become homeowners by December 31, 2004.
2. The Anderson Housing Authority shall continue its efforts in economic opportunity /self-sufficiency for the families and individuals who reside in our housing. An assessment will be made to determine education levels for all residents, and a plan will be developed that will promote GED obtainment for residents and continued school enrollment in the number of residents under 18 years of age.
3. Attend training on mixed financing for expansion of housing opportunities.
4. Enter into partnerships with the various local community organizations to provide education and alternatives for the youth in the communities.

There was one area that required a response to HUD. That was neighborhood appearance. The residents had the following comments and suggestions concerning the appearance of the neighborhoods

- Trim trees and shrubs.
- Have community cleanups to assist with picking up trash.
- Grass bare areas.
- Turn vacant lot at entrance of Westview into a park with a playground for the kids.
- Charge residents for picking up trash in their yards.
- Educate residents about putting trash in dumpsters, instead of besides dumpsters.

Required Attachment __"D"____: Resident Advisory Board Comments

First, three meetings were held with residents before the Capital Fund five year needs assessments were completed to discuss physical improvements to properties. Residents complained about bathroom sinks which continue to fall off walls. They asked that the sinks be replaced with new sinks and bathroom vanities with a cabinet underneath the sinks. Residents at Caldwell Village complained about the darkness between Buildings 6/7 & 8/9/10. This is due to the number of trees that are in the area. They requested that many trees be cut down so you can see the lights that have been installed. They also asked that we consider the installation of the outside porch lights which come on automatically. The Housing Authority agreed with the residents on their recommendations.

There were 6 meetings held with residents in reference to the 2002 Annual Plan. One was held with senior residents, three were held with family residents, and two meetings were held with the Resident Advisory Boards, one for Public Housing and one for Section 8 residents.

The following comments were received from the residents:

Maintenance/Capital Fund – 5-year plan: Discussed final budget for 2002/2003 funds and 4 years needs assessment. Residents noted drainage problems which need to be corrected. Elderly residents requested bars in bathrooms and more handicapped accessible toilets. More directional signs were requested to expedite emergency services to apartments. Fencing was requested in several communities. Preventive maintenance issues were discussed. All residents asked that additional landscaping be completed. Playground pads were requested for the tot lots at Fortson due to broken glass in the sand.

Safety/Security – The residents asked that we continue to fund a Community Patrol Officer even though funds have been discontinued for the PHDEP grant.

PH Admissions and Continued Occupancy Policy: Residents agreed with the HA staff suggestion to allow 30 days before unreported income is counted. Residents felt that 5 years criminal history prior to move in should be considered before approving an applicant. They agreed that the HA should continue to enforce the One Strike Rule. Residents felt that no specific time should be stated to exclude an applicant who is being released from prison. Instead the housing staff should review each application on a case-by-case basis considering reason in prison, family unification, and probation/parole record.

Resident Activities: A small membership fee was discussed for Fortson Boys and Girls Club. Residents at Fortson Homes asked for computer classes and credit classes. Christmas activities for seniors were discussed. Fortson residents requested monthly meetings of the residents with speakers. Community Work Service requirements were discussed. Residents felt that if the requirement for Community Work Service is reinstated, that the residents should not be held accountable for previous years volunteer hours when HUD changed its policy to enforce this requirement.

Section 8: Clients agreed with the HA to increase minimum standards to include following:

- Holes in walls should be corrected. (except for normal due to hanging pictures, etc.)
- Windows must open and have screens in good repair.
- All leaks should be repaired.
- A bedroom should have following features to be a bedroom:

Have a door that closes, have at least one window which opens, and have a source of heat.

Clients concurred that elderly, handicapped, and disable residents should have a priority for Section 8 assistance, after local preferences. Section 8 clients agreed that the lottery would be a fair way to accept Section 8 applications.

Where possible, the Housing Authority made revisions to its plans to include the residents' suggestions.
