Therefore, in accordance with 24 CFR Part 964, Section 964.425 the Housing Authority is excepted from compliance this year. The Housing Authority has established a Resident Advisory Board that is involved in the development of the Agency Plans.
6. The Housing Authority is providing decent, safe, and sanitary housing through the effective and efficient utilization of Capital Funds and operating funds.
7. The Housing Authority will continue utilization of a pest control contractor to reduce and eliminate pests, including cockroaches.

**PARIS HOUSING AUTHORITY'S
RESIDENT SERVICES AND SATISFACTION**

FOLLOW-UP PLAN

January 1, 2003-- Attachment tn008a001

In Fiscal Year 2002, the HUD Real Estate Assessment Center (REAC) conducted a Resident Services and Satisfaction Survey of the residents of the Paris Housing Authority. As a result of the Survey of the residents, the Housing Authority is required to prepare a Resident Satisfaction Follow-up Plan for three (3) of the five (5) Sections/Factors reflected in the Survey.

The three Sections/Factors that the Housing Authority received the lowest scores were Communications (72.7%), Safety (74.2%) and Neighborhood Appearance with a score of 73.5 percent.

The following is an evaluation of the various scores of the survey for Communications, Safety and Neighborhood Appearance:

COMMUNICATIONS:

Based on the resident survey results, there were five concerns of the residents in two developments under the Communications Section/Factor that was below 75 percent. Development No.TN08-001 resulted in an 85.9 percent score and required no response. The five areas below 75 percent were as follows:

1. The residents believe that management could provide information concerning maintenance, repairs, and modernization activities.
2. The residents generally reported that management could be more responsive to their questions and concerns.
3. Residents reported that management could be more courteous and professional.
4. Residents believe management should be more supportive of the resident/tenant organization.

SAFETY:

Based on the resident survey results, there were three concerns of the residents under the Safety Section/Factor that was below 75 percent. The areas below 75 percent were as follows:

1. Residents in one development did not feel safe in their units/home and Development TN008-003 believed bad lighting contributed to crime in the development.
2. Two of the three Developments scored low in being unaware of any crime prevention programs.

NEIGHBORHOOD APPEARANCE:

Based on the resident survey, the major concerns of the residents under the Neighborhood Appearance Section/Factor were as follows:

1. The residents believe that the upkeep of the common areas, parking areas, recreation areas and trash/liter are unsatisfactory.
2. The residents in Development TN008-003 identified broken glass as a problem.

PLAN ACTIONS:

In an attempt to improve the Resident Services and Satisfaction concerns of the residents, the following actions will be implemented before and during the coming Fiscal Year as the Housing Authority's Resident Services and Satisfaction Follow-up Plan:

COMMUNICATIONS:

1. The Housing Authority will hold meetings and discuss the concerns of the residents with the Resident Advisory Board before submission of the Public Housing Agency Plans.
2. There was some concern about support for the resident association. There is no resident organization for the Housing Authority to be supportive of; however, the Housing Authority will again request whether the residents want to have an organization.
3. Management will continue to make efforts to be courteous and professional to the resident.

SAFETY:

1. The Housing Authority will hold meetings and discuss the concerns of the residents in Development No. TN008-003 regarding any identifiable safety problems and areas they believe need additional lighting to enhance safety.
2. The Housing Authority will continue meeting with the local law enforcement agencies to determine what programs are available to the residents and establish meetings in the developments to better inform the residents of the programs. In addition, the Housing Authority will identify various crime prevention programs and ideas that the residents can use.

NEIGHBORHOOD APPEARANCE:

1. The Housing Authority will hold meetings and discuss the concerns of the residents with the Resident Advisory Board before submission of the Public Housing Agency Plans.
2. The Housing Authority may also implement the stipend program for any resident that wishes to participate in the upkeep of the common areas, parking areas and recreational areas in the developments. This will provide an incentive for the residents to keep the development free of trash and broken glass and generally improve the appearance of the identified areas.
3. Noise was identified as a problem but the Housing Authority is not aware of what type of noise the residents are concern with. The noise could be automobiles or other residents. Without knowing the specifics of the concerns, it is difficult to determine what actions can be undertaken to resolve

the concerns.

Mission and Goal Progress:

The PHA has responded to the Resident Services and Satisfaction Survey (attachment tn008a001) identifying efforts to increase customer satisfaction within the developments.

Efforts to improve management functions are included in the revised ACOP and Lease requirements.

Improvement activities identified in the FY 2002 Agency Plan have commenced consisting of extraordinary maintenance for Development TN008-003, including storm windows, HVAC and site improvements which are designed to reduce vacancies and improve the quality of housing. In addition, electrical meter boxes at Development TN008-03 have been replaced and sanitary sewer improvements at Development TN008-01 have been completed.

De-concentration has been accomplished by implementation of ACOP revisions and admissions criteria.

Security improvements have been increased by installation of security cameras on-site and at the administrative building as well as amending the ACOP to allow police officers to reside in the developments.

The number and percentage of employed persons have increased by applying the preference for working families included in the revised ACOP.

Based on the PHA's waiting list the goals to ensure equal opportunity in Housing for all Americans are being met.
