**THE 5-YEAR PLAN MISSION AND GOALS**

The mission of the Savannah Housing Authority remains to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination. Our goals are:

- To improve the quality of assisted housing by renovating or modernizing public housing units.
- To provide an improved living environment by implementing deconcentration measures.
- To ensure equal opportunity and affirmatively further fair housing by undertaking affirmative measures to ensure accessible housing to person with all varieties of disabilities regardless of unit size required.

We feel that progress is being made to accomplish the mission and goals of our plan. We have done substantial modernization at Project TN49-1 including handicap accessible features at the Office and Handicap ramps at dwelling units that residents requested. Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission. We have adopted a Deconcentration Policy to increase the racial mix in the developments and do not discriminate against any family in the housing authority or on the waiting list.

The plans, statements, budget and policies set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. We are committed to improving the condition of affordable housing in Savannah. Some highlights of our Annual and Five Year Plan are to continue to renovate and modernize dwelling units at Project TN49-1 in the first year and improve the physical condition of each dwelling unit throughout the following 5 years. All of the residents at the Savannah Housing Authority will benefit from the Program.
