ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority of the City of New Boston, Texas plans to continue its operations much the same as in the past contingent on continued Performance Funding dollars and Capital Funds availability. This agency is included in the Young vs. Martinez litigation in the East Texas region and is complaint in all aspects of this lawsuit.

This agency is experiencing a loss of residents and shortened Waiting List due to the implementation for Desegregated Housing Opportunities (DHO) in the area by East Texas Fair Housing. We are experimenting with new ways to advertise in order to combat this problem.

This agency plans to continue the contract with the Bike Patrol began under the Public Housing Drug Elimination Program (PHDEP) and have a Neighborhood Watch Program to supplement this deterrence to crime and drugs. This effort has already been seen as an asset to this agency, its residents, and the community. We will be searching for alternate sources of income to facilitate the loss of the PHDEP funds.

To address the Resident Survey Follow-up, this agency plans exterior painting and modernization of two sites, including new picnic tables and shade trees to the common areas. It is intended to create additional parking spaces while police patrol will be monitoring noise and unauthorized vehicles. Maintenance will increase routine yard trash collection on each site and refocus on pest eradication.

This agency has completed the disposition of Heath Courts II, TX054002. A non-profit has purchased the property in order to develop a temporary shelter, which this community did not have but desperately needed. This disposition has benefited the entire community.

NBHA is a high performing, small PHA and exempt from many of the submissions required by this Plan.
