**DE-CONCENTRATIONANDINCOMETARGETINGPOLICY
FOR THE
PLANHOUSINGAUTHORITY
PLANO,TEXAS**

DE-CONCENTRATIONANDINCOMETARGETINGPOLICY
(ofthePublicHousingAdmissionsandOccupancyPolicy)

Sub-Title A, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), establishes two interrelated requirements for implementation by Public Housing Authorities: (1) Economic De-concentration of public housing developments and (2) Income Targeting to assure that families in the “extremely low” income category are proportionately represented in public housing and that pockets of poverty are reduced or eliminated. In order to implement these new requirements the PHA must promote these provisions as policies and revise their Admission and Occupancy policies and procedures to comply.

Therefore, the Plano Housing Authority, Plano, Texas (hereinafter referred to as PHA) hereby affirms its commitment to implementation of the two requirements by adopting the following policies:

A. Economic De-concentration:

Admission and Continued Occupancy Policies are revised to include the PHA’s policy of promoting economic de-concentration. Implementation of this program may require the PHA to determine the median income of residents in each development, determine the average income of residents in all developments, compute the Established Income Range (EIR), determine developments outside the EIR, and provide adequate explanations and/or policies as needed to promote economic de-concentration.

Implementation may include one or more of the following options:

- S Skipping families on the waiting list based on income;
- S Establishing preferences for working families;
- S Establish preferences for families in job training programs;
- S Establish preferences for families in education or training programs;
- S Marketing campaign geared toward targeting income groups for specific developments;
- S Additional support services;
- S Additional amenities for all units;
- S Flat rents for developments and unit sizes;
- S Different tenant rent percentages per development;
- S Different tenant rent percentages per bedroom size;
- S Saturday and evening office hours;
- S Security Deposit waivers;
- S Revised transfer policies;
- S Site-based waiting lists;
- S Mass Media advertising/Public service announcements; and
- S Giveaways.

B. IncomeTargeting

As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%) (extremely low -income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

In order to implement the income targeting program, the following policy is adopted:

- < The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low -income category and two (2) families from the lower/very low -income category alternately until the forty percent (40%) admission requirement of extremely low -income families is achieved (2plus2policy).
- < After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2plus2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.
- < To the maximum extent possible, the offers will also be made to affect the PHA's policy of economic de -concentration.
- < The PHA reserves the option, at any time, to reduce the targeting requirement for public housing by no more than ten percent (10%), if it increases the target figure for its Section 8 program from the required level of seventy -five percent (75%) of annual new admissions to no more than eighty -five percent (85%) of its annual new admissions. (Optional for PHAs with both Section 8 and Public Housing programs)

**PETOWNERSHIP POLICY
FOR THE
PLANO HOUSING AUTHORITY
PLANO, TEXAS**

PET OWNERSHIP POLICY

OVERVIEW

Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Housing Reform Act of 1998) added a new Section 31 (A Pet Ownership in Public Housing) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received was published in the Federal Register. This policy reflects the final rule requirements.

The Plano Housing Authority (hereinafter referred to as PHA) will notify eligible new and current residents of the right to own pets subject to the PHA's rules and will provide them copies of the PHA's Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA's developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. a non-refundable pet deposit of \$200.00 will be charged and is intended to cover the reasonable operating costs to the development directly attributable to a pet or pets in the unit (i.e., fumigation of a unit);
- C. animals that are used to assist the disabled are excluded from the size, weight, type **and non-refundable deposit** requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. in accordance with State or local law are observed;
- D. residents may request a copy of the PHA's pet ownership rules or proposed amendments to the rules at any time; and,
- E. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below.

- F. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban -Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C;
- G. **New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.**

PetOwnershipRules

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles or lizards in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird of prey, dangerous fish, snakes, spiders or other insects, or any farm animals.
2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).
3. The pet owner shall have only a small cat or a dog. The animal's weight shall not exceed *twenty (20) pounds at full growth*. The animal's height shall not exceed *fifteen (15) inches at full growth*. Such limitations do not apply to a **service animal** used to assist a disabled resident.
4. Pet owners shall license their pets (if required by state or local law) yearly with the City of Plano, Texas, or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.
5. No pet owners shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.
6. The pet owners shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished. If the animal is less than six (6) months old, resident must agree to have the appropriate procedures performed when the animal reaches the age of six (6) months. Exception to this requirement shall be granted only upon certification from a veterinarian that permanent harm may result from this procedure due to the pet's age or illness.
7. All cats shall be declawed. Proof of compliance shall be furnished to management.
8. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owners shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.
9. No pet shall be permitted in any common area except as necessary to directly enter and exit the building. This restriction is not applicable to service animals.

10. No pet (other than birds or fish) shall be permitted to remain in an apartment overnight while there is no one present.
11. Management shall furnish to the household a pet sticker if the pet is a dog or cat which must be displayed on the front entrance door of the unit.
12. Residents shall provide the PHA a color photograph of the pet(s).
13. All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner's name and address.
14. Any resident having a dog or cat shall obtain some type of scoop to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.
15. Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea powder. The resident is responsible for the cost of flea/tick extermination.
16. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
17. No pet owners shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
18. No pet owners shall permit their pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to, barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
19. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic bag in a designated trash container outside the building where the pet owner lives.
20. The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animal's droppings at least twice per day; and take the animal to a veterinarian at least once per year. The pet owner shall not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall

dispose of such droppings by placing them in a plastic tiesack in a designated trash container outside the building where the pet owner lives.

21. The pet owners shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
22. The pet owners shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.
23. No pet owners shall alter the dwelling unit or the surrounding premises to create space, hole, container or enclosure for any pet. ea
24. Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, displays symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and the resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left unattended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
25. Each pet owner shall pay a non-refundable pet deposit of \$200.00. The PHA may wave the requirement for a security deposit for a *service animal* as a reasonable accommodation. There is no pet deposit for fish, birds, gerbils, hamsters, guinea pigs or turtles. The pet deposit is not part of the rent payable by the pet owner, and in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the development, including but not limited to: the cost of repairs and replacements to or from damages, and the fumigation of the pet owner's dwelling unit.
26. The PHA shall not refund the unused portion of the non-refundable pet deposit to the pet owner.

Should State or local law require that the pet deposit be placed in an interest-bearing account, the PHA will provide for such deposit and will account for all interest individually by pet owner family. Should the State or local law not specifically address the issue of pet deposit interest, the PHA shall determine payment or non-payment of interest based on State or local law with respect to rental security deposit requirements.

27. All residents, including the elderly and disabled, are prohibited from feeding, housing or caring for stray animals or birds. Such actions shall constitute having a pet without permission of the PHA.
28. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill, absent from the dwelling unit, unable to care for his or her pet, **or in the event of the death of the pet owner**, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.
29. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets, except one as soon as the baby is able to survive on their own (a maximum of 6 weeks).
30. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet, **or have the pet caged**.
31. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.
32. If the pet's health is threatened because of a resident's inability to care for the pet due to illness, absence from the unit, or because of mistreatment of the pet, the PHA will notify the responsible person listed in the Pet Policy Addendum. If the individual is either unwilling or unable to care for the pet, or if the PHA is unable to contact the responsible party, the PHA will place the pet in a shelter for a maximum of thirty (30) days. If no responsible party is found, state or local authorities will be contacted.
33. The residents shall be responsible for arranging for burial or other disposal, off the premises, of pets in the event of the death of the pet.
34. The resident agrees to assume all personal financial responsibility for damage to any personal or PHA property caused by the pet and assumes personal responsibility for personal injury to any party caused by the pet.
35. Pet Violation Procedures: Resident agrees to comply with the following:
 - a. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. The notice of pet rule violation will be in writing and will:
 - (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.

- (2) State that the pet owner has ten (10) days from the effective date of service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.
- (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
- (4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner's lease or both.

- b. **Pet Rule Violation Meeting**: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner an additional time to correct the violation.
- c. **Notice for Pet Removal**: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet. The notice will be in writing and will:
 - (1) Contain a brief statement of the factual basis for the determination and the pet rule or rule that has been violated.
 - (2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).
 - (3) State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.
- d. The procedure does not apply in cases where the pet in question presents an immediate threat to the health, safety, of others or if the pet is being treated in an inhuman manner. In such cases paragraph 24 shall apply.

- 36. ***The resident shall control the pet while maintenance personnel are in the unit performing requested maintenance.***
- 37. ***Non-emergency work orders will only be completed if the resident is home with the pet, the pet has been caged or the pet has been removed from the unit.***
- 38. ***If the pet runs out of the unit, if left alone, when the maintenance staff enter the unit due to an emergency work order request.***
- 39. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.
