C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

There have been no deviations from the 5-year plan. The funds provided have been utilized to accomplish items outlined in the plan (re-roof, purchase washers/dryers, install hot water heaters, painting, landscaping, etc.). The 5-year plan met full public process and review.

B. Significant Amendment or Modification to the Annual Plan:

There is no amendment or modification required to the Annual Plan, since the Housing Authority has accomplished only items outlined in the 5-year plan and has not deviated from that plan. The policies approved prior to submission of the 5-year plan are still current. The waiting list is still maintained in accordance with HUD rules approved prior to submission of the 5-year plan. No emergency items, demolition or re-designation of units is required.

Definition of “Substantial Deviation” and Significant Amendment or Modification”

PHA’s must define the terms “Substantial Deviation” and “Significant Amendment or Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and RAB review (see final rule 903.7® (2). Neither January nor April PHA’s will be required to include these descriptions in their first PHA plan; however, they may wish to do so.

Until the PHA has met the requirement to define “Significant Amendment or Modification.” HUD will consider the following actions to be significant amendments or modifications:

1. changes to rent or admissions policies or organization of the waiting list;
2. additions of non-emergency work items (items not included in the current Annual Statement or 5-year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
3. any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
