Georgetown Housing Authority

Deconcentration resolution #228

Whereas, the Quality Housing and Work Responsibility Act of 1998 states “a public housing agency shall submit with its annual public housing agency plan under section 4.5 and admission policy designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects” and

Whereas, the Quality Housing and Work Responsibility Act of 1998; Initial Guidance; Notice Issued February 18, 1999, effective April 1, 1999, requires that a resolution be passed by the housing authority indicating that required amendments have been made to said policy and adopted by the Board of Commissioners,

Now, therefore be it resolved, by the Board of Commissioners of the Housing Authority of the City of Georgetown, Texas, that the required amendments to the Admissions and Occupancy Policy have been duly adopted and read as follows:

In its assignment of units, the Authority will, to the maximum extent possible, avoid concentration for the most economically and socially deprived families in any one or all of its developments, in an attempt to achieve a broad range of incomes. As required by the Quality Housing and Work Responsibility Act of 1998,

- 1. At least 40 percent of the families admitted during the fiscal year must not have incomes over 30 percent of the median income for the area, as defined by HUD.

2. In order to prevent or correct concentrations of the lowest income families in any one project, the Authority may skip over another family on the waiting list in order to house a family with higher income.

Ayes: Konetchy Sansom Kendall Simmons

Nays: None

Approved on June 28, 1999
