PHAF ISCAL YEARS 2003 -2007
[24CFRPart903.5]

A.Mission

State the PHA's mission for serving the needs of low -income, very low income, and extremely low -income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)
The mission of the Housing Authority of the City of Brenham, Texas is to promote a community environment that enables residents to live responsibly and with dignity, and to support residents in their efforts to achieve self -sufficiency.

B.Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD -suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include target sets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the space to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
- Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)

Progress Statement : *During FY2002, the PHA worked to improve its vacancy rate. The Board has approved an Improvement Plan that is designed to address this issue and the implementation of that plan is in progress. PHA is currently meeting with a private contractor who is actually building subsidized housing in its community to relay information on rentabilities, utilities and public need. The PHA has offered to be the Management Company, once project has been complete and units are fully occupied. PHA has also met with Economic Development center and Chamber of Commerce regarding need for public housing for no rent, low rent and low cost housing for people*

purchasing and renting. PHA has met with independent section 8 owner and discussed marketing program of acquisition of 50 units.

We have increased interaction with PHA employees and tenants by being visible to assist with issues and problems throughout the PHA. Working on purchasing through Markto Marketing currently managed private development "New Contract on Section 8". During 2002 we accomplished lowering vacancies by better maintenance management.

- PHA Goal: Improve the quality of assisted housing
- Objectives:

Regarding renovation, we renovated 7 units during 2002. The renovations include; flooring, kitchen cabinets, electrical fixtures, insulation, wall furnaces, and replacement doors that are more durable. We have improved the PHA by implementing a major site improvement program throughout the PHA in effort to make the PHA look more like a "Development" rather than government housing. We no longer use the term "Projects" and have replaced it with the term "Developments".*

 - Conduct outreach efforts to potential voucher landlords
 - Increase voucher payment standards
 - Implement voucher homeownership program:

 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below)
 - Implement Site Improvement Program to improve the external appearance of the developments.

Progress Statement : During FY 2002, the PHA continued to implement a strategy of income mixing in TX03 by allowing applicants over 50% AMI to pay rent based on 20% of income. We were successful in improving the outer appearance of the developments by implementing a major Site Improvement Program. The site improvement program included planting trees, shrubs and flowers; installing fencing. The Developments now portray a "Subdivision" atmosphere.

 - Other: (list below)

Progress Statement : During FY 2002, the PHA continued to work with Job Partnership of Washington County, B linn College, Community Education, Even Start Program, and other educational facilities to provide job and skills training. The PHA encourages and pays for cost of all residents to obtain their GED and offers and provides transportation

to and from work and job training. We are currently discussing our ability to utilize existing non-dwelling structures for the purposes of establishing a child care center aimed at providing low-income families with affordable child care. The goal is to have this completed within the next 2 years. In addition during 2002, we established a full service transportation service from 7:30 a.m. to 5:30 p.m. for tenant transport to work and errands.

DE-CONCENTRATIONANDINCOMETARGETINGPOLICY
(ofthePublicHousingAdmissionsandOccupancyPolicy)

Sub-Title A, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), establishes two interrelated requirements for implementation by Public Housing Authorities: (1) Economic De-concentration of public housing developments and (2) Income Targeting to assure that families in the “extremely low” income category are proportionately represented in public housing and that pockets of poverty are reduced or eliminated. In order to implement these new requirements the PHA must promote these provisions as policies and revise their Admission and Occupancy policies and procedures to comply.

Therefore, the Housing Authority of the City of Brenham, Texas (hereinafter referred to as PHA) hereby affirms its commitment to implementation of the two requirements by adopting the following policies:

A. Economic Deconcentration:

Admission and Continued Occupancy Policies are revised to include the PHA’s policy of promoting economic de-concentration. Implementation of this program may require the PHA to determine the median income of residents in each development, determine the average income of residents in all developments, compute the Established Income Range (EIR), determine developments outside the EIR, and provide adequate explanations and/or policies as needed to promote economic de-concentration.

Implementation may include one or more of the following options:

- S Skipping families on the waiting list based on income;
- S Establishing preferences for working families;
- S Establish preferences for families in job training programs;
- S Establish preferences for families in education or training programs;
- S Marketing campaign geared toward targeting income groups for specific developments;
- S Additional support services;
- S Additional amenities for all units;
- S Ceiling rents;
- S Flat rents for developments and unit sizes;
- S Different tenant rent percentages per development;
- S Different tenant rent percentages per bedroom size;
- S Saturday and evening office hours;
- S Security Deposit waivers;
- S Revised transfer policies;
- S Site-based waiting lists;
- S Mass Media advertising/Public service announcements; and
- S Giveaways .

B. Income Targeting

As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%) (extremely low-income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

In order to implement the income targeting program, the following policy is adopted:

- ☐ The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower/very low-income category alternately until the forty percent (40%) admission requirement of extremely low-income families is achieved (2 plus 2 policy).
- ☐ After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.
- ☐ To the maximum extent possible, the offers will also be made to effect the PHA's policy of economic de-concentration.

Communication

AREA OF CONCERN: Inability of Residents to Communicate With Management Regarding Problems and Issues

Clear communication of services, procedures, other neighborhood-related issues and activities is a critical component in the success of a development. This section measures the level of that communication in the area of events, activities, and programs available to residents, and the ability of residents to communicate with management regarding problems and issues. The following are action items that will be implemented for making improvements in this area:

ACTION ITEMS

1. Establish Communication Linkages

The Agency will immediately develop and implement a schedule of regular group meetings with Residents, Resident Advisory Board, or meet individually with residents to discuss resident concerns and perceptions on issue. If situations which are identified as problems are improved, then it is believed that satisfaction with this service area should improve.

2. Resident-Oriented Service Training

The Agency will immediately schedule a series of training sessions and seminars, which will focus on Resident-Oriented Service Delivery by PHA Staff and Personnel. These workshops will train PHA staff and personnel to effectively and politely communicate with residents. Course work may include role-playing exercises which demonstrate the appropriate manner in which to interact with residents.

3. Ensure Written Policies and Procedures

The Agency will immediately conduct a review of its written policies and procedures to determine if all applicable policies and procedures have been documented and where necessary the Agency will prepare the missing documents.

The Agency will also ensure that residents have copies of them that they have input and that the residents are in agreement with them. Care will be taken to assure that the Agency management or staff does not dictate policies. Finally, residents will be encouraged to participate, as much as possible, in policy development.

4. Institute A Common Point Of Reference for Notices

The Agency will immediately identify and institute an effective and easily accessible method of communicating with residents. Suggested methods will include, but will not be limited to the following: flyers/letters sent with the rent bill, flyers/letters placed in all mailboxes or a community bulletin board.

The Agency will immediately begin to deliver monthly newsletter to the residents' physical addresses.

The Agency will immediately begin to post the Notice Board Meeting housing authority wide in common areas.

5. Encourage Resident Involvement

The Agency will immediately schedule a series of training sessions and seminars, which will focus on Resident Involvement in Community Building. Suggested topics may include Resident Leadership Training, Community Building, Volunteer Training, Entrepreneurship Training, etc. These workshops will be part of the Agency's plan to assist and encourage residents to be part of the solution, to join or develop committees/organizations to help improve the community.

Safety

AREA OF CONCERN: Failure of Agency To Convince Residents That It Is Making Efforts To Provide Safe Living Conditions

The goal of this section is to capture how safe residents feel and to assess if the housing agency is making efforts to provide safe living conditions. The following are action items that will be used to make improvements in this area.

ACTION ITEMS

1. Establish Communication Linkages

The Agency will immediately develop and implement a schedule of regular group meetings with Residents, Resident Advisory Board, or meet individually with residents to discuss resident concerns and perceptions on issue. If situations which are identified as problems are improved, then it is believed that satisfaction with this service area should improve.

2. Establish Working Relations with Police

The Agency will immediately establish a policy of establishing partnership relations with Police Departments in the community so as to have a variety of cooperative arrangements and agreements. Some of these agreements will be, but not be limited to the following activities:

- Units deprogrammed for use as police substations.
- Periodic and regular meetings between the local police agency and PHA management.
- Provisions of access by the local police agency to vacant units in order to facilitate surveillance and pursuit.
- Increase patrolling to have more visibility.
- Provision of community space for police /community meetings.
- Police input into the development and implementation of drug elimination grants.
- Police input into modernization planning.
- Operation Safe Home and other Federal/local law enforcement efforts.
- Gun and drug sweeps.
- Youth counseling
- Youth recreational acuity's.
- Tenant security training.

- Community policing.
- Security surveys.

3. All Crimes Reported.

The Agency will immediately institute a policy of reporting all criminal activity to local police authorities. This policy will be put in place to establish a continuous line of communication between local police authorities and the Agency thereby creating a credible, working relationship between both groups.

4. Ensure Policies and Procedures in Place for Tracking Crime

The Agency will immediately conduct a review of its written policies and procedures to ascertain that applicable policies and procedures are in place to track crime and where necessary the Agency will prepare the missing documents. The Agency will also ensure that these policies and procedures will be able to demonstrate that crime and crime-related problems are being traced by development.

5. Refine Resident Screening Processes

The Agency will immediately seek to institute and implement a policy of revamping and upgrading a resident screening process which denies housing admissions to those individuals who do not meet the legal criteria established by HUD or PHA board resolution.

6. Establish Safe Behavior Policies for Residents

The Agency will immediately develop and institute a clearly understood and mutually agreed-upon policy, which defines what constitutes safe behavior for residents with the correct level of repercussions for violating policy.

7. Addition of More Lighting

The Agency will immediately schedule a plan for evaluating, planning and installing additional lighting in all common areas and to periodically check all lights to make sure that they are working.

The Agency will increase outdoor lighting.

The Agency will identify and repair trip hazards on sidewalks.

8. Check All Locks

The Agency will immediately begin a program of checking all locks and outside doors to assure that they are not in disrepair and repair all locks that are damaged.

9. Provide More Recreational Areas

The Agency will immediately plan and implement a long-term program of seeking resources to, and using those monies for, building and/or maintaining neighborhood playgrounds, and basketball courts. In addition the Agency will also create youth programs to discourage crime among that age group.

10. Teach Basic Resident Safety

The Agency will immediately seek to develop and implement a training program for residents on basic safety in the home and in the community. Topics to be presented will include, but not be limited to: How Residents Can Better Protect Themselves, Their Families and Their Property, and Working With Police Agencies to Create Safer Neighborhoods, etc.

11. Provide Preventative Drug Related Services

The Agency will immediately develop and institute preventative drug related services such as Preventative Drug Education and Referral Sources for Drug Treatment Programs.

12. Establish Working Relationships to Implement Grants

The Agency will immediately establish policies and procedures for working with resident councils or other formal resident groups in the implementation of drug elimination grants (24CFR 961.3) and other related programs.

Neighborhood Appearances

AREA OF CONCERN: Dissatisfaction with Upkeep in Different Areas of the Development

A poorly maintained development can lead to a number of problems. The appearance of the housing development should be neat and orderly. Ideally, the development should compliment the community and there should not be a clear line that defines the borders of the development due to perpetual problems such as litter, broken glass, and vandalism. Residents are encouraged to be part of the solution. There is an established process in place for residents to report problems. Management responds in a timely and professional manner to appearance problems in the community. The following are action items that the Agency will undertake to make improvements in this area.

ACTION ITEMS

1. Establish Communication Linkages

The Agency will immediately develop and implement a schedule of regular group meetings with Residents, Resident Advisory Board, or meet individually with residents to discuss resident concerns and perceptions on this issue.

2. Find Life Enhancement Program Partners

The Agency will immediately begin a review of its policy regarding abandoned buildings and vacancy to bring it up to date and evaluate its effectiveness. If found to be inadequate, the Agency will revise and improve its systems to address this issue more rigorously.

3. Schedule Anti-Pest Treatments and Trash Removal Pickups More Frequently

The Agency will immediately reschedule and implement a more regular pest extermination program more frequently and on an as needed basis, if necessary. It will also implement quarterly trash days on which large items can be picked up.

4. Be Proactive About Improving The Appearance of Neighborhood

The Agency will immediately develop and implement a program for improving the overall appearance of the neighborhood. This program will include, but will not be limited to the following activities:

- Conducting an assessment (at least visually) of the community on a daily basis.
- Management and Executive Staff becoming personally involved in this assessment and not just relying on staff for input.
- Starting a neighborhood appearance council made up of residents. Awarding prizes or recognizing to residents with the best kept yard and recognizing that individual or family in a newsletter.
- Eliminating graffiti within 24 hours of report.
- Increase safety around the children's play areas, picnic tables, and bus stops.
- Require residents to be proactive in doing their part to maintain clean yards. Implement a charge fee to be charged to residents when the HA has to clean their yard.

THE HOUSING AUTHORITY OF THE
CITY OF BRENHAM, TEXAS**

PETOWNERSHIP POLICY

OVERVIEW

Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Housing Reform Act of 1998) added a new Section 31 (“Pet Ownership in Public Housing”) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received, was published in the Federal Register. This policy reflects the final rule requirements.

The Housing Authority of the City of Brenham (herein referred to as PHA) will notify eligible new and current residents of their right to own pets subject to the PHA’s rules and will provide them copies of the PHA’s Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA’s developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. a non-refundable nominal pet fee is intended to cover the reasonable operating costs to the PHA directly attributable to a pet or pets in the unit (i.e., fumigation of a unit). A refundable pet deposit is intended to cover additional costs not otherwise covered which are directly attributable to the pet’s presence (i.e., damage to the unit, yard, fumigation of a unit, etc.);
- C. animals that are used to assist the disabled are excluded from the size, weight, type and non-refundable fee requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. in accordance with State or local law are observed;
- D. residents needing a service animal must provide verification for this need and verification that the animal is considered to be a service animal; and,
- E. Section 31 of the Housing Reform Act of 1998 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery

- Act of 1983 and located in 24 CFR part 5, subpart C;

3. The pet owners shall have only a small cat or dog. The animal's weight shall not exceed twenty (20) pounds at full growth. The animal's height shall not exceed fifteen (15) inches at full growth. Such limitations do not apply to a *service animal* used to assist a disabled resident.
4. Pet owners shall license their pets (if required by state or local law) yearly with the City of Brenham or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.
5. No pet owners shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.

7. All cats shall be declawed. Proof of compliance shall be furnished to management.
8. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owners shall keep a cat or dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owners shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.
9. No pet shall be permitted in any common area except as necessary to directly enter and exit the building. This restriction is not applicable to service animals.

11. Management shall furnish to the household a pet sticker if the pet is a dog or cat which must be displayed on the front entrance door of the unit.
12. Residents shall provide the PHA a color photograph of the pet(s).
13. All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner's name and address.
14. Any resident having a dog or cat shall obtain some type of "scooper" to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.
15. Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea powder. The resident is responsible for the cost of flea/tick extermination.
16. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
17. No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited. If the pet owner declines, delays or refuses to remove such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
18. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
19. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.

not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.

21. The pet owners shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
22. The pet owner shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.
23. No pet owners shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
24. Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, displays symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left unattended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
25. Each pet owner shall pay a non-refundable pet fee of \$ -0- and a refundable pet deposit of \$ 60.00. A refundable deposit of \$ -0- will be charged for aquariums. There is no pet deposit for birds, gerbils, hamsters, guinea pigs or turtles. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including, but not limited to the cost of repairs and replacements to, and the fumigation of, the pet owner's dwelling unit. The refundable deposit will be used, if appropriate, to correct damages directly attributable to the presence of the pet.
26. The refundable pet deposit will be placed in an escrow account and the PHA will refund the unused portion to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.
Should State or local law require that the pet deposit be placed in an interest

bearing account, the PHA will provide for such deposit and will account for all interest individually by pet owner family. Should the State or local law not specifically address the issue of pet deposit interest, the PHA shall determine payment or non-payment of interest based on State or local law with respect to rental security deposit requirements.

27. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such actions shall constitute having a pet without permission of the PHA.
28. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill, absent from the dwelling unit, unable to care for his or her pet, or in the event of a death of the pet owner, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.
29. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby's are able to survive on their own (a maximum of 6 weeks).
30. Pet Violation Procedures: Resident agree to comply with the following:
 - a. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation.  - (2) State that the pet owner has ten (10) days from the effective date of service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.
 - (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
 - (4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner's lease or both.
 - b. Pet Rule Violation Meeting: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the

alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation.

- c. Notice for Pet Removal: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet. The notice will be in writing and will:
 - (1) Contain a brief statement of the factual basis for the determination and the pet rule or rule that has been violated.
 - (2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).
 - (3) State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.
- d. The procedure does not apply in cases where the pet in question presents an immediate threat to the health, safe, of others or if the pet is being treated in an inhuman manner. In such cases paragraph 24 shall apply.

- 31. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet.
- 32. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.
