**ATTACHMENT D: FIVE - YEAR PLAN PROGRESS STATEMENT**

Somervell County Housing Authority has been able to encourage a few new landlords to participate in our Section 8 program. We feel our HQS has improved with the addition of these landlords. SCHA has continued, since the implementation of our five - year plan, to encourage new construction of affordable housing by communicating with county and city officials. This has not been very successful, since we are becoming a retirement/resort community with most home construction being on the customized level. We have worked diligently with participating landlords to promote drug - free/alcohol-free environments for Section 8 tenants, and we feel we have been successful in this endeavor. We are operating at or near 100% lease - up and will continue to strive to provide decent, safe, and sanitary housing to the low - income citizens in our community.
