1. Request local law enforcement to attend local tenant meetings and the after school programs at least twice
2. Continue the community policing in the complexes.
3. Continued drug education and household safety presentations at tenant and after school meetings and programs.
4. Continue awareness through the newsletter and other medias.
5. Develop Neighborhood Watch type of programs in the complexes and coordinate with immediate local crime prevention programs.
6. Assess the existing lighting and landscaping in determining if adjustments can improve security and safety.
7. Require parking permits for all resident vehicles there by monitoring appropriate visitor access to complexes.
8. Provide new tenant orientation regarding community rules, responsibilities and awareness.

Neighborhood Appearance - To increase the scores for Neighborhood Appearance, HACSL will implement the following:

1. As apply new striping and adequate signage.
2. Assign periodic monitoring of public housing grounds by maintenance crews and housing managers during routine assignments and remedy wind-spilled trash.
3. Organize tenants and tenants youth group to become aware of the grounds upkeep and organize volunteers to assist HA in keeping grounds appearance pleasant and free of spilled and wind blown trash.
4. Organize tenants spring clean up effort for grounds and personal belongings.
5. Playground ground cover will be replaced this spring.
6. Off-line units utilized as community centers will undergo a face-lift over the course of three years. In addition, three community neighborhood network centers will go on-line this summer.
