The Bristol Redevelopment and Housing Authority is a medium-sized agency located in Washington County, Virginia. The BRHA manages 436 units of public housing in seven developments.

The mission of the BRHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low income families, persons with disabilities or the elderly.

The BRHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The BRHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The BRHA has assessed the housing needs of Bristol and surrounding Washington County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium sized agency. The BRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The BRHA has determined that its housing strategy complies with the City of Bristol's Consolidated Plan.

The BRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The BRHA has established a minimum rent of \$0.00 and has performed a market rent analysis to determine rental dollar values.

The BRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The BRHA has identified compliance with the Community Service requirements by rewriting its Admission and Continued Occupancy Plan and Dwelling lease to address those adult members of any family whom must perform community service activities annually. In addition, the BRHA has developed a self-certification form that is enclosed.

The BRHA has plans to demolish or dispose of a portion of its properties. The BRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The BRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The BRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the BRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of BRHA's Agency Plan to HUD on January 16, 2003

The BRHA has developed a very effective Asset Management plan to maintain its properties and manage its operation through the proper utilization of the following Annual Plan components.

## **DECONCENTRATION POLICY**

It is the policy of the Bristol Redevelopment & Housing Authority to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the BRHA is to house no less than forty percent (40%) of its BRHA inventory with families that have incomes at or below thirty percent (30%) of the area median income by public housing development. Also, the BRHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the BRHA does not concentrate families with higher income levels, it is the goal of the BRHA not to house more than sixty percent (60%) of its units in any one development with the status of the family income, by development, on a monthly basis by utilizing income reports generated by the BRHA's computer system.

To accomplish the deconcentration goals, the BRHA will take the following actions:

- A. At the beginning of each fiscal year, the BRHA will establish a goal for housing forty percent (40%) of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking forty percent (40%) of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  - 1) Housing not less than forty percent (40%) of the BRHA inventory on an annual basis with families that have incomes at or below thirty percent (30%) of area median income; and
  - 2) Not housing families with incomes that exceed thirty percent (30%) of the area median income in developments that have sixty percent (60%) or more of the total household living in the development with incomes that exceed thirty percent (30%) of the area median income, the BRHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of "local Preferences" in regards to the selection of applicants to meet the priorities of the policy.

### **Progress in meeting the 5-Year Plan Mission and Goals**

The BRHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of Capital Funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS and SEMAP scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our properties and our FY 2003 application will continue that effort.

BRHA has implemented local preferences to improve the living environment by addressing deconcentration, promoting income mixing, and improving security throughout our developments.

The BRHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicitsupport services for the elderly and families with disabilities.

We are confident that the BRHA will be able to continue to meet and accommodate all our goals and objectives for FY 2003.

## **Attachment J:**

### **Implementation of Public Housing Resident Community Service Requirement**

The Bristol Redevelopment and Housing Authority's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

#### **A. PHA Responsibilities**

##### **(1) Eligibility Determination**

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the guidelines of 24CFR, Part 960.6.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

##### **(2) Work Activity Opportunities**

The Bristol Redevelopment and Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

- a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that

the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

Briefly, describe the noncompliance (inadequate number of hours).

State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

- e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
  2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.
- f. The Bristol Redevelopment and Housing Authority has developed the following list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

Neighborhood Watch  
Daily Phone Monitor for elderly  
Daily Phone Monitor for disabled  
Welcome Wagon Attendant  
Playground Monitor  
Or other certifiable activities

Third party entities that have entered into an agreement with the Authority to provide activities available to satisfy the Community Service activities will be listed by Entity, work activity and contact person. The additional security deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet.
