ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The need for additional Section 8, Public Housing and other forms of assisted housing is evidenced by the numbers of families needing assistance in Snohomish County as well as those currently on the waiting list. At least 20,000 households below 80% of the median income need some sort of help with housing. Over 4,100 households are waiting for Section 8 or Public Housing, most of those are families with children, under 30% of the median income, and needing 2 or 3 bedroom units. HASCO has established aggressive goals of 100 additional Section 8 vouchers per year and 100 other affordable housing units per year for the next 5 years to help meet the need.

HASCO will continue to carefully screen Public Housing applicants to assure that our residential communities remain a good and safe place to live. Although deconcentration and income mixing is not currently a problem, preference will be given when necessary to higher income families to assure a presence of working households in all family developments. Work is encouraged through the setting of flat rents as an incentive to retain working families. HASCO is exempt from HUD's rule on deconcentration because all of our Public Housing developments are under 100 units.

HASCO will rely on the Section 8 program to house the bulk of households with incomes below 30% of median income and shall attempt to exceed the federal mandate of 75% of households below that threshold. The wait list will continue to be first come first served, except for a series of set-aside vouchers that assist those with a disadvantage in accessing housing such as the homeless, disabled or victims of domestic violence or are striving for upward mobility such as Project Self-Sufficiency, the Sound Families Initiative or the Welfare to Work Program. HASCO has implemented the new project

based housing voucher program attaching vouchers to mixed income projects where supportive services are provided to voucher supported residents. Three Sound Families projects funded by the Bill and Melinda Gates Foundation for homeless families have been supported with HASCO project based vouchers, with at least one additional project coming on line in 2003.

A physical needs assessment on 210 public housing units has been performed including scattered sites which have provided the PHA an accurate projection of the overall needs of the properties. Public Housing Improvements are programmed through a 1 and 5 year action plan. During the 5 year plan \$371,363 has been requested from HUD for each year to include HA wide cost and property improvements. Beginning in year 2003 through 2004 our primary goal is to make improvements that would prevent water damage to the parking lots, decks, and building envelopes while improving the esthetics of the properties. Emphasis in 2005 through 2008 will be interior upgrades which will include the replacement of carpets & vinyl's, appliances, sinks & faucets, hot water tanks, heating systems, and light fixtures.

HASCO has reviewed all 12 Public Housing developments for the potential of vouchering them out and renting the units to low-income households. The required initial assessment reveals that all developments could be vouchered out and rented to families with incomes below 50% of the median income and in most cases below 30% of the median income. HASCO only plans to implement this option if HUD provides new vouchers for this purpose or if vouchers are redistributed by HUD from agencies not using them. HASCO would further test one development to see if vouchering out is a workable option beginning with the Millwood Estates Public Housing units. A formal proposal was submitted by HASCO to HUD in 2002 to voucher out our Public Housing Program.

HASCO has implemented the homeownership option available under the Housing Choice Voucher program, and welcomed the first homeowner in 2002. Up to 25 participants will be enrolled in the homeownership process per year. Other assisted housing participants or other lower income households in the community will be helped in becoming first time homebuyers through the SnoHome loan program. An annual goal of 50 new first time homebuyers has been set for the next five years. While the required number of Family Self- Sufficiency participants continues to decline, HASCO has set a goal of 25 new participants a year including escrow accounts.

HASCO also promotes homeownership through the single-family rehabilitation loan program to help families upgrade their homes. These low-income homeowners could in many instances lose their homes due to poor condition and inability to finance improvements. This program has helped over 500 families with \$9 million in loans since 1980. A goal has been established to assist 40 homeowners to rehabilitate their homes per year.

HASCO is in the process of redefining the FS-S coordinator position (through additional HUD funding) to provide more case management services. The Public Housing Drug Elimination strategy remains focused on prevention. Key elements include supplemental

police services at all complexes, youth activities to deter drug or gang involvement such as Camp Fire, the Y Community Program, and skill building for parents to help them achieve self-sufficiency.

1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing

- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below) Facilitate preservation of existing Section 8 project based developments.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance. HASCO will review annually and attempt to keep the percentage of participants with incomes below 30% of median to around 83%.
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below) Project base housing vouchers in structures that provide a supportive environment to families with incomes below 30% of AMI.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below) Provide preference on the Section 8 waiting list for younger disabled applicants that reach the top of the public housing waiting list, since only one location is available (Robin Park) for these applicant.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below) Include handicapped accessible unit data on the annual update of the Assisted Housing Inventory for Snohomish County.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community

- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups
- Other: (list below)

2. Statement of Financial Resources

[24 CFR Part 903.7 9 (b)]

List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

Financial Resources: Planned Sources and Uses

3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (one month)
- Other: (describe)

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other Credit

c. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

d. Yes No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

e. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

(2)Waiting List Organization

a. Which methods does the PHA plan to use to organize its public housing waiting list (select all that apply)

- Community-wide list
- Sub-jurisdictional lists
- Site-based waiting lists
- Other (describe)

b. Where may interested persons apply for admission to public housing?

- PHA main administrative office
- PHA development site management office
- Other (list below)

c. If the PHA plans to operate one or more site-based waiting lists in the coming year, answer each of the following questions; if not, skip to subsection **(3) Assignment**

1. How many site-based waiting lists will the PHA operate in the coming year?

2. Yes No: Are any or all of the PHA's site-based waiting lists new for the upcoming year (that is, they are not part of a previously-HUD-approved site based waiting list plan)?
If yes, how many lists?

3. Yes No: May families be on more than one list simultaneously?
If yes, how many lists?

4. Where can interested persons obtain more information about and sign up to be on the site-based waiting lists (select all that apply)?

- PHA main administrative office
- All PHA development management offices
- Management offices at developments with site-based waiting lists
- At the development to which they would like to apply
- Other (list below)

(3) Assignment

a. How many vacant unit choices are applicants ordinarily given before they fall to the bottom of or are removed from the waiting list? (select one)

- One
- Two
- Three or More

b. Yes No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

(4) Admissions Preferences

a. Income targeting:

- Yes No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40% of all new admissions to public housing to families at or below 30% of median area income? However, HASCO's resident population is currently composed of 70% of households with incomes below 30% of median income. This is currently a workable mix that HASCO will strive to maintain.

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies
 Overhoused
 Underhoused
 Medical justification
 Administrative reasons determined by the PHA (e.g., to permit modernization work)
 Resident choice: (state circumstances below)
 Other: (list below)

c. Preferences

1. Yes No: Has the PHA established preferences for admission to public housing (other than date and time of application)? (If "no" is selected, skip to subsection **(5) Occupancy**)
2. Which of the following admission preferences does the PHA plan to employ in the coming year? (select all that apply from either former Federal preferences or other preferences)

Former Federal preferences:

- Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
 Victims of domestic violence
 Substandard housing
 Homelessness
 High rent burden (rent is > 50 percent of income)

Other preferences: (select below)

- Working families and those unable to work because of age or disability
 Veterans and veterans' families
 Residents who live and/or work in the jurisdiction
 Those enrolled currently in educational, training, or upward mobility programs
 Households that contribute to meeting income goals (broad range of incomes)
 Households that contribute to meeting income requirements (targeting)
 Those previously enrolled in educational, training, or upward mobility programs
 Victims of reprisals or hate crimes

Other preference(s) (list below)

3. If the PHA will employ admissions preferences, please prioritize by placing a "1" in the space that represents your first priority, a "2" in the box representing your second priority, and so on. If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. That means you can use "1" more than once, "2" more than once, etc.

1 Date and Time

Former Federal preferences:

Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)

Victims of domestic violence

Substandard housing

Homelessness

High rent burden

Other preferences (select all that apply)

- Working families and those unable to work because of age or disability
- Veterans and veterans' families
- Residents who live and/or work in the jurisdiction
- Those enrolled currently in educational, training, or upward mobility programs
- Households that contribute to meeting income goals (broad range of incomes)
- Households that contribute to meeting income requirements (targeting)
- Those previously enrolled in educational, training, or upward mobility programs
- Victims of reprisals or hate crimes
- Other preference(s) (list below)

4. Relationship of preferences to income targeting requirements:

- The PHA applies preferences within income tiers
- Not applicable: the pool of applicant families ensures that the PHA will meet income targeting requirements

(5) Occupancy

a. What reference materials can applicants and residents use to obtain information about the rules of occupancy of public housing (select all that apply)

- The PHA-resident lease
- The PHA's Admissions and (Continued) Occupancy policy
- PHA briefing seminars or written materials
- House Rules

b. How often must residents notify the PHA of changes in family composition?

(select all that apply)

- At an annual reexamination and lease renewal
- Any time family composition changes
- At family request for revision
- Other (list)

(6) Deconcentration and Income Mixing

a. Yes No: Did the PHA's analysis of its family (general occupancy) developments to determine concentrations of poverty indicate the need for measures to promote deconcentration of poverty or income mixing?

b. Yes No: Did the PHA adopt any changes to its **admissions policies** based on the results of the required analysis of the need to promote deconcentration of poverty or to assure income mixing?

c. If the answer to b was yes, what changes were adopted? (select all that apply)

- Adoption of site-based waiting lists
If selected, list targeted developments below:
- Employing waiting list "skipping" to achieve deconcentration of poverty or income mixing goals at targeted developments
If selected, list targeted developments below:
- Employing new admission preferences at targeted developments
If selected, list targeted developments below:
- Other (list policies and developments targeted below)

d. Yes No: Did the PHA adopt any changes to **other** policies based on the results of the required analysis of the need for deconcentration of poverty and income mixing?

e. If the answer to d was yes, how would you describe these changes? (select all that apply)

- Additional affirmative marketing
- Actions to improve the marketability of certain developments

- Adoption or adjustment of ceiling rents for certain developments
- Adoption of rent incentives to encourage deconcentration of poverty and income-mixing
- Other (list below)

f. Based on the results of the required analysis, in which developments will the PHA make special efforts to attract or retain higher-income families? (select all that apply)

- Not applicable: results of analysis did not indicate a need for such efforts
- List (any applicable) developments below:

g. Based on the results of the required analysis, in which developments will the PHA make special efforts to assure access for lower-income families? (select all that apply)

- Not applicable: results of analysis did not indicate a need for such efforts
- List (any applicable) developments below:

B. Section 8

Exemptions: PHAs that do not administer section 8 are not required to complete sub-component 3B. **Unless otherwise specified, all questions in this section apply only to the tenant-based section 8 assistance program (vouchers, and until completely merged into the voucher program, certificates).**

(1) Eligibility

a. What is the extent of screening conducted by the PHA? (select all that apply)

- Criminal or drug-related activity only to the extent required by law or regulation
- Criminal and drug-related activity, more extensively than required by law or regulation
- More general screening than criminal and drug-related activity (list factors below)
- Other (list below)

b. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

c. Yes No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

d. Yes No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

e. Indicate what kinds of information you share with prospective landlords? (select all that apply)

- Criminal or drug-related activity
- Name and addresses of previous landlords if known. If the family owes money to the housing authority for previous damaged units or for other purposes.

(2) Waiting List Organization

a. With which of the following program waiting lists is the section 8 tenant-based assistance waiting list merged? (select all that apply)

- None
- Federal public housing
- Federal moderate rehabilitation
- Federal project-based certificate program
- Other federal or local program (list below)

b. Where may interested persons apply for admission to section 8 tenant-based assistance? (select all that apply)

- PHA main administrative office
- Other (list below)

(3) Search Time

a. Yes No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below: Extensions must be requested in advance. The family must document good faith efforts to find housing and demonstrate that an extension would likely result in successfully finding housing. Extensions may be granted up to a maximum of 120 days. Additional extension beyond 120 days, will only be provided as a reasonable accommodation of a disability.

(4) Admissions Preferences

a. Income targeting

- Yes No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 75% of all new admissions to the section 8 program to families at or below 30% of median area income? However, HASCO will review annually and attempt to keep the percentage of participants with incomes below 30% of median to around 83%.

b. Preferences

- 1. Yes No: Has the PHA established preferences for admission to section 8 tenant-based assistance? (other than date and time of application)

(if no, skip to subcomponent **(5) Special purpose section 8 assistance programs**)

2. Which of the following admission preferences does the PHA plan to employ in the coming year? (select all that apply from either former Federal preferences or other preferences)

Former Federal preferences

- Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
- Victims of domestic violence
- Substandard housing
- Homelessness
- High rent burden (rent is > 50 percent of income)

Other preferences (select all that apply)

- Working families and those unable to work because of age or disability
- Veterans and veterans' families
- Residents who live and/or work in your jurisdiction
- Those enrolled currently in educational, training, or upward mobility programs
- Households that contribute to meeting income goals (broad range of incomes)
- Households that contribute to meeting income requirements (targeting)
- Those previously enrolled in educational, training, or upward mobility programs
- Victims of reprisals or hate crimes
- Other preference(s) (list below) Self-sufficiency; Mentally Ill; Developmentally Disabled; Terminally Ill; Homeless; Domestic Violence Victims; Welfare to Work Vouchers; Frail Elderly; Sound Families Project Based Vouchers.

3. If the PHA will employ admissions preferences, please prioritize by placing a "1" in the space that represents your first priority, a "2" in the box representing your second priority, and so on. If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. That means you can use "1" more than once, "2" more than once, etc.

1 Date and Time

Former Federal preferences

- Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
- Victims of domestic violence
- Substandard housing
- Homelessness
- High rent burden

Other preferences (select all that apply)

- Working families and those unable to work because of age or disability
- Veterans and veterans' families
- Residents who live and/or work in your jurisdiction

- Those enrolled currently in educational, training, or upward mobility programs
- Households that contribute to meeting income goals (broad range of incomes)
- Households that contribute to meeting income requirements (targeting)
- Those previously enrolled in educational, training, or upward mobility programs
- Victims of reprisals or hate crimes
- Other preference(s) (list below) All preferences listed in #2 above have equal priority.

4. Among applicants on the waiting list with equal preference status, how are applicants selected? (select one)

- Date and time of application
- Drawing (lottery) or other random choice technique

5. If the PHA plans to employ preferences for “residents who live and/or work in the jurisdiction” (select one)

- This preference has previously been reviewed and approved by HUD
- The PHA requests approval for this preference through this PHA Plan

6. Relationship of preferences to income targeting requirements: (select one)

- The PHA applies preferences within income tiers
- Not applicable: the pool of applicant families ensures that the PHA will meet income targeting requirements. Preferences are written to accomplish a broad range of incomes. However, the application pool has provided the approximate income mix so that in most cases a preference is not necessary.

(5) Special Purpose Section 8 Assistance Programs

a. In which documents or other reference materials are the policies governing eligibility, selection, and admissions to any special-purpose section 8 program administered by the PHA contained? (select all that apply)

- The Section 8 Administrative Plan
- Briefing sessions and written materials
- Other (list below) Welfare to Work contract of participation

b. How does the PHA announce the availability of any special-purpose Section 8 programs to the public?

- Through published notices
- Other (list below) Voucher allocations are provided to supportive services providers serving the special population. They market the program to their clients.

4. PHA Rent Determination Policies

[24 CFR Part 903.7 9 (d)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete sub-component 4A.

Describe the PHA's income based rent setting policy/ies for public housing using, including discretionary (that is, not required by statute or regulation) income disregards and exclusions, in the appropriate spaces below.

a. Use of discretionary policies: (select one)

The PHA will not employ any discretionary rent-setting policies for income based rent in public housing. Income-based rents are set at the higher of 30% of adjusted monthly income, 10% of unadjusted monthly income, the welfare rent, or minimum rent (less HUD mandatory deductions and exclusions). (If selected, skip to sub-component (2))

---or---

The PHA employs discretionary policies for determining income based rent (If selected, continue to question b.)

b. Minimum Rent

1. What amount best reflects the PHA's minimum rent? (select one)

- \$0
- \$1-\$25
- \$26-\$50

2. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?

3. If yes to question 2, list these policies below:

c. Rents set at less than 30% than adjusted income

1. Yes No: Does the PHA plan to charge rents at a fixed amount or percentage less than 30% of adjusted income?

2. If yes to above, list the amounts or percentages charged and the circumstances under which these will be used below:

d. Which of the discretionary (optional) deductions and/or exclusions policies does the PHA plan to employ (select all that apply)

- For the earned income of a previously unemployed household member
- For increases in earned income
- Fixed amount (other than general rent-setting policy)

If yes, state amount/s and circumstances below:

Fixed percentage (other than general rent-setting policy)
If yes, state percentage/s and circumstances below:

- For household heads
- For other family members
- For transportation expenses
- For the non-reimbursed medical expenses of non-disabled or non-elderly families
- Other (describe below)

e. Ceiling rents

1. Do you have ceiling rents? (rents set at a level lower than 30% of adjusted income)
(select one)

- Yes for all developments
- Yes but only for some developments
- No

2. For which kinds of developments are ceiling rents in place? (select all that apply)

- For all developments
- For all general occupancy developments (not elderly or disabled or elderly only)
- For specified general occupancy developments
- For certain parts of developments; e.g., the high-rise portion
- For certain size units; e.g., larger bedroom sizes
- Other (list below)

3. Select the space or spaces that best describe how you arrive at ceiling rents (select all that apply)

- Market comparability study
- Fair market rents (FMR)
- 95th percentile rents
- 75 percent of operating costs
- 100 percent of operating costs for general occupancy (family) developments
- Operating costs plus debt service
- The "rental value" of the unit
- Other (list below)

f. Rent re-determinations:

1. Between income reexaminations, how often must tenants report changes in income or family composition to the PHA such that the changes result in an adjustment to rent? (select all that apply)

- Never

- At family option
- Any time the family experiences an income increase
- Any time a family experiences an income increase above a threshold amount or percentage: (if selected, specify threshold) _____
- Other As noted above, all income changes must be reported to the PHA. However, increases in income or accumulation of increases that equal or exceed 15% of gross family income results in rent adjustments.

g. Yes No: Does the PHA plan to implement individual savings accounts for residents (ISAs) as an alternative to the required 12 month disallowance of earned income and phasing in of rent increases in the next year?

(2) Flat Rents

1. In setting the market-based flat rents, what sources of information did the PHA use to establish comparability? (select all that apply.)

- The section 8 rent reasonableness study of comparable housing
- Survey of rents listed in local newspaper
- Survey of similar unassisted units in the neighborhood
- Other (list/describe below) Local rent and vacancy report conducted twice yearly in the Seattle metropolitan area.

B. Section 8 Tenant-Based Assistance

Exemptions: PHAs that do not administer Section 8 tenant-based assistance are not required to complete sub-component 4B. **Unless otherwise specified, all questions in this section apply only to the tenant-based section 8 assistance program (vouchers, and until completely merged into the voucher program, certificates).**

(1) Payment Standards

Describe the voucher payment standards and policies.

- a. What is the PHA's payment standard? (select the category that best describes your standard)
- At or above 90% but below 100% of FMR
 - 100% of FMR
 - Above 100% but at or below 110% of FMR
 - Above 110% of FMR (if HUD approved; describe circumstances below) For 4 or larger bedroom units in census tracts approved by HUD for exception rents.

b. If the payment standard is lower than FMR, why has the PHA selected this standard?
(select all that apply)

- FMRs are adequate to ensure success among assisted families in the PHA's segment of the FMR area
- The PHA has chosen to serve additional families by lowering the payment standard
- Reflects market or submarket
- Other (list below)

c. If the payment standard is higher than FMR, why has the PHA chosen this level?
(select all that apply)

- FMRs are not adequate to ensure success among assisted families in the PHA's segment of the FMR area
- Reflects market or submarket
- To increase housing options for families
- Other (list below)

d. How often are payment standards reevaluated for adequacy? (select one)

- Annually
- Other (list below)

e. What factors will the PHA consider in its assessment of the adequacy of its payment standard? (select all that apply)

- Success rates of assisted families
- Rent burdens of assisted families
- Other (list below)

(2) Minimum Rent

a. What amount best reflects the PHA's minimum rent? (select one)

- \$0
- \$1-\$25
- \$26-\$50

b. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies? (if yes, list below)

5. Operations and Management

ATTACHMENT BB

Component 10 (B) Voluntary Conversion Initial Assessment

- a. How many of the PHA's developments are subject to the Required Initial Assessments?

HASCO operates 11 Public Housing developments for a total of 253 apartment units. Ten of these developments are subject to the assessment.

- b. How many of the PHA's developments are not subject to the required Initial Assessment based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)?

Only one development, Robin Park Apartments (WA19P039004), is not subject to the mandatory assessment. It serves only elderly and younger disabled residents.

- c. How many Assessments were conducted for the PHA's covered developments?

All of HASCO's Public Housing complexes were part of the Required Assessment. This included the one building noted above that is exempt from the Assessment. Each complex has been kept in excellent condition on both the interior and exterior. Therefore, the low operating costs as well as the desirability of the units from a non-assisted market standpoint, make the possibility of vouchering out all Public Housing units very doable. The entire inventory could be vouchered out, and rented to households with incomes below 50% (and in most cases 30%) of the median income, and with enough income to operate and maintain the inventory in excellent condition.

- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessment:

East Terrace	26

SECTION 8 HOMEOWNERSHIP PROGRAM CAPACITY STATEMENT

Snohomish County's median home price reached \$217,500 in the summer of 2002, requiring an income of \$64,921 to purchase. Families below median income are increasingly priced out of the market. An entry-level teaching position in south Snohomish County pays \$28,617. With this year's exceptionally low interest rates, this salary could support a mortgage of \$95,000 leaving a gap of \$122,000 between the buyer's affordability and the median sale price.

Recognizing this trend, the Housing Authority initiated a first-time homebuyer program in 1992. Since 1996, the Authority has partnered with HomeSight, a nonprofit HUD certified counseling agency to offer homebuyer education and one-on-one counseling. In 1999 that partnership began offering purchase assistance from a revolving loan fund. The Authority is currently involved in two development projects that combine education, purchase assistance and quality, affordable homes for working families.

HOMEBUYER EDUCATION & FINANCIAL COUNSELING

HomeSight provides a comprehensive homebuyer education, counseling and loan underwriting program. All prospective buyers are required to complete this HUD-certified program which provides twice the number of training hours required by the Washington State Housing Finance Commission. Classes in the financial series cover predatory lending tactics, real estate documents, budgeting, credit repair, investments and estate planning, and home, neighborhood and community maintenance. During two hour one-on-one counseling sessions, HomeSight staff review applications, calculate buyers' affordability, assess credit reports and create savings and action plans. The Authority has provided purchase assistance to more than 150 first-time home buyers and assisted many more with homebuyer education, most of whom have purchased homes without assistance.

REVOLVING LOAN FUND

Purchase assistance loans of up to \$35,000 are available with low interest and deferred payment schedules to buyers below 80 percent of HUD area median income. Buyers must save \$2,500 or 2% of the purchase price of their home (whichever is greater) for their down payment. Their first mortgages are provided by one of eight local participating lenders. Terms of the purchase assistance loans are structured to create a very minimal burden. Typical buyers receive a second mortgage of \$5,000 amortized over 30 years at 5 percent interest. A third mortgage for the remaining \$30,000 is offered at 4% interest and deferred entirely for eight years. In year nine the family begins making interest-only payments and in year 31 begins making payments on principle and interest of \$550 a month.

FY2002 promises to be a banner year for the program. In FY2000 and FY2001 the Authority averaged two loans per month. In FY2002 an average of four loans are closing per month. The Authority expects to assist 48 families this year. The program's business plan is for increasing production.

SECTION 8 HOMEOWNERSHIP

The Housing Authority of Snohomish County and Everett Housing Authority have more than 40 Section 8 clients actively working toward homeownership with HomeSight through the Section 8 HomeOwnership program. These clients are required to complete the homebuyer education and counseling program, including saving \$2,500 or 2% of the purchase price of the home for their downpayment. The Authority provides up to \$35,000 in purchase assistance. This maximum

loan limit has been raised in some specific instances where family size made purchase of a larger home necessary. For Section 8 clients the entire loan is amortized at 5 percent with payments set at the initial value of the voucher, provided the voucher can be reasonably expected to pay off the entire loan. The first Section 8 family to purchase a home in Snohomish County closed their purchase in August of 2002. Both parents of the family of four are disabled. The Authority offers translation services for buyers who do not speak fluent English and an individualized education program for developmentally disabled buyers. A recent grant to HomeSight from the Neighborhood Reinvestment Corporation for \$400,000 guarantees purchase assistance funds specifically for Snohomish County Section 8 buyers.

DEVELOPMENTS

MARKLAND WOODS

Markland Woods is the Authority's largest homeownership development to date. The 157 two, three and four-bedroom condos and townhomes begin at just \$118,000 in the expensive real-estate market of South Snohomish County. Easy access to jobs along the I-5 corridor, spacious homes backing onto greenbelts, a club house with amenities, a swimming pool and a playground have drawn buyers in more quickly than expected. Qualifying buyers who participate in HomeSight's education and counseling program can receive up to \$35,000 in purchase assistance. Low-income buyers who do not fall below 80 percent of HUD's median income or are not considered first-time homebuyers but still face an affordability gap may receive up to \$10,000 in purchase assistance funded by development proceeds. The Authority is committed to selling at least 51 percent of these homes to low-income buyers and anticipates exceeded this goal.

AIRPORT ROAD TOWNHOMES

In partnership with HomeSight, HASCO is developing 35 new townhomes for first-time buyers on Airport Road. These two-story manufactured homes will combine a quality, affordable product with purchase assistance to make buying a first home possible for low-income families.

PET OWNERSHIP IN PUBLIC HOUSING

HASCO has adopted a pet policy in Public Housing and its provisions are now in effect. Pets are defined as “smaller domesticated animals; specifically dogs, cats, birds, fish or turtles”. The number of pets a resident may own is limited to a dog or cat, 2 birds or 2 turtles, or fish contained in a tank holding a maximum of 10 gallons of water. A resident with a dog or cat may also have birds or turtles as limited above.

Cats and dogs can't exceed 20 pounds or 18 inches at the withers, and must be on a leash while on the common grounds. Pets are not permitted in interior common areas such as community rooms or restrooms. Birds must be confined to a cage except for cleaning.

Pets must be registered with HASCO including a pet description and photo. Documentation of inoculation against rabies, distemper and parvo virus must be provided. The pet must be licensed along with proof of neutering and spaying. Each pet owner must provide the name of an alternative care provider in case he/she is unable to provide care of the pet.

A non-refundable fee of \$150 is charged for each pet, and is used to defray the potential costs of pet damage. Charges during the tenancy for pet damage to the unit or common areas is not deducted from the fee, but is sent as a separate billing in conformance with the Schedule of Charges. Pet owners must sign a copy of the pet policy and the Pet Rider to the lease.

Pet owners are charged with the responsibility of preventing pet damage to the unit or common areas and must not allow the pet to create a nuisance. Dog waste must be picked up immediately, enclosed in plastic, sealed and placed in the garbage container. Kitty litter or shavings must be disposed of in a similar way. Residents may not feed strays and visiting pets are prohibited.

Management maintains a record of complaints and notifies the resident of them. A second notice will advise the owner of potential lease termination if further complaints are received. Vicious pets are dealt with in a more expeditious manner. Pet owners showing irresponsibility may be prohibited from owning a pet in the future.

PROGRESS IN MEETING THE 5-YEAR PLAN MISSION AND GOALS

HUD Strategic Goal: Increase the availability of decent, safe, affordable housing.

PHA Goal: Expand the supply of assisted housing.

Objectives:

Increase the supply of Section 8 vouchers by 500 over the 5-year period. **Progress:** HASCO has received 779 vouchers to date. Since the 2002 update, HASCO has received 52 Welfare to Work vouchers and 5 vouchers that serve younger disabled households.

Leverage private or other public funds to create additional housing opportunities: Rely primarily on bond and tax credits to create additional housing. **Progress:** To date, 277 units have been added to the HASCO inventory with the acquisitions of Edmonds Highlands (120 units) and Markland Woods (157 units). At Edmonds Highland, 12 units have been set-aside for transitional housing units with services. Acquisition and operations were financed with tax exempt bonds, a contingent loan agreement, a Bill and Melinda Gates foundation grant, and project based vouchers. HASCO also purchased the 157-unit Markland Woods project in Mountlake Terrace for homeownership for low and moderate income homebuyers. The acquisition was financed with interim bank financing until units are sold. Sales of these condominiums began in June 2002, with approximately 83 sold through the end of 2002.

HASCO is currently pursuing the acquisition of a 109-unit apartment community in Arlington and a 42-unit emergency/transitional housing conversion in south Everett. HASCO is looking at other acquisition opportunities in this favorable market as they become available.

Build or acquire (with emphasis on rehabilitation) of 500 affordable housing units during the next five years. **Progress:** The above projects will expand the affordable housing stock by 277 units.

PHA Goal: Improve the quality of assisted housing

Objectives:

Improve the Management of the Section 8 Voucher program through clear definition of staffing responsibilities and maximizing productivity. **Progress:** This objective has been accomplished. In addition, new computer software is being installed and modified for the Section 8 program (as well as Public Housing) that will increase administrative efficiency. The new software will become operational during the 2003 program year.

Dispose of 43 scattered site Public Housing units and transfer those subsidies to the Millwood Estates complex within five years, with no net loss of Public Housing units. **Progress:** To date, 31 of the 43 scattered site units have been sold and 34 Public Housing families are residing at Millwood Estates.

PHA Goal: Increase assisted housing choices.

Objectives:

Closely monitor the voucher payment standard to assure program viability in the expected tight housing market over the next five years. **Progress:** The payment standard was raised to the Maximum 110% of fair market rent in October, 2001 and to 120% for large bedroom sizes in certain census tracts approved by HUD. For 2002, the predicted tight housing market has not held, with a countywide vacancy rate estimated at 8.5%. Since private market rents have remained relatively flat with increased vacancies, HASCO has held the payment standard the same for 2003 as 2002. The only exception was a modest 3.3% increase in the 4-bedroom payment standard. These units remain scarce and have not been affected by increased vacancies.

Reach 25 voucher homeownerships per year by the end of five years. **Progress:** Policies have been adopted concerning voucher homeownership with some amendments as HUD refines regulations. Currently, 44 families have been enrolled in the program and are completing their homeownership education requirements and addressing credit issues that need resolution prior to home purchase. One family has purchased a home with their housing voucher and two families are under purchase and sales agreements. Three families on the voucher program purchased without continued voucher assistance

Make 50 SnoHome first time homebuyers loans per year during the 5-year period.

Progress: At the end of 2002, 85 homebuyers have purchased homes and an additional 16 households are expected to buy homes by June 30, 2003.

HUD Strategic Goal: Improve community quality of life and economic vitality.

PHA Goal: Provide an improved living environment

Objectives:

Maintain or decrease the currently low level of criminal activity at Public Housing developments through improved community policing and other drug elimination programs. **Progress:** Contracts for police/sheriff presence at all Public Housing developments will continue through 2003. HUD PHDEP ends for this program in December 2003. Community room improvements and better outdoor lighting that was partly funded through PHDEP will be included in Capital Fund expenditures. HASCO continues the process of applying for "Crime Free Rental Housing Designation" through the City of Lynnwood for Alderwood and Pinewood. Semi annual crime prevention inspections are current.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

PHA Goal: Promote self-sufficiency and asset development of assisted households.

Objectives:

Provide support services during the 5-year period for 700 Welfare to Work Voucher program participants and those involved in Section 8 set asides listed on page 25 of the Annual Plan. Provide self-sufficiency planning and support to the required number of FS-S participants. For Public Housing, make four program referrals per month and at least eight supportive services programs per year for both Public Housing and Section 8. **Progress:** Supportive services and individual action plans are provided to all Welfare to Work clients and to all Section 8 set-aside programs. HASCO received 52 additional

Welfare to Work Vouchers in 2002. The 84 Family Self-Sufficiency participants have completed their contracts, action plans, and support services are provided to all of them. Through 2002, 23 FS-S graduates have purchased homes. There are 72 active escrow accounts, with 11 of them having account balances of \$5,000 or more, and nine with account balances greater than \$10,000. Nineteen graduates received a total of \$248,369 in escrow payments during 2002.

Program referrals are estimated at 25 per month and at least 10 supportive services programs are provided including Camp Fire, Kids on the Block, Stranger Danger classes, Books For Kids, fire safety, and the new Y Community Program.

Continue to make the Housing Social Services Program available to senior and disabled residents of assisted housing. **Progress:** The contract between HASCO and Senior Services has been signed for 2003, and expanded to cover Section 8 clients as well. Quarterly contacts average almost 1000.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing.

Objectives:

Include as many handicapped accessibility improvements as feasible in the 5-year capital improvements plan based on the handicapped physical needs assessment. **Progress:** Emphasis for the next five years will include range hood controls, U-handles on cabinets, raised profiled toilets, and repairs to existing roll in showers in the eighteen public housing ADA units. Six of the public housing ADA units will have the new roll in showers installed. For the Rural Development senior-housing install lever style faucets, raised profiled toilets, entry door ramping and work towards providing more roll in showers for some of the more physically limited seniors.

Other PHA Goals and Objectives.

Progress. The 7 goals and objectives listed in the Annual Plan were adopted by the Board of Commissioners prior to and independent of the Public Housing Agency Plan. They are not quantitative objectives. However, all of them are covered by at least one of the objectives stated above in the Annual Plan and progress is reviewed there. All of these objectives remain the same for the coming year.

PROJECT BASED VOUCHERS

The HASCO Board of Commissioners has adopted policies for implementation of Project Based Vouchers. The policies have been made part of the Section 8 Administrative Plan. HASCO will use up to 20% of the Section 8 funding available for this purpose. Preference for the project basing of units will be given to public or non-profit owners. All project-based commitments must be accompanied by supportive services to residents, provided by the owner either directly or in partnership with a supportive service provider. This housing/supportive services combination will more effectively serve disadvantaged segments of the low-income population than regular tenant based assistance.

Project based units sites will be selected consistent with the Agency Plan and furthering the goals of deconcentration of poverty and expanding housing and economic opportunities for low-income households. HASCO will give preference to mixed income developments and neighborhoods where there is not a significant concentration of poverty. In addition, HASCO will give preference to projects that reflect a concerted community effort to combine housing with supportive services that targets a segment of the low-income population needing this combination of assistance. The Sound Families Transitional Housing Program is such an example.
