C. Strategy for Addressing Needs

The Housing Needs Section of our Consolidated Plan shows there is a need for additional affordable housing resources in our community. However, the Housing Authority is extremely concerned that our waiting lists for housing continue to decrease. We have increased our marketing strategies in an effort to make persons residing in our community more aware of the availability of the housing we provide..

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development

- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available

- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

**DECONCENTRATION
AND
INCOME MIXING POLICY**

Housing Authority of the City of La Crosse will analyze their public housing stock and tenant incomes so that deconcentration of poverty and income mixing will be encouraged. To effectively accomplish this policy, the Housing Authority will:

1. determine and compare the relative tenant incomes of each development and the incomes of census tracts in which the developments are located, and
2. consider what policies, measures or incentives are necessary to bring higher income families into lower income developments (or, if appropriate to achieve the deconcentration of poverty, into developments in lower income census tracts) and lower income families into higher-income projects (or if appropriate to achieve the deconcentration of poverty, into developments in higher income census tracts).

For the purpose of achievement of this policy, and if the waiting list allows, the LHA may:

1. Skip over families on waiting lists based on incomes.
2. Establish worker preference.
3. Provide additional supportive services and amenities.
4. Appropriate affirmative marketing efforts.
5. Additional applicant consultation and information.
6. Rent incentives as authorized by the Quality Housing Work Responsibility Act.

This policy becomes part of the LHA's Admission Policy as a requirement under the Quality Housing Work Responsibility Act.

COMMUNITY SERVICE REQUIREMENT FOR PUBLIC HOUSING

SERVICE REQUIREMENT: The obligation of each adult resident, other than an exempt individual, to perform community service in accordance with 24CFR 960.603.

Beginning October 1, 2000, each adult resident, other than an exempt individual, of public housing must perform 8 hours of service per month. This service may be done directly through this HA or with any other approved community agency which provides voluntary work or duties that are a public benefit, or increase a residents self-responsibility in the community. Community service may not include participation in political activities.

EXEMPT INDIVIDUALS: An exempt individual is an adult who:

- (1) Is 62 years or older;
- (2) Is a blind or disabled individual, who certifies that because of this disability she or he is unable to comply with the service provisions as noted; or is the primary caretaker of such an individual;
- (3) Is engaged in work activities;
- (4) Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State, including a State-administered welfare-to-work program;
- (5) Is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act or any other welfare program of the State, including a State administered welfare-to-work program.

ADMINISTERING THE SERVICE REQUIREMENT: The HA will notify families of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The HA will give all adult family members, other than exempt individuals, a written description of the service requirement, and of the process for claiming status as an exempt person. The HA will furthermore provide a listing of approved agencies for the family member to complete their service requirement with.

MONITORING RESIDENT COMPLIANCE: The HA will review family compliance with service requirements at each families annual reevaluation. If qualifying activities are administered by an organization other than the HA, the family member must provide signed certification to the HA from the approved agency that the family member has performed such qualifying activities.

If the HA determines that there is a family member who has not complied with the service requirement, the HA will promptly notify the individual of their non-compliance. This notice will describe the non-compliance and will state that the HA will not renew the lease at the end of the next twelve month lease term unless the family enters into a written agreement with the HA to become compliant. To become compliant, the family member must complete the additional hours of community service needed to make up the total number of hours required over the twelve month term of the new lease. At the next annual reevaluation, if a family member remains in non-compliance, the HA will not renew the lease for another term.

STATEMENT OF PROGRESS IN MEETING THE 5-YEAR MISSION AND GOALS

GOAL: Increase the availability of decent, safe and affordable housing.

The La Crosse Housing Authority continues to struggle with low waiting lists for its elderly housing. Statistics indicate fifty-four persons on our waiting list for elderly/handicapped facilities while the waiting list for public housing family developments are at ninety-nine. Numbers from one year ago, however, are up. Elderly/handicapped waiting lists reflected 49 persons and eighty-five for the family developments. It is our goal to continue to market our housing.

GOAL: Improve the quality of assisted housing.

We continue to modernize our existing housing stock. In year 2001, two phases of modernization at Mullen Homes was completed. In year 2002 the final phase will be completed. Our long term goal is to continue to modernize our housing stock.

GOAL: Increase assisted housing choices.

Our outreach efforts continued in year 2001. Waiting lists increased as a result. Current lists show 224 families waiting compared to last year figures of 178. Becoming a member of the Wisconsin Apartment Association has aided us in being more visible in the community.

GOAL: Provide an improved living environment.

The LHA installed security cameras at all of its facilities. Recent surveys indicated that the majority of residents feel very safe and secure in their communities. The Boy's and Girl's Club continued to operate a branch club in our Huber Homes Development and the LHA continued to operate a youth recreation program at its Schuh/Mullen Homes Development. In 2001 we held a very successful Neighborhood Night Out at Schuh/Mullen Homes as well. We are rich in community resources and actively pursue their involvement at all of our developments.

GOAL: Promote self-sufficiency and asset development of families and individuals.

Statistics show that numbers are up in that most households are employed. Fewer residents are paying "zero rent". Those households required to perform community service are complying.

GOAL: Ensure Equal Opportunity in Housing for all Americans, as a member of the La Crosse Fair Housing Partnership we successfully held our second year of an awareness fair. Our agency sponsored a booth and were pleased to see an increased attendance from the previous year.

COMMENTS OF RESIDENT ADVISORY BOARD

Schuh/Mullen homes: Residents concerned that certain areas were dark. The LHA should consider installing motion lights on their duplexes. Also asked if additional lighting could be installed around the playground.

Stoffel Court: Consider including the replacement of closet doors in apartments and replacing apartment carpet in the Five Year Plan.

Stokke Tower: No comments.

Sauber Manor: Install additional security cameras at the north and south stairwell entrances as well as the community dining room doors.

Becker Plaza: No comments.

Huber Homes: Include in the Five Year Plan the installation of deadbolt locks, also consider installation of carpet.

Grover Estates: No comments

Solberg Heights: Include in the Five Year Plan the renovation of the front drive making it more handicapped accessible, also lowering the patio wall to the south; thereby making it more attractive and useable. Install security camera at the front stairwell door.

Section 8 Housing Choice Program: No comments received.

VOLUNTARY CONVERSION REQUIRED INITIAL ASSESSMENT

In accordance with 972.200(b), the Housing Authority of the City of La Crosse certifies that it has reviewed the operations of its four family developments, Schuh Homes, Mullen Homes, Huber Homes and Grover Estates, considered the implications of converting the public housing to tenant based assistance; and concluded that conversion of the developments is inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.
