ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

WHEDA has been developing a statewide Section 8 Housing Voucher Program. It has been WHEDA's and HUD's objective to develop assistance programs in those areas of the State of Wisconsin that do not have assistance available. This has primarily brought the focus into more rural areas of the State that do not have functioning Housing Authority's or countywide networks in place capable of developing such assistance. When WHEDA first began this initiative at HUD's request, there were over 40 counties within the State that did not have any tenant-based housing assistance. We have been able to develop programs in 37 of those counties.

WHEDA's ACC authority for the Voucher Program under contract with HUD for WHEDA's fiscal year 2003, beginning July 1, 2002, was 1235 units.

In establishing programs in 37 counties, WHEDA has been able to develop and nurture a variety of local agents to assist in administering the Vouchers and the Family Self-Sufficiency (FSS) component. WHEDA and its local agents have been able to successfully adhere to the Housing Quality Standards as detailed in 24 CFR 887. Units are inspected at least annually, and at other times as needed to determine that the unit meets HQS. Additionally, WHEDA conducts supervisory quality control HQS inspections annually as required by HUD for compliance with Housing Quality Standards.

WHEDA and its local agents have many participants who have portabilized their Housing Vouchers either to the community or to another community of their choice that operates a program. We have had extensive experience with all facets of portability and have worked cooperatively with many other housing authorities to resolve issues and coordinate participant transfers.

WHEDA and its local agents comply with Fair Housing and Equal Housing Opportunity requirements and have had an excellent compliance monitoring review.

Finally, WHEDA and its local agents have an excellent record of correct payment computation and rent reasonableness. Our agents have received proper training and have the tools to determine participant

and Housing Assistance Payments (HAP) contributions and are reviewed annually by WHEDA to assure accuracy. The agents in the local communities have great knowledge of local housing markets and utilize this knowledge to assure that contract rents are fair, appropriate for the size of the unit, type and quality of housing.

X Admissions Policy for Deconcentration

WHEDA as PHA for the Voucher Contracts participates in the efforts of the State of Wisconsin to deconcentrate areas of poverty by receiving applications from households who live in areas of such concentrations. This policy has been developed

because the counties of WHEDA voucher jurisdictions are not identified as being areas of concentrated poverty.

A specific example of this policy in action is WHEDA’s participation in the Milwaukee Area Regional Opportunity Counseling program conducted by the Milwaukee YWCA under grant funds to Milwaukee County for the purpose of finding relocation housing opportunities for families in the Milwaukee area.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

WHEDA is a State Housing Finance Authority designated as quasi-governmental and chartered under Legislation for WHEDA to exist for the purpose of providing housing for low and moderate income persons in the State of Wisconsin. WHEDA is governed by its 12 Board of Directors and Executive Director who are appointed by the Governor.

The Authority has a staff of approximately 165 and is roughly divided into 8 Groups, further divided into approximately 20 Teams. The Voucher Program is administered under the Asset Management Group, M&M Team branch of WHEDA. Personnel involved specifically with this program is one Asset Manager (AM) and two Program Representatives (PR).

Organizationally, WHEDA subcontracts most of the field work involving waiting lists, tenant selection, voucher processing, document processing and unit inspections to third-party service providers.

The AM and PRs prepare the voucher contract budgets, plans, year-end reports on funding, contracts with private organizations and provide administrative over site for the program-at-large, including resolution of tenant disputes. The PR's administer the monthly requests for HAP funds and administrative fees from the field service providers.
