D. Other Information Required by HUD

ATTACHMENT A: Executive Progress Statement

The Parkersburg Housing Authority continues to assist families by providing safe, decent affordable housing as they strive to improve the quality of their lives through economic independence or homeownership.

The PHA's low-income public housing development, Homecrest Manor has made major improvements in several areas. Vacancies have been reduced and the number of days to make-ready a unit for lease has also decreased.

The Authority has seen the emergence of the Homecrest Resident Council and looks forward to working with the residents to maintain and improve the quality of housing at Homecrest Manor.

The Authority provides many activities for the youth at Homecrest Manor. A fall festival is held every year in conjunction with the City of Parkersburg Police and Fire Department in an effort to educate the youth about the dangers of drugs and illegal activities associated with drug usage; an after-school tutoring program is offered to first through sixth grade students;

and a summer recreation is also provided in an effort to provide other activities to deter illegal activities and drug usage.

Many of the programs established over the past year have been due to the successful association between the City of Parkersburg Police Department, Homecrest Manor Resident Council, Retired Senior Volunteers Program and Parkersburg South Baptist Church.

The Retired Senior Volunteers Program assists the Police Department of the City of Parkersburg in maintaining the police substation on the grounds at Homecrest Manor Apartments.

In an effort to establish self-sufficiency among our residents, a deduction from annual income was added to the Admissions and Continued Occupancy Policy of the Parkersburg Housing Authority. Working families are given a one-time \$550.00 deduction from the gross annual income.

The Parkersburg Housing Authority's homeownership program continues to thrive. The PHA has sold six homes to eligible families, purchased an additional four more homes for rehab and inclusion in the program and leased five homes to eligible families.

The Section 8 Housing Choice Voucher program has experienced success over the past fiscal year in obtaining 100% lease-up of all Housing Choice Vouchers and Welfare-to-Work Vouchers. Currently 17 families are enrolled in the Section 8 Family Self-Sufficiency Program.

The Parkersburg Housing Authority strives to promote adequate and affordable housing, economic opportunity and a suitable living environment.

Substantial Deviation

The Parkersburg Housing Authority is required to notify the Resident Advisory Board, the Board of Commissioners and the U.S. Department of Housing and Urban Development of any “Substantial Deviation” or “Significant Amendment or Modification” to the current Annual Statement. As work progresses, the Housing Authority recognizes that conditions may change from time to time from the original anticipated project, that there may be changes to certain rent and admissions policies, and that there may be need to change programs and activities. The Housing Authority recognizes its duty and responsibility to the residents, Resident Advisory Board and to the general public to notify them of a substantial deviation or significant amendment or modification in terms.

The Parkersburg Housing Authority will submit a revised Annual and Five-Year Plan upon any substantial deviation from the provisions outlined in this current plan. Substantial deviation is defined as any significant modification or amendment that results in:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items to the Capital Fund;
- Additions of new activities not included in the current PHDEP plan;

And

- Any change in regard to the homeownership activities.

ATTACHMENT H VOLUNTARY CONVERSION

a. How many of the PHA's developments are subject to the Required Initial Assessments?

- 1

b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)?

- 0

c. How many Assessments were conducted for the PHA's covered developments?

- 1

d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

Development Name Number of Units

- None -

e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments.

Voluntary Conversion

The Parkersburg Housing Authority has reviewed the operations of Homecrest Manor Apartments and determined that conversion of the units to tenant based assistance is inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.

Homecrest Manor was built in the early 1970s and must compete on the rental market against Low Income Tax Credit Units that were built within the past five years. The Parkersburg Housing Authority plans to upgrade the units by adding carpeting and possibly air conditioning to Homecrest Manor, through use of Capital Funding, to make the units more attractive/marketable. Capital funds are also earmarked for other repairs and conditions due to the age of the development. By converting public housing units to tenant-based assistance, capital funds would be eliminated and many of the renovations and improvements could not be made.

The Authority's current AEL is \$329.00 per month and the Section 8 Fair Market Rent for a two bedroom unit is \$424.00. Current occupancy rates for Homecrest Manor are at 90%. The amount collected by the PHA for rents would not adequately produce enough revenue to cover expenses plus provide for renovations/improvements as provided for through the Capital Fund program and outlined in the PHA's Annual/Five-Year Plan.

Without renovations, Homecrest Manor could not compete on the open/tenant-based market.

Many of the families who apply for tenancy at Homecrest Manor also apply for Section 8 Rental Assistance. The waiting period for a Section 8 voucher is approximately three months. Many families upon receiving their Section 8 voucher move from public housing. Therefore, if the PHA converted units from public housing to tenant-based assistance, occupancy rates would further decline as families would choose units other than Homecrest Manor Apartments.

Therefore, the PHA does not consider the conversion of Homecrest Manor Apartments to tenant-based assistance to be a viable option at this time. 9/30/2001
