1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

The Harrison County Housing Authority has collected information from it's section 8 waiting list and homeownership waiting list. Data regarding current occupied housing and rent reasonableness have been reviewed and analyzed by staff members.

Information from the State CHAS ,Harrison County Comprehensive Plan and the City of Clarksburg Comprehensive Plan was collected and analyzed.

Conclusions from this analysis are that Harrison County is in great need of additional rental vouchers for low and moderate income families .While the Harrison County Housing Authority maintains close to a one hundred percent lease up rate ,it is still not enough service to the clients in need.

As indicated in the previous years, quality housing is still in demand. It appears that there has been a progressive decline in this area than was previously anticipated. Landlords, as well as low and moderate income homeowners, still need to have financing programs available to standardize their units.

Homeownership continues to grow and yet a great need is present to assist low and moderate income families ability to purchase a home.

The Harrison County Housing Authority will continue it's efforts working with lending institutions, community action associations the West Virginia Housing Development Fund and other social service organizations to provide these needs.

As indicated in the executive summary, we will use our resources and make applications to HUD for additional financial resources to make every effort to accommodate the needs of our residents.

Attachment D- Criteria for Substantial Amendments or Modifications, Significant Deviations from the 5-Year Plan

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- ◆ a substantial deviation from its Five-Year Plan; and
- ◆ a significant amendment or modification to its Five-Year Plan and Annual Plan.

Notice PIH 99-51 states that PHAs must define the terms “Substantial Deviation and “Significant Amendment or Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- ⌚ Changes to rent or admissions policies or organization of the waiting list;
- ⌚ Additions of non-emergency work items (items not included in the current Annual Statement or Five-Year Action plan) or change in use of replacement reserve funds under the Capital Fund;
- ⌚ Additions of new activities not included in the current PHDEP Plan; and
- ⌚ Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.
- ⌚ Any PHA changes to the policies or activities described in the Plan will be subject to a full public hearing and HUD review before implementation and;
- ⌚ An exception to this definition will be made for any amendments or modifications that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD>
