With this privilege comes responsibility. All residents who have pets must comply with all parts of this policy.

**This Pet Policy is included as part of the Public Housing lease. Violation of any part of this policy is a violation of the Public Housing lease.**

A common household pet is defined as a four legged, warm blooded, domesticated animal, such as a dog or cat that is traditionally kept in the home for pleasure rather than commercial purposes. Common household pets do not include exotic pets such as snakes or other reptiles (except turtles), animals usually found in zoos, birds of prey, or other dangerous species.

**RESTRICTIONS:**

Residents in Public Housing apartments may have one common household pet, which weighs less than 25 pounds when fully grown.

Residents in Public Housing single-family houses may have up to two common household pets, which weigh under 50 pounds when fully grown. Snakes, insects, or other creatures, which can cause infestation or damage, if released (i.e., ants, mice, gerbils, rats, spiders, etc.), are not permitted. Barnyard animals are not permitted.

Birds, turtles, and fish are permitted. These must be caged or in a leak-proof aquarium and maintained in a safe sanitary manner. Residents may have up to two birds. Fish tanks are not to be over 20-gallon size. Residents' guests and visitors may not bring pet animals into the home.

**REQUIREMENTS:**

Residents must complete the Pet Application and Registration form(s). This registration must be updated annually. This registrations must include a veterinarian's certification of the pet's vaccination, proof of spaying/neutering, proof of licensing, sufficient information to identify the pet and demonstrate that it is a common household pet, and the name, address, and phone number of one or more responsible individuals who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.

Residents who own their own pets must pay an annual \$120 non-refundable fee to cover additional operating costs to the project. Fee is due in full when CHA approves pet application.

Residents who own pets must pay a one-time \$ 300 refundable pet deposit per pet. The deposit will be placed in escrow and returned to the family with accrued interest, minus costs, after the resident moves or no longer owns the pet(s). This may be paid on a payment schedule over 6 months.

Pets at Provence Court and in North Casper must be kept inside the resident's apartment. Residents will be responsible for the sanitary disposal of pet waste. Pets must be appropriately and effectively restrained and under the control of a responsible individual while on the common areas of the housing project. The City of Casper Leash Law requires animals to be on a leash when in public areas.

The resident is responsible to restrict their pets when inspectors or maintenance personnel come to their unit. If a pet is not restrained, the work or inspection will not be completed and the resident will be charged a \$25 return trip fee.

**Service Animals:**

Restrictions do not apply to service animals that assist persons with disabilities. Requirements, other than financial, do apply.

### **D. Other Information Required by HUD**

#### **Brief Statement of Progress in Meeting the Five-Year Plan Mission and Goals.**

**Casper Housing Authority will continue to apply for additional Housing Choice Vouchers to meet the need for affordable housing in Casper and Natrona County, this goal is reached according to the appropriations of Congress.**

**We continue to strive to address the public housing vacancy rate for our units. One solution to reaching this goal is to update the interior of the units in North Casper and to focus on making their curb appeal more pleasing. The funds to accomplish these goals will be from the Capital Fund Program.**

The Resident Advisory Board is an area that still offers many challenges for our agency. Our 75 Public Housing residents and a random selection of Section 8 residents currently comprise the Resident Advisory Board. Some of the challenges we face in establishing an independent Resident Advisory Board are high turnover of units, resident apathy, lack of public transportation, lack of time on the resident's part and lack of staff time. It is still our continued goal to establish an independent Resident Advisory Board.

**DEFINITION OF SUBSTANTIAL DEVIATION AND SIGNIFICANT AMENDMENT OR MODIFICATION TO THE PHA PLAN.**

- **CHANGES TO RENT OR ADMISSIONS POLICIES OR ORGANIZATIONS OF THE WAITING LIST;**
- **ADDITIONS OF NON-EMERGENCY WORK ITEMS (ITEMS NO INCLUDED IN THE CURRENT ANNUAL STATEMENT OR FIVE-YEAR ACTION PLAN) OR CHANGE IN THE USE OF REPLACEMENT RESERVE FUNDS UNDER THE CAPITAL FUND.**
- **ADDITIONS OF NEW ACTIVITIES NOT INCLUDED IN THE CURRENT PHDEP PLAN; AND**
- **ANY CHANGE WITH REGARD TO DEMOITION OF DISPOSITON, DESIGNATION, HOMEOWNERSHIP PROGRAMS OR CONVERSION ACTIVITIES.**

**VOLUNTARY CONVERSION REQUIRED INITIAL ASSESSMENT**

Casper Housing Authority's initial assessment in regards to voluntary conversion of our 75 units is not practical or applicable. Our 75 units help fill the limited supply of very low-income housing in Casper, WY. Presently, individuals in need of affordable housing are not always able to find housing on the open market. The geographical area of 36 units are in area where many residents have resided for many years, it would not be practical to move them to other units because of the lack of public transportation in our community, the lack of affordable housing and the fact that this area is near a former Amoco refinery where health concerns have been investigated by the EPA without conclusive results.

**Deconcentration of Poverty and Income Mixing**

Casper Housing Authority has adopted Resolution 356-CHA-99 (Attachment A) that commits us to housing individuals with higher income in our public housing units. We are still following this policy.

**Attachments**  
**Attachment – A**

Resolution 356 – CHA- 99

A RESOLUTION OF THE HOUSING AUTHORITY OF THE CITY OF CASPER,  
WYOMING

ADOPTING A DECONCENTRATION AND INCOME MIXING POLICY  
AS PART OF THE PUBLIC HOUSING AND ADMISSIONS AND OCCUPANCY POLICY.

WHEREAS, the Quality Housing and Work Responsibility Act of 1998 requires all Public Housing agencies to design an admissions policy to provide for the deconcentration of poverty and income mixing, by bringing higher income tenants into lower income public housing projects and bringing lower income tenants into higher public housing projects; and

WHEREAS, Casper Housing Authority presently serves only very low income people at all of in sites; and

WHEREAS, participants can chose between living in public housing of in Section 8 assisted housing, which effectively provides housing choice; and

WHEREAS, Casper Housing Authority's present policy, which was previously suggested by the Office of Fair Housing, of requiring applicants to accept the first public housing unit available or be moved to the bottom of the waiting list, functions to prevent concentration of minorities in particular projects; and

WHEREAS, the Board of Commissioners believes opening the public housing waiting list to low income (50-80% median) people will create the possibility of higher income people moving into lower income neighborhoods resulting in further deconcentration;

NOW, THEREFORE BE IT RESOLVED THAT effective June 18, 1999 the Housing Authority – City of Casper reaffirms it's commitment to deconcentration by continuing its practice of requiring applicants to accept the first public housing unit available to prevent the concentration of minorities in particular neighborhoods;

BE IT FURTHER RESOLVED THAT effective June 18, 1999, the Housing Authority – City of Casper will begin conversion of its systems to accommodate the acceptance of low income people (50-80% median) people into the public housing program (while remaining within HUD required income targets) by the implementation date of October 1, 1999.
