5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004
[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

XXX The PHA's mission is:

To improve and expand the City's housing stock, address the needs of low-income and moderate-income residents, and stimulate the physical and economic revitalization of the City's residential neighborhoods in concert with other public, private, and nonprofit organizations.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS. (Quantifiable objectives would include targets such as: numbers of families served or PHAS scores)

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

XXX PHA Goal: Expand the supply of assisted housing.

XXX Apply for additional rental vouchers:

When NOFAs are published addressing the availability of vouchers, the RHA will, with consent of its Board of Commissioners, submit an application to secure new subsidies for the community.

___ Reduce public housing vacancies:

___ Leverage private or other public funds to create additional housing opportunities:

___ Acquire or build units or developments

___ Other (list below)

PHA Goal: Improve the quality of assisted housing

Objectives:

___ Improve public housing management: (PHAS score)

___ Improve voucher management: (SEMAP score)

___ Increase customer satisfaction:

XXX Concentrate on efforts to improve specific management functions:

(list; e.g., public housing finance; voucher unit inspections)

Housing staff of the RHA is comprised of six Housing Specialists. In a group discussion, among their peers and coupled with management's

approval, the Specialists redistributed caseload management functions, public contacts, and field inspections. The goal of the redistribution is to increase productivity and customer satisfaction.

- _____ Renovate or modernize public housing units:
- _____ Demolish or dispose of obsolete public housing:
- _____ Provide replacement public housing:
- _____ Provide replacement vouchers:

- _____ Other: (list below)

XXX PHA Goal: Increase assisted housing choices

Objectives:

XXX Provide voucher mobility counseling:

As a specific topic during the Voucher Program orientation, the Housing Specialist in charge of the orientation, will discuss with the Voucher Holders their opportunity to use their vouchers in other jurisdiction.

XXX Conduct outreach efforts to potential voucher landlords

At least annually, the RHA staff will conduct a Landlord Workshop to review regulatory changes and to respond to their questions regarding participation in the Section 8 Housing Choice Voucher Program. Additionally, one Housing Specialist II attends the monthly meetings of a local management network of landlords. At those meetings, the Specialist is available to respond to program questions and concerns. Once a year, RHA staff teams with staff from the County Housing Program to address the landlord's meeting regarding the Section 8 Housing Choice Voucher Program.

XXX Increase voucher payment standards

The RHA has increased the payment standards to 110 percent of the most recently published Fair Market Rents.

XXX Implement voucher homeownership program:

Objectives:

XXX Increase the number and percentage of employed persons in assisted families:

- Only 263 of the program's participating households are employed. Those households represent 19 percent of the participating households. It will be the goal of the RHA to encourage under or unemployed households to gainfully seek employment and to increase to 33 percent the number of working families. This goal can be met by encouraging households to become participants in the Family Self-Sufficiency Program, by counseling CalWORK sanctioned families as to benefit of their being in compliance, by increasing the interim redetermination income threshold from \$150.00 to \$300.00, and providing a full thirty-day notice prior to the family's subsidy portion being increased.**

Additionally, RHA cosponsors a full day Fair Housing Workshop which held each April. In April, the RHA reminds the community of their Fair Housing obligations via a banner flown in the downtown area and mailings to owners and real estate brokers.

a. What is the extent of screening conducted by the PHA? (select all that apply)
 Criminal or drug-related activity only to the extent required by law or regulation

Criminal and drug-related activity, more extensively than required by law or regulation

The RHA staff routinely requests information from all new applicants regarding their current and former landlord. Upon request, the RHA will release the information to prospective owners. Additionally, the applicants and participants must complete a household expense chart. This chart assists RHA staff to identify discrepancies in reported costs of living and income reported. Staff also obtains information regarding the identification, location, payment of child support, and visitation rights of the absent parent.

More general screening than criminal and drug-related activity (list factors below)

No, however, RHA staff routinely views the Superior Court of California web page, www.shastacourts.com. This case index link allows staff to ascertain whether or not a household member has had a criminal complaint filed against them. If a match is made, staff further clears the case number with a Court Officer who identifies the type of charges listed under the criminal complaint. If the charges are either drug-related or violent in nature, the household member is requested to provide necessary documentation. Staff routinely checks the current year and three preceding years for this information. Additionally, for all new applicants, the RHA obtains registered sex offender information via a contract with the Department of Justice and the California Housing Authority Association.

CalWORK staff, in the past, have been members of the Family Self-Sufficiency's Program Coordinating Committee. In this last year, to avoid duplication of meetings, the Redding Housing Authority became a member of the SmartNet Group. This group evolved from two groups, Partnership Advisory Council and SMART Partners. The SmartNet Group is a collaborative of more than 70 organizations serving the employment and training needs of Shasta County. Since many of these members have been part of the RHA's Program Coordination Committee, it seemed to be in everyone's best interest to roll into this meeting the limited issues of the Family Self-Sufficiency Program. Many of the group members will be asked to speak at FSS meetings. Additionally, RHA staff and CalWORK staff continue to work together to resolve issues involving mutual clients. The on-line verification for obtaining welfare benefit verification continues to work smoothly. The Housing Program Supervisor continues to attend the quarterly CalWORKS Management Council meetings.
